WILLS WINNER OF BIG FIGHT

Match Went Twelve Rounds Without Official Decision New York Yesterday

EVERY ROUND TO NEGRO

Body Blows Told on Argentine and In Second Round He Was Floored

NEW YORK, Sept. 12. — The newspapers gave the decision to Wills in the big fight last night at Boyles' Thirty Acres, Jersey City. They went the full twelve rounds in the no-decision match. According to the newspapermen present, Wills won practically every round and in the second round floored Firpo. Twice the colored man staggered the Argentine, who was weakening from kidney punches.

Firpo made great efforts to finish the game quickly with a knockout, but Wills, who seemed to be much the better boxer, ducked the swings and got in body blows that had their effect.

Record of Fighters

Only twice has Firpo felt the humiliating sting of a knockout since his meteoric career commenced. In 1917 he was laid low by an amateur, Angel Rodrigues, now retired from the ring. Then in 1923 the damaged right of Jack Dempsey was the propelling power that lowered his centre of gravity.

Wills has been knocked out but once. That was af the hands of Sam Langford in 1916, when the two Negroes fought nineteen rounds.

SKINNER FAILED TO FINISH BOUT

Referee Declares Match with Joe Manilla a draw—Knock out in One of Preliminaries

Brick Skinner seemed to have the best of things in the first round of the boxing bout with Joe Manilla of Ketchikan last night but he was not able to go through after receiving what he claimed was a foul and the scheduled 6-round battle ended one minute and forty seconds after the opening of the second round. It was a good battle while it lasted and a draw result was declared.

The two 3-round preliminaries —Benny Wendle vs. Ned Byrne and Dido Gurvich vs. Tommy Fraser—were draws but the third between Ernie Warren and Jim Flewin ended in thirty seconds when the latter was knocked out.

Charlie Gleason refereed the main event, P. Laporte the preliminaries and Max Heilbroner was timekeeper. The attendance well filled the Empress Theatre.

Sport Chat

The weather for the Fair sports is not just as good as might be wished but the sports and attractions committee is staging the matches as best it can between the showers. The enthusiasm of the fans and the general desire that exists to see all the matches overcomes the dampness of the air and fair gates are being recorded much to the satisfaction of the Exhibition management.

Seven million dollars in betting on the race tracks cannot be squandered without seriously affecting the economic condition of the city to say nothing of its morals says an Edmonton paper in commenting on the racing situation in Vancouver. The paper offers the opinion that the Oriental population, described as undesirable, did not contribute much to the seven million and that the Chinese and Japanese were attending to business while the whites were squandering their money.

Many hunting expeditions for the week-end will mark the opening tomorrow (September 13) of the season for ducks, geese and deer. The deer are reported to be in great abundance on the nearby islands and hunters will be getting out at the earliest possible moment before too much shooting makes them more wary and scarce in accessible places. One person, who was out scouting recently, said he saw more deer than he had often run across rabbits when hunting for them. The indifference of the weather is not likely to dampen the enthusiasm of most of the nimrods.

ANYOX BEAT OCEAN FALLS

Football Game Played in Storm Closely Contested Yesterday Afternoon

The second game in the exhibition football series between Ocean Falls and Anyox for the soccer championship of northern B.C. was played yesterday afternoon under the worst possible weather conditions, on the Acropolis Hill grounds, and ended in a win for Anyox 3-2. A driving rain and a gale made playing conditions so miserable that only the most ardent soccer enthusiasts were out to witness the struggle.

The following teams were fielded:

Ocean Falls — Willier, goal; Lord and Smith, full backs; Barnes, Best and Keith, half backs; Paul, Clarke, Defieux, W. Smith and Mitchell, forwards.

Anyox—Craggs, goal; Stewart and Stellie, full backs; Bunton, Scott and Campell, half backs; Dearlove, Carter, Robertson, Ingram and Jack forwards.

S. Elder refereed and F. Hardy, Prince Rupert and W. Johnson, Ocean Falls, ran the lines.

The first tally was made a few minutes from the kick-off by O. Defieux, at centre forward for Ocean Falls. Shortly afterwards Baker Robertson, equalized for the gas-eaters. The play was fast and considering the wretched nature of the ground and ball some good football was displayed. Both teams were on their mettle and put forward their best efforts in spite of the adverse elements. Shortly before half time Clarke, in the forward line for the paper makers, beat Craggs for a second time with a difficut shot. Play was delayed for several minutes by an injury to Defieux, the Ocean Falls' centre forward, who accidentally collided with Craggs, when the latter ran out to clear a "skied" ball, and was forced to leave the field for medical attention. At half time the score stood 2-1 in favor of the southerners.

Second Half

In the second half Ocean Falls were unfortunately handicapped by the absence of their centre forward as a result of his injury. However, the paper makers put up a very stubborn resistence. A persistent bombardment of the Ocean Falls' stronghold eventually gave Scott, in the Anyox forward line, an opportunity and he kicked into Willier's hands. The latter apparently passed the ball over the goal line. There was some dispute about the validity of the goal and talk about protesting the game by the Ocean Falls team. The goal was allowed by the referee, however. After some hard work, which provided plenty of excitement in front of the Ocean Falls goal, Baker Robertson again scored for the smelter town. The final score was 3-2 in favor of Anyox.

The Port Simpson football team defeated the Kitkatla eleven by a score of 2-0 in the first game of the exhibition native football series played on the Acropolis Hill grounds yesterday afternoon. The weather conditions were most unfavorable, and few spectators witnessed the game.

Mr. and Mrs. Alex Finnie sailed on the Princess Alice today to make the round trip to Skagway.
