It's interesting to know when reading the Daily News that the people of the whole district are doing the same.

Memorial Service For Tweedsmuir Held Last Night

Dedicated to the memory of the late Lord Tweedsmuir, Governor General of Canada and a high official of the Presbyterian Church, a memorial service was conducted in First Presbyterian Church here last night by Rev. H. G. Funston.

Yesterday morning Mr. Funston preached on the subject of "Christian Discipleship." More than mere taking of vows or impulsive profession was required for real Christian service, declared the pastor. There must be an active following up. Thoee who would serve Christ and the church should not allow mere material and temporal considerations to delay them from taking up the service.

LONDON, (CP)—The Montreal price of bar gold on the London market was unchanged today at $35.54 per fine ounce.

"Build B. C. Payrolls"

Mr. K.G.M's Letter

Mr. K. G. M., mining engineer and mine operator, says: "We have tried nearly every brand sold in B.C. but somehow we always return to Pacific Milk. The reason is clear. The cooks say it goes a little farther and the milk is a little richer and I notice the men seem to like it better."

DEATH OF PRINCIPAL

Arthur Sutton, Head of Local High School, Passes Away After Illness Of Two Weeks

Arthur Sutton, principal of Booth Memorial High School, passed away at 7:50 Sunday morning in the Prince Rupert General Hospital where he had been a patient for two weeks. News of Mr. Sutton's death was received by the community with a deep sense of shock and regret, particularly among the young people with whom he had working in his pedagogical capacity during the past eight years. Since his admittance to the hospital, his condition had been recognized as serious but he had shown signs of definite improvement until Saturday when a turn for the worse set in, culminating in his death.

The late Mr. Sutton was born December 15, 1899, at Burslem, Stoke-on-Trent, Staffordshire, England, his parents having been identified with the Staffordshire pottery industry. Near his birthplace he received elementary schooling until the age of thirteen when he himself entered the pottery works in which he was employed until about sixteen years of age.

In 1915 he commenced a year's course of wireless study in Manchester and was successful in obtaining a position through the Marconi Company as wireless operator on various merchant marine vessels plying between Singapore, India, Hong Kong, Japan, Northern Russia and other ports during the war. After the war he continued as wireless operator on vessels of several steamship lines. He had many interesting experiences including that of being operator on wooden vessels built in Victoria towards the close of the war which were taken over to England after many difficulties. He also held posts on the trans-Pacific run of the Empress of Russia and local coast passenger vessels.

Takes Higher Education

Mr. Sutton left the sea in 1922 to take a High School course at Columbian College, New Westminster, and entered Provincial Normal School at Vancouver in 1924 to train as a teacher. A year's training at Normal School was followed by entry into the University of British Columbia in the fall of 1925 with graduation as a Bachelor of Arts in the spring of 1929. During three of the summers during his college years he resumed his wireless activities as operator at certain canneries along the coast.

In the fall of 1929, Mr. Sutton was appointed as principal of Agassiz High School in the Fraser Valley and he held that post until 1932 when he came to Prince Rupert to join the local High School staff, being associated with the English department of the school. At the beginning of the fall term of 1937, one year before the High School was removed from King Edward to Booth Memorial school quarters, Mr. Sutton became principal of the school, continuing as such until his death. He took a great interest in extra-curricular and student work as well as in the Aurora, school publication. Mr. Sutton also engaged actively in church work and was a member of the session of First United Church. He was a member of the Canadian National Recreation Association Lawn Bowling Club.

In August 1932, just before coming to Prince Rupert, Mr. Sutton married Miss Mary Kathleen Clarke of Vancouver, daughter of the late R. G. L. Clarke, formerly Dominion fruit and vegetable commissioner for British Columbia. He is survived by two children, Wendy, aged six, and Barrie, five. They will have the deep sympathy of many friends in their deep and sudden bereavement.

Mrs. Sutton and two children, accompanied by Mrs. Neal Carter, will leave Tuesday afternoon on the Catala for Vancouver in company with the remains. There will be a Masonic funeral in Vancouver, Mr. Sutton having been a member of Tyee Lodge here. Local Masons will gather at the funeral service at First United Church and escort the body to the steamer.

Mrs. Sutton and family expect to take up future residence in Vancouver. Mrs. Sutton has been active in church and Canadian Girls in Training work.
