Rocky Mountain Rangers Leaving

Report That Regiment Is To Depart From Prince Rupert Is Current

Reports are current although without official confirmation as yet, that the Rocky Mountain Rangers Regiment, which has been stationed in Prince Rupert since late in January, is about to be transferred to another camp. This would appear to be in line with an announcement of the minister of national defence, Hon. J. L. Ralston, that there is about to be a general transfer of militia units all over the country.

Sister Of Local Man Is Hard Hit At Grimsby, England, As Result Of Nazi Frightfulness

Mrs. J. Atkinson of Grimbsy, England, sister of John Moran, retired lighthouse keeper, who now makes his home in Prince Rupert, has had the harrowing experience of being bombed out three times in the Old Country. Mrs. Atkinson owned and operated a furniture manufacturing plant in Grimsby. Not only her place of business but her home was bombed out. The factory employed forty men.

Having lost all her worldly possessions, Mrs. Atkinson is now evacuated to Woodhall Spa in the country. Even there they are not free of bombings.

Writing to her brother in Prince Rupert, Mrs. Atkinson describes scenes of horror and devastation as a result of Nazi frightfulness.

Major T. W. Sutherland, medical officer of the local garrison area, is sailing this afternoon on the Princess Louise for a trip to Vancouver and Victoria on official business.

Water ..is Whisky's Severest Critic.

Plain water is plain-spoken when it is mixed with whisky. Only the smoothest, kindest whiskies dare submit themselves to the challenge of the water test.

Every drop of Seagram's is distilled, aged and blended to meet this one all-searching test. Seagram Whiskies demand nothing more than plain or sparkling water to give you a truly delightful drink.
