WELL KNOWN COUPLE WED

Miss Bessie Thompson Becomes Bride Of Harry Ward At Quiet Ceremony

A quiet but pretty and interesting wedding took place at 3:30 yesterday afternoon in the chapel of the Church of the Annunciation, Rev. Father Lantagne officiating, when Miss Bessie Thompson, daughter of Mrs. James Thompson and the late James Thompson of Vancouver, became the bride of Harry S. Ward, son of Hubert Ward and the late Mrs. Ward of this city. Attendants of the couple were Miss Nellie Lawrence and Lieut. Orme Stuart.

The bride wore a navy blue suit with Japonica accessories and a corsage of roses. The bridesmaid had a black suit with corsage of carnations.

Following the ceremony, there was a quiet reception at the Besner Apartments where the couple will reside, friends calling to informally extend their congratulations and best wishes. The bride's table was covered with a lace cloth and decorated with white tapers and flowers. The bride duly cut her cake.

Both Mr. and Mrs. Ward are well known and popular among the local younger set. They have both lived here since childhood. The groom is in the electrical business and is at present in the 102nd. Battery.

IS PLEASED WITH ATLIN

Hon. W. J. Asselstine, Minister Of Mines, Here Yesterday On Way To Victoria

Returning hurriedly back to Victoria to attend a specially called meeting of the cabinet to consider assistance of British Columbia to the Dominion in prosecuting the war, Hon. W. J. Asselstine, minister of mines, was here aboard the Princess Louise yesterday afternoon. Mr. Asselstine has been on a tour of the Atlin district and other parts of the extreme north of the riding which he represents in the Legislature. He visited Atlin, being held there for three days on account of weather, and also went in to Tulsequah by plane but was unable to make Telegraph Creek and Dease Lake as he had anticipated.

Speaking of Atlin, Mr. Asselstine reported that he had found that district very prosperous. Another new and important placer gold operation there, he reported, was that of Walter Johnson of San Francisco which is carrying on geophysical surveys on Otter Creek with Sherman Kelly in charge.

Mr. Asselstine was accompanied by W. A. Archibald of the Tourist Bureau who went north to take pictures, obtaining many excellent ones in spite of unfavorable weather which was encountered.
