HE SURE FELT MEAN BUT MENDED HIS WAYS

Said a well known local man the other day, "Well, Sir, the meanest feeling I ever had come over me was last Christmas morning. I had passed up the Christmas card idea entirely and of course was deluged with all sorts of lovely Christmas greetings from relatives and old friends. And there, I hadn't sent out a single one. I thought then if everyone had been like myself a lot of real joy would have been lost. I determined to see that nothing of the sort occurs this Christmas. I am going to dispense sunshine on the "glad morn" as well as receive it." Your private greeting card can be selected at Rose, Cowan & Latta's, Fourth St., from our wide range at moderate cost, and cards will be printed on day of order. Phone 234.

THE PERSONAL ESSAY

The class had been told by the teacher to write compositions in which they must not attempt any flights of fancy, but should only state what was really in them. The star production from this command was composition written by a boy who was both sincere and painstaking. It ran as follows:

"I shall not attempt any flites of fancy, but wright just what is really in me. In me there is my stommick, lungs, liver, two apples, two cakes and my dinner."

MEN ARE MORE SHORT TEMPERED THAN WOMEN

Is it so, or is it not so? Some men naturally will dispute the statement, but these same men should recollect the times they have lost their tempers when they lit the fire in the morning and it went out, leaving them to do the whole thing over again.

Fortunately this trouble can easily be eliminated. Coal is being sold today which can be ignited from paper rolled into balls. A good fire is going in a few minutes and breakfast is ready in no time.

This coal is the famous Nanaimo-Wellington, sold only by Albert & McCaffery. Every pound of it double screened—no rock or shale, no slack and very little ash. It lasts longer, gives greater heat and better service. These are some of the reasons for so many repeat orders. Be one of the many wise people. Do as they do by ordering nothing but Nanaimo-Wellington coal. Prompt and civil service. Remember the phone numbers are 116 and 564.

CITY OF PRINCE RUPERT

Take notice that Atlin Avenue between Second Avenue and Seventeenth Street will be closed for one month commencing Monday December 1.

Residents are requested to get in their supply of coal, etc., before that date.

City Engineer.

The pride in her new possession is unrestrained for he surely showed good taste in the choosing, and we guaranteed the movement to give every satisfaction.

The prices this year are lower than ever before because the Swiss watch factories have all started making small watches, and their market in Russia and Germany is not the best so they have to offer us low prices.
