We Moved The Bakery Counter!

The Bakery Counter is in a new location on the main floor. Placed here by popular request the bakery counter is ideally situated for the customer in a hurry. For more leisurely shopping we also have a self-service counter on the Food Floor. At both locations you will find the finest in BREAD, CAKES and PASTRIES. ALL CO-OP BAKING IS DONE IN OUR OWN BAKERY, right here in our own CO-OP Centre. EMERALD FLOUR from our own modern CO-OP Flour mill in Saskatoon is used exclusively for all CO-OP BREAD. CO-OP Farmers' wheat to a CO-OP mill to a CO-OP BAKERY to the CO-OP Customer. EMERALD FLOUR ALL THE WAY!
