GYPROC

FIREPROOF WALLBOARD

Light enough to be easily handled—sturdy and tough to provide a permanent job—Gyproc is the ideal material for walls and ceilings. The large sheets of pre-cast fireproof gypsum reach from floor to ceiling. Just a few sheets nailed in place and the job is done.

And Gyproc gives you all these advantages:

- FIREPROOF—therefore safe
- PERMANENT AND DURABLE—therefore economical
- WILL NOT CRACK, WARP, SHRINK OR SWELL
- INVISIBLE JOINTS—panel strips are unnecessary
- SMOOTH, DUST-FREE SURFACES—easy to keep clean
- TAKES ANY TYPE OF DECORATION—no monotony
- THE LIGHTEST WEIGHT gypsum wallboard made in Canada

GET GENUINE GYPROC—
identify it these two ways:
1. Look for the name GYPROC on the back of every sheet.
2. Look for the Green Stripe on both side edges.

RED SHIELD DRIVE OVER

The Salvation Army Red Shield Drive to raise funds to carry on its war and home service work was brought to a conclusion with a tag day held on Saturday last. There was a splendid response, a total of $120.70 being raised.

This amount, with what had been raised previously with a canvass of the business section by the Junior Chamber of Commerce and the residential section by the members of the local Salvation Army Corps, brought the total raised from the campaign to $800.

The greater portion of this money will be used for the war services of the Army overseas. The second group of new mobile units provided by the Salvation Army were recently inspected by Their Majesties, the King and Queen, at Buckingham Palace before being sent to France for service among the men of the British Expeditionary Force and the Canadian Active Service Force.

The expenses for this campaign were one percent of total raised.

Forest Pictures At Francois Lake

Canadian Forestry Association's Talkies Draw Large Crowd

FRANCOIS LAKE, May 27: — Numerous interesting and instructive talkies were shown under the auspices of the Canadian Forestry Association at the Francois Lake Farmers' Institute Hall on Sunday evening. The attendance was as large as had ever filled the hall and applause was frequently voiced.

Game and wild life pictures were of particular interest to many members of Tweedsmuir Fish Rod & Gun Club who were present. The value of forest conservation is being stressed by this club as well as that of conservation of bird life and fish.

Empire Day At Terrace

Sports for Young People Held—Dance at Usk in Evening

TERRACE, May 27.—The Canadian Legion held a celebration of Empire Day. There were sports in the Municipal Park for the benefit of the younger children but the usual dance in the evening was abandoned in favor of the people of Usk who had a cebration at that point.

Terrace Gets Early Spring

Field and Fruit Crops Look Heavy—Little Danger of Flood

TERRACE, May 27. — Spring weather and spring conditions have come about three weeks earlier than is usually the case. All crops promise to be early and, from present appearances, there will be fine yields of hay and oats. Cherries and other orchard crops also promise to be heavy.

The river is on its annual rampage but this year the freshet is not as high as usual and there is not much to fear in the way of cutting river banks and flooding.
