DISTRIBUTE $1,500 TO FIRE VICTIMS

More than $1500 has been distributed to former residents of the Clapp and Shortridge blocks who lost their effects in the fire that destroyed the buildings two weeks ago, according to an announcement by City Clerk H. D. Thain; one of the trustees of the Mayor's fund for the relief of the fire victims.

Major part of the money came from the Clift Ford Trust fund, which was left to the city by the late Clift Ford for the "relief of ex-servicemen and their families." Distribution from this source totalled $350, on the basis of $50 each to 17 persons who were ex-servicemen, or members of ex-servicemen's families.

From the Mayor's fund, which Tuesday reached a total of $774, distribution was made on the basis of $100 to each of seven non-service families, bringing distribution to $1,550.

Latest contribution to the Mayor's fund was received this morning from the Savoy Hotel which donated $10, bringing the fund to $754 before distribution.

The radio committee recently forwarded to the Commission a considerable amount of information regarding population of this area and recent developments here and, judging from reply of Commission officials, there has been a more favorable appreciation of the need here for an improved transmission out of the local station, particularly in regard to network programs.
