Something very Special!

Everyone is intrigued with mysterious, attractive wrappings – but it's what's on the inside that really counts. This lady isn't sure what's in this beautiful package, but she has no doubt about the value of her Co-op membership card! She knows that, together, she and the card become something very special. As a consumer, she becomes a part owner of her own business. Her Co-op membership card becomes her passport to the fine quality, service and savings that all owners enjoy. No wrappings or ribbons are needed to glorify ownership! Its benefits speak for themselves!
