Because Liquid Sulphur is the greatest known blood

purifier of the century. Every one knows that sul-

phur is good for the entire system. Almost every-

one has taken sulphur in some form or another. But

is it known to you that sulphur in its powdered form

cannot be assimilated into the blood through the

stomach. If the stomach canot dissolve sulphur,

how can the blood be purified?. Liquid Sulphur is already dissolved, is, in fact, ready for the stomach

to distribute through the system. Liquid Sulphu

goes direct to the seat of the trouble, impure blood

attacks and drives out of the entire system all

germs and impurities. IT REMOVES THE CAUSE
