Cubans ordered to change cash

HAVANA (AP) — The Cuban government in a move to bolster its foreign exchange reserves ordered all Cuban residents Wednesday to convert their international currency into Cuban pesos. It also ordered Cuban nationals here to report all bank deposits abroad.

Cuba's foreign exchange reserves are believed to be virtually non-existent. The national bank's closing statement of January 31 listed unobligated gold and other foreign exchange holdings of $53,300,000.

Italian movies said to lead world field

PARIS (CP) — A Paris newspaper says the Italian movie industry now leads the world.

The tribute comes in a review of La Notta, the night, the latest film of Michaelangelo Antonioni, starring Jeanne Moreau, Monica Vitti and Marcel Mastroiannet. It is the story of a few hours in the life of a married couple, who suddenly discover they are no longer in love and that there is nothing they can do about it.

The review, in the weekly newspaper l'Express, notes that La Notta has been censored in Milan and says there is more true moral sense in the film than in any such criticisms.

"As for Italy, principally rich in beautiful ruins, does she know that her cinema is a living one and that it is now the first in the world?"

Other important Italian films recently include l'Avventura, also by Antonioni; La Dolce Vita, and Rocco and His Brothers.

Jurist appointed

VANCOUVER (CP) — Lawyer Charles William Tysoe, became Mr. Justice C. W. Tysoe Wednesday in a brief, but impressive ceremony, held in the B.C. Court of Appeal. The new jurist was appointed to a position in British Columbia's highest court earlier this year.
