Architect Potter Challenges Board to Start Suit or Investigation

Editor, Daily News:

In the Daily News of December 13 I notice an item about J. W. Potter, L.R.J.B.A., wanting to collect over $2,000 from the School Board—an account which is long overdue. The fact that I am holidaying in California will not prevent my return to Prince Rupert to collect what is due me. I note that the School Board ordered the secretary to state that I was overpaid. If so, the School Board's duty is plain—collect the overpayments. I have given the School Board every opportunity to start their threatened law suit and also their much talked of investigation—all of which seems to have been for the purpose of fooling the public. Perhaps they did not want to explain the four per cent clause in the building contract or certain other things.

I hear that after all the highly paid advice of government and self-styled experts, the school building leaks as well as the half million dollar court house.

I am surprised that the ratepayers have not started suit to collect these moneys from the members of the School Board. The letter of Tony Christian published in your newspaper gives a small idea of what anyone dealing with the School Board has to put up with in the shape of foolish questions and endless talk.

I note that you, Mr. Editor, advocate a city manager for Prince Rupert. Get one quick. The ratepayers will receive twice as much for their money and have less trouble.

J. W. POTTER, L.R.J.B.A.,

YOU CAN EAT ANYTHING YOU LIKE AND NOT HAVE HEARTBURN

In all cases of heartburn there is a gnawing and burning pain in the stomach attended by a disturbed appetite, as when too much food is taken into the stomach it is liable to ferment and become extremely sour, vomiting occurs, and what is thrown up is generally sour and bitter. When you are in this condition you will find that Milburn's Laxa-Liver Pills will give you relief right away.

Mr. Joseph H. MacDonald, Christmas Island, N.S., writes:—"Two years ago I suffered all the time from heartburn. I took one vial of Milburn's Laxa-Liver Pills and have never been troubled since.

It is very nice to be able to eat anything you like and not have heartburn any more."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

BACK FROM HOLLYWOOD

Mrs. G. C. Walker Spent Five Weeks Among Movie Stars

Mrs. G. C. Walker, who returned on the steamer Cardena yesterday afternoon after spending five weeks holiday visiting with her sister, Mrs. Ringwold, at Hollywood and Los Angeles, California, stated this morning to the Daily News that she was glad to get back home again.

While not being able to exactly account for the desire to return to Prince Rupert, Mrs. Walker thought the immensity of the city of Los Angeles had something to do with it. In speaking of Los Angeles, Mrs. Walker said that on Christmas eve it was almost impossible to get along the streets for the immense throng of Christmas shoppers. There seemed to be plenty of money in California and consequently business was good from a retail standpoint.

The weather in the south has been ideal—the meadow larks are singing, gardens are being put in and plowing is being carried on. There was a little rain which mostly fell in the night.

The Fairbanks-Pickford motion picture studio is only a block from Mrs. Walker's sister's residence. Mrs. Walker was unable to see Douglas Fairbank's new picture "The Thief of Bagdad" in the making because the rules for the admittance of visitors were so strict. Mrs. Walker stated that tremendous cast was being employed in this new picture which would be a rival to "Robin Hood."
