LOCAL MAN'S GENEROSITY

Ald. A. S. Nickerson First Contributor to China Fund

First Prince Rupert contributor to the Canadian Aid to China Fund which opened its provincial drive recently was Ald. A. S. Nickerson. Mr Nickerson's generosity on behalf of Canada's neighbors and allies across the Pacific, brings the total here to date to over $900.

British Columbia's quota is $250,000 of the national objective of $2,500,000.

Major-General Victor W. Odlum, recently returned Canadian Ambassador to China states the suffering in China today is intense, about one-third of the 500,000,000 population showing the grave effects of malnutrition. Food and medicinal supplies are needed, now, he said.

"If Canada can help, it is Canada's duty to do so; the duty of a rich and prosperous neighbor toward one fallen on evil times. The people of Canada by individual donations toward the Canadian Aid to China Fund, can show their sympathy and their earnest desire to help alleviate the distress of these gallant people.

"This gesture alone will be of great benefit to the Chinese, in that they will see tangible evidence of friendship in their dire need."

A portion of the fund is being set aside to bring qualified Chinese students to Canada for post graduate study at our universities. Upon their return their knowledge gained can be applied to helping China progress along the road to democracy. Each student, so trained, will also be an ambassador of goodwill toward Canada.

Provincial headquarters have been established in Vancouver, where C. M. Defieux is provincial organizer.

Honorary Patron is Lt.-Gov. C. A. Banks, C.M.G.; Vice-Patron, Hon. Chief Justice Wendell B. Farris; Honorary Chairman, Maj.-Gen. Victor W. Odlum.

Local committee are being established throughout the province, one shortly to be formed in Prince Rupert. Meanwhile, contributions can be made by mail to Provincial headquarters. All contributions are deductible for income tax purposes.

JOB OUTLOOK IS IMPROVED

Situation For Canada Better This Year Than It Was a Year Ago

OTTAWA (P) — Fewer persons were unemployed and more jobs were available at the start of this year than a year ago, the Department of Labor said Sunday night.

Unfilled vacancies were 90,000 as compared with 80,000.

The total number of unplaced applicants for jobs was 165,000, a drop of 26,000.

Only 28,000 women are seeking jobs with 35,000 women sought.

In British Columbia the picture was not quite so rosy with only 3000 jobs against 23,000 applicants, this, of course, being a seasonal condition.

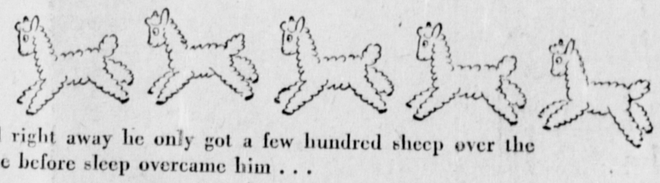
... "And Then There Were None"

Harold was just an old sheep-counter. Every night, before he got to sleep, he counted thousands of sheep . . .

Then one day an Experienced Friend suggested maybe it was the caffein in the Tea and Coffee he drank that kept the sheep jumping over the fence . . .

So Harold STOPPED tea and coffee, and changed to POSTUM . . .



And right away he only got a few hundred sheep over the fence before sleep overcame him . . .

And in a few nights only a dozen . . .

And then there were none!

Many people can safely drink tea and coffee. But others are upset by the caffein these beverages contain. If you find yourself sleepless, nervous, irritable — try changing to Postum. You'll *like* its rich, heart-warming flavor. Not like tea, not like coffee, just a grand flavor all its own.

Easy to fix — make Postum right in the cup just by adding boiling water or hot milk. Costs less than 1¢ a serving.
