MATILDA LARSEN IS JUNE BRIDE

In the presence of a few family friends at St. Peter's Church at 7:30 Friday evening, Miss Matilda Larsen became the bride of Mr. Percy Hudson. The ceremony was performed by Canon W. F. Rushbrook.

Wearing a floor-length gown of white satin and a fingertip veil held in place with white gardenias, the bride was given in marriage by W. P. Herman. She carried a bouquet of red roses, carnations and fenfew. Mrs. W. P. Herman, matron of honor, wore a floor-length gown of turquoise blue and shoulder-length veil, carrying a bouquet of pink carnations and white crysanthemums.

Groomsman was George Penny of Prince Rupert.

Following the ceremony a reception and dance was held at the Signals Hall where the bride and groom received the hearty congratulations and best wishes of their many friends.

The couple have lived in Prince Rupert since childhood and both served in the recent war. The bride just returned from serving with the C.W.A.C. in Great Britain and on the Continent. They will make their home in the south.

USEFUL LARK

The western meadow lark is one of the most useful of insect-eating birds in America.

Happiest Couple Receives Prize

MELBOURNE, Australia, (AP)— Suggestions that a prize be given to the happiest married couple in Victoria have been so well received that it is hoped to revive the English ceremony of the Dunmow Flitch in Melbourne. A committee is to be appointed to draft a modern application of the idea.

The Dunmow Flitch—the custom of awarding a huge piece (or gammon) of bacon to couples who had never quarrelled in the first year of their marriage originated with the religious fraternity of Dunmow priory in Essex, during the Middle Ages.

"Sh...I want to hear the name of that new cereal with the gloriously different flavor!"

1. Mrs. Jones certainly got an earful. For that one-and-only new flavor everybody was talking about in the Nineties was the malty-rich, sweet-as-a-nut Grape-Nuts flavor.
2. And folks are still talking about that same really different taste — but in *two* grand cereals — curly, honey-golden POST'S GRAPE-NUTS FLAKES as well as crisp, chewy Post's Grape-Nuts.

3. Sun-ripened wheat and malted barley are a double reason why Post's Grape-Nuts Flakes are so good—why they provide carbohydrates for energy; proteins for muscle; phosphorus for teeth and bones; iron for the blood; other food essentials.

4. Ready to eat. Easy to digest. Nourishing, delicious. Get Post's Grape-Nuts Flakes today. Regular and giant economy size packages. All carry recipes for tempting cookies and other good things made with Post's Grape-Nuts Flakes.
