Says Varicose Veins Can Be Reduced

If you or any relative or friend is worried because of varicose veins, or bunches, as good advice for home treatment as any friend can give, is to get a prescription known as Moone's Emerald Oil.
Simply ask Ormes Ltd. or your druggist for an original bottle of Moone's Emerald Oil and apply night and morning to the swollen, enlarged veins. Soon you should notice that they are growing smaller and the treatment should be continued until the veins are no longer burdensome. So penetrating and efficient is Emerald Oil that it also helps simple swellings due to strain to disappear.

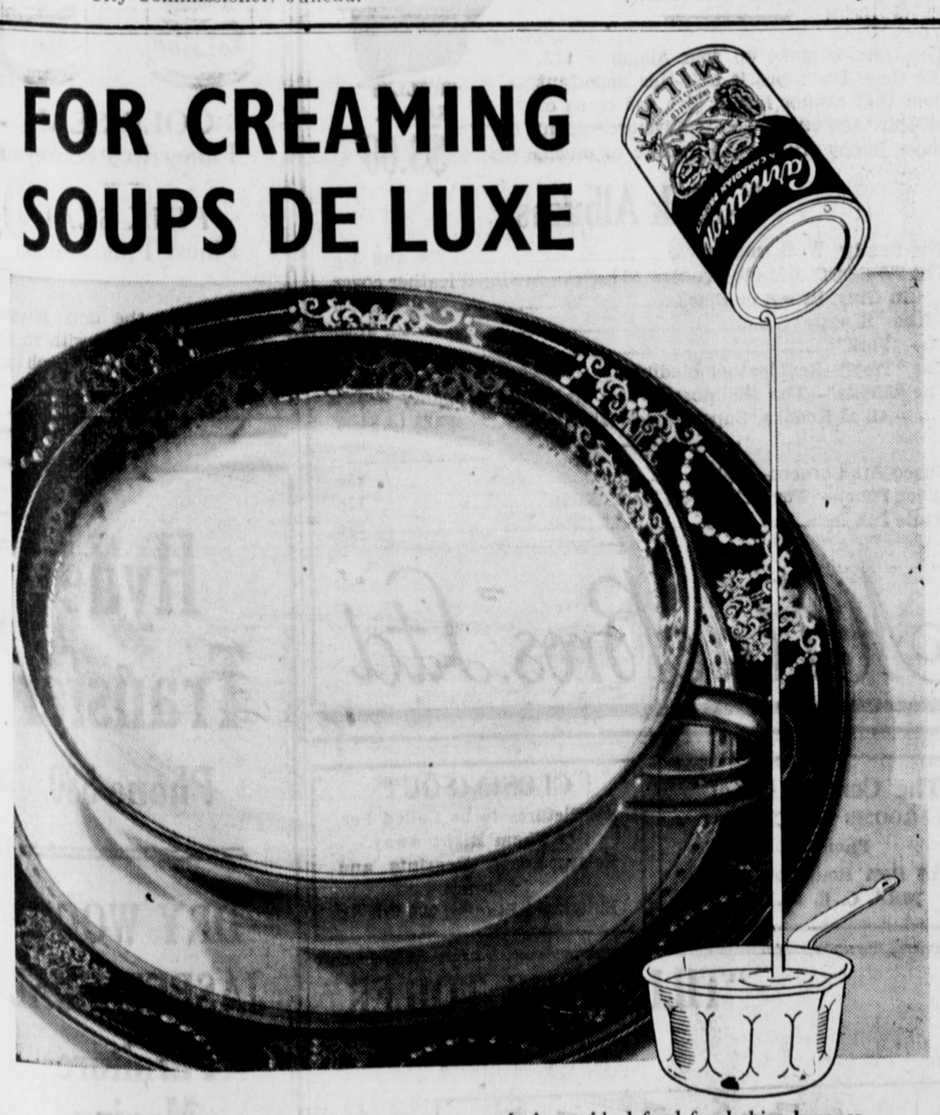
FOR CREAMING SOUPS DE LUXE



For rich, smooth, tempting cream soups, use CarnationMilk. It is *doubly richer* than ordinary milk—and the butter-fat is evenly distributed through every drop. Carnation will add smoothness, richness, flavour and food value to *any* cooking in which it is used. Carnation is just pure, whole milk, evaporated to double richness, homogenized for smoothness, sterilized for safety.

It is an ideal food for babies because it has all the food value of the best cows' milk, is much more digestible, and has *added* "sunshine" vitamin D. Carnation is the evaporated milk the Quintuplets use.
Write for the gorgeously illustrated Carnation Cook Book. A host of ideas and recipes for 10c, coin or stamps. Address Carnation Company Limited, 134 Abbott St., Vancouver
