Ford pitches Yanks to victory

Beats Angels 8-6 for 13th win

By ED WILKS
Associated Press Staff Writer

It's getting so that the question no longer is whether Whitey Ford can win 20 baseball games in one season, for the first time. Some experts are speculating whether he can take 30.

No major league pitcher has won 30 since Dizzy Dean did it for St. Louis Cardinals in 1934. The only American Leaguer to come close since then was Hal Newhouser, who won 29 for Detroit Tigers in 1944.

Ford won No. 13 Monday night for an 8-6 victory over Los Angeles that made him the first man to beat every club in the expanded 10-team American League.

Washington	30	40	.429	15½
Minnesota	26	43	.377	19
Los Angeles	25	47	.347	21½

He has three more victories than any other pitcher in the majors this season. And coming in the only game scheduled in the American League, it put the second-place Yankees within one game of the league-leading Tigers.

OWENS WINS

Philadelphia Phillies knocked off San Francisco Giants 1-0 and Milwaukee Braves beat St. Louis 9-6 in the National League. The Phils did it behind a joint eight-hit pitching performance by Jim Owens and reliever Dallas Green.

A three-run homer by Bill Skowron with two men out in the ninth inning gave the Yankees their only lead against the Angels and beat reliever Jim Donohue (1-2) at Wrigley Field in Los Angeles.

Albie Pearson, Steven Bilko and Ken Hunt homered off Ford. But the Yankees blasted back against starter Ken McBridge on home runs by Mickey Mantle, his 23rd of the season, and pinch-hitter Johnny Blanchard and a two-run single by Yogi Berra.

Skowron's winning shot came off righthander Art Fowler. It was the Yank's 101st home run, top total in both leagues.

Ford (13-2), gave up six hits and walked four men, but fanned seven in eight innings, increasing his strikeout total to 100. Lefty Louis Arroyo mopped up 1-2-3 in the ninth.

NEEDED HELP

Owens gave up four hits, walked two and struck out four in his first start for the Phils. He went six innings, then admitted he "ran out of gas."

The Phils managed just four hits off loser Jack Sanford (3-5) and Stu Miller, scoring in the fourth on a triple by Don Demeter and a single by Charlie Smith. Tthe third-place Giants now trail the first-place Cincinnati Redlegs by five engagements.

Joe Adcock rapped a two-run homer, capping a six-run third inning for the Braves, and then singled home the deciding run in the fifth. Larry Jackson (3-5) was the loser, while Lew Burdette (7-5) won his third in a row, with relief help from Don McMahon in the ninth.

SEATTLE FALTERING

Mounties move into tie for third with two shutouts over Padres

By THE ASSOCIATED PRESS

That isn't a pennant flying in the breezes over the Seattle baseball stadium—it's a distress signal. After leading the Pacific Coast League for most of the 1961 season, the Rainiers have won only five of their last 14 games and their once-comfortable lead is cut to two, with three contests left with Tacoma's pennant-hungry Giants.

And ahead of Seattle is a weekend series with the San Diego Padres, rated as the team to beat before the season got under way. The Padres are tied with Vancouver 6½ games behind the Rainiers.

Tacoma beat Seattle 7-4 Monday night for the third win in four games of the current home-and-home series. Vancouver scored two shutouts in a double-header with San Diego, 5-0 and 10-0; Portland downed Salt Lake City 11-2 and Hawaii beat Spokane 9-6.

STANDINGS

	W	L	Pct.	GBL
Seattle	43	28	.606	-
Tacoma	39	28	.582	2
San Diego	37	35	.514	6½
Vancouver	37	35	.514	6½
Portland	34	33	.507	7
Hawaii	34	38	.472	9½
Spokane	29	38	.433	12
Salt Lake	26	44	.371	16½

Seattle took an early three-run lead over Tacoma in the game in the Suds' home park, but the Giants went ahead with four runs in the sixth and stayed there.

Herb Score, making his fifth PCL appearance since being sent down by the Chicago White Sox, allowed Vancouver only three hits over the seven innings but control trouble cost him the game.

In the nightcap, Ron Piche spaced five Padre hits while Vancouver collected 16 from two San Diego hurlers.

Ex-Brooklyn star Don Newcombe was the victim in Hawaii's victory over Spokane. The Islanders chased in five runs in the first inning and Newcombe took the loss — his third in seven PCL starts.

The Portland Beavers, who had lost 13 straight, beat Salt Lake for the second time with Glenn McMinn scattering seven hits. Two Portland homers in the first inning put the game out of reach.

New stadium for Cardinals

ST. LOUIS (AP) — The way has been cleared for an $89,000,000 downtown sports stadium here with the announcement by an insurance company executive of a $31,000,000 loan commitment.

Major item in the project is a 50,000-seat stadium, to be the home of the St. Louis baseball and football Cardinals.

This would presumably mean the end for Busch Stadium, long-time home of the baseball Cardinals and old St. Louis Browns of the American League. Construction of the new stadium is expected to start in about 2½ years.

The 30-year loan commitment was announced Monday by James F. Oates, president of the Equitable Life Assurance Society.

Cubs top Sox

CHICAGO (AP) — Chicago Cubs banged out 16 hits against Ned Garver and Russ Kemmerer as the Cubs whipped the White Sox 5 to 1 in their 12th annual boys' benefit game in Comiskey Park Monday night before a crowd of 21,862.

Moss wins Mosport race

TORONTO, Ont. (CP)— British star Stirling Moss drove his powerful Lotus 19 to an easy victory Saturday in Canada's first major international sports car race at Mosport Park.

The 31-year-old Moss set a track record of one hour and 40 minutes for the 200-mile race. His average speed was 86.4 miles an hour.

The race was run in two 100-mile heats over the 2½-mile Mosport course.

NL adopts plan to supply players for new teams

CHICAGO (AP) — The National League today adopted a "liberalized" plan with a sliding scale to provide major league talent for its newest members — New York Mets and Houston Colts.

Although most of the plan is similar to that of the American League, the National will make available more players from which the newcomers can choose including premium picks of $125,000 a player.

New York and Houston will pay $75,000 each for most of their players. But they will have a choice of making $50,000 purchases, and each club will wind up with four $125,000 premium players.

In stocking Los Angeles and Washington, each American League club made available 15 players from which the new teams chose seven at a flat price of $75,000 a player. Each team spent $2,100,000.

Kingpetch retains crown

TOKYO (AP)— Pone Kingpetch of Thailand retained his world's flyweight boxing title tonight with a split, 15-round decision over game Mitsunori Seki of Japan.

The 112-pound champion had all he could do to stave off a furious finish from the 19-year old challenger.

Seki, 111¾, took a terrific beating during the furious 155-rounder but had Kingpetch reeling in the wild finish that left 10,000 sweltering fans in Kuramae Sumo wrestling palace howling with glee.

It was difficult for the crowd to stand and cheer as they were squatting, Japanese style, on mats.

Seki was game but the champion had the edge, especially when it came to fighting in close. In the fourth round, Pone reddened Seki's stomach and the challenger was hurt in the sixth by steady punches to his mid-section.

There were no knockdowns but Kingpetch bruised Seki's right eye in the seventh and had him bleeding from the nose in the eighth, 12th and 14th. The latter was Seki's worst round.

Kingpetch earned $50,000 for his second defence of the title he won from Pascual Perez of Argentina in 1959. Pone's record now is 26-4.

Missing

VANCOUVER (CP)—Three players were missing Monday when British Columbia Lions opened their 1961 Western Football Conference training camp. Delayed en route were Washington Rose Bowl hero Bob Sihloredt and Brigham Young graduate Gary Dunn, quarterback candidates and Ed O'Bradovich from Chicago.

Luckies edge Legion in B section battle

Empress Luckies edged Legion 12-11 in a B section game of the Prince Rupert Pony League last night at Roosevelt Park.

The game didn't conform to a usual pattern. Legion outhit Empress 4-3. The two Legion pitchers struck out 15 and walked only seven while the Empress pitchers struck out 10 and walked 10.

Standings

Luckies	3	1	.750	-

However seven Legion errors helped to get Empress players on base. The Luckies left only three players on base while Legion stranded eight.

Rory McNicoe started for the Legion and had a 7-4 lead and a no-hitter going for him in the bottom of the fifth inning when Jan Yamamoto tied it up with his second inside-the-park home run of the season.

Legion regained the lead in the sixth when they plated four runs—two of them off John Magro's second successive two-run single.

However, Luckies came roaring back in the bottom of the sixth with five runs. The game was then called because of darkness and Empress had the victory.

Clarence Wing scored the tying and winning runs off reliefer Wayne Specht with a hard single.

Victor Yamamoto started for Luckies but was replaced by Tak Saiki in the fourth.

Sign Chandler

OTTAWA (CP) — The Grey Cup champion Ottawa Rough Riders today announced the signing of Len Pudge Chandler to its 1961 lineup.

how do you judge a man's worth?

By the amount of money he can earn — or by the measure of his service to society? If the latter, then B.C.'s dentists must stand in high regard. For B.C. is in urgent need of more dental care — and today there are far too few qualified men to meet this need.

Time, money and serious study are required to become a dentist. He must undertake at least six years of specialized university training to obtain his doctor's degree. He must also possess good judgment and a high degree of manual dexterity and digital skill. Above all, he must have a sincere interest in people and a desire to serve them.

Could you measure up to these standards? If so, write for a pamphlet called *Dentistry As A Career*. Dentistry will demand much from you, but it offers you greater opportunities to serve your fellow men than any other profession.
