CONCERT AT SKIDEGATE

Splendid Talent Heard at Island Village Friday Night

SKIDEGATE, March 12. — A splendid display of real talent was witnessed by the crowd which attended the concert given by the Skidegate Mission Concert Party at the Skidegate Mission Community Hall on Friday night. Mrs. Adolphus Collison, Mrs. Edna Crosby and Ed. Calder were responsible for the excellent program.

Ed Young displayed considerable skill in a piano accordion solo and Miss Holt, Mrs. Gordon H. Jolliffe and Ernie Wilson delighted their audience with vocal solos. A quartette by Mrs. Adolphus Collison, Mrs. Edna Crosby, Miss K. McIntyre and Mrs. Paul Brentzen was well rendered and a piano solo by Miss Weaver was much enjoyed. Little Miss Florence McIntyre gave a splendid exhibition of tap dancing and won great applause. Ed Calder proved to his audience that he could handle the violin and Magnus Green gave a fine mandolin solo. A double quartette by ten male voices was much enjoyed and a musical selection by four young men—Joe Tulip, Ben Roberts, Ralph Young and Billy Young—was exceptionally good. James McKay, Percy Gladstone and Ben Roberts gave a splendid saxophone selection and a guitar duet by Mrs. Adolphus Collison and Ed Young was well applauded. Mrs. Edna Crosby's rendering of the "Cattle Thief" by Pauline Johnson, was particularly clever and Miss Vanderveen's rendering of "The Battle of Vedda" by the same author was exceptionally good. A special feature of the program was a demonstration of the Hydah Crest by the old folks in native dress. This number, well acted, took the audience back many years. A short comedy skit entitled "The Meeting of the Minstrels" in which Mrs. Edna Crosby made a hit as Topsy, produced much laughter. The song "Old Folks at Home" by two of the darkies concluded the program.

Many from Queen Charlotte City and Skidegate attended and expressed their delight at the quality of the program and the efficient manner in which it was rendered.

Miss Weaver officiated at the piano and Percy Gladstone proved an efficient chairman. The proceeds of the evening, in aid of the Young People's Society of the United Church, amounted to $70.70.

Delightful refreshments were served to all by the ladies of Skidegate Mission at the conclusion of the program.

DR. CARTER IS SPEAKER

Anglican Young People Thrilled By Scientific Discourse

Dr. Neal Carter delivered an extremely interesting address to the Anglican Young People's Association on Wednesday night in the Cathedral Hall. His subject was "Very Low Temperatures." Dr. Carter touched on the methods that are used by scientists to obtain these temperatures. He illustrated his lecture with numerous experiments with what is known commonly as "dry ice" but in reality is solidified carbon dioxide. His audience was impressed when an egg was dipped into a solution of carbon dioxide and ether and, after a few seconds, was fished out nothing less than a white rock. It was with no less interest that the young folk saw liquid mercury frozen to a solid metal in the same solution. After many more thrilling experiments, Dr. Carter closed his talk with an explanation of how absolute zero had never been reached but that an American scientist had come within more than an extremely small degree of reaching it.

R. Yerburgh thanked Dr. Carter on behalf of the association for his illuminating address and for the trouble that he had gone to.

The meeting was then adjourned and an appetizing supper was served. Then a short business meeting was held at which the committee in charge reported on the arrangements that had been made for the tea to be held on April 10. Also it was planned to have a hike on Easter Monday instead of the usual meeting that week.

Q. C. ISLANDS

Mrs. G. A. Charter, wife of Doctor G. A. Charter of Queen Charlotte City, who left the Islands before Christmas on account of a serious nervous breakdown, is still confined to her bed and is making very slow progress towards recovery. Miss Dorothy Stewart, graduate nurse from Vancouver, is assisting Doctor Charter in the work at the Skidegate Inlet Hospital.

The Skidegate Co-operative Commonwealth Federation staged a very enjoyable dance at Queen Charlotte recently. The affair was very successful with a good attendance from various Skidegate Inlet points. The Harmony Boys' Orchestra provided the music.

The A. P. Allison Logging Co. at Cumshewa Inlet has hired a good many Skidegate Inlet men for the logging camp at Cumshewa.

Capt. Charles Valley, secretary of the Skidegate Inlet Fishermen's Co-operative Association, paid a brief visit with friends at Skidegate last week-end.

The regular meeting of the Queen Charlotte City United Church Ladies' Aid was held at the home of Mrs. P. F. Size last week. There was a good attendance.

A splendid new waterworks system is being installed at Skidegate Mission. About forty-five men are employed on the work which is being supervised by A. L. McNaughton, departmental engineer, and for which W. H. Russ is foreman.
