"SALADA" TEA
Outstanding Quality • Delicious Flavour

BUYS AND WHYS BY Barbara Brent
A weekly shopping and information service for today's woman

MONTREAL, September 2nd—Beat Labour Day heat with that popular refreshment combination of E. D. Smith's Grape Juice and ginger ale . . . and, for something different, try adding iced tea in the following proportions: 2 parts dry ginger ale, 2 parts Grape Juice, 1 part iced tea and 1 ice cube. Better make plenty, because the iced tea highlights the full-bodied, refreshing, grapy flavour of E. D. Smith's Grape Juice, so you'll want more and more! Be sure it's E. D. SMITH'S Grape Juice because it's bottled pure and *full strength* . . . with all the flavour perfection of Niagara's finest Concords. Include it in this week's shopping list.

50% More Jam Or Jelly From Your Fruit . . . more appealing colour, *more* fresh fruit flavour! That's the story when you use CERTO, bottled fruit pectin. Certo recipes use fruits at their choicest — fully-ripe, full-flavoured — and retain the precious flavour lost by the long-boil method. Certo cuts boiling time to a fraction — ½ to 1 minute for jellies, 1 to 2 minutes for jams. And results are sure, even for beginners, if you follow *exactly* the tested recipes in the booklet under the label of each Certo bottle. No wonder so many women are turning to Certo, for *better* jams and jellies.

Can't Think When People were as enthused over a cereal premium as they are over these cute decal transfers KELLOGG'S are putting in packages of PEP. I haven't seen anything quite like them (perfectly natural since they were designed exclusively for Kellogg's!) A friend of mine has decorated her kitchen glasses with butterfly transfers and they look gay as a party! The Pep Transfers were intended originally for youngsters, but from what I've seen, grown-ups enjoy them, too. And of course, everyone does enjoy Pep. Pep's made from whole wheat . . . it's crisp, delicately flavoured—and really good to eat!

To One Autumn Crop of rosy-red, luscious "Aristocrat" tomatoes add the expert culinary skill of the famous Heinz Chef and you have . . . m-mmm! that unbeatable-for-flavour HEINZ TOMATO KETCHUP! Yes, now's the time to shop for that rich, spicy ketchup your husband likes so well. Stews, hashes, egg dishes and gravies all taste twice as tempting when they're spiced with zestful Heinz Ketchup. Look for the *New Pack* at your grocer's *now* . . . tomatoes freshly picked — subtly seasoned and freshly packed in those big red bottles labelled Heinz Tomato Ketchup!

Are You Fair To Yourself come housecleaning time . . . or do you make too much of a chore of it? A happy homemaker I know tells me she's made a point of cultivating time-'n-labour-saving habits to simplify housecleaning. One of her favourite time-savers . . . the weekly habit of cleaning her drains with GILLETT'S DRAIN CLEANER. Just two tablespoons a week of this oh-so-thorough cleaner in your drains will keep them clear and sediment-free! You'll find when drains run free that sinks, tubs and basins are *easy* to keep bright and sparkling . . . that this will be one chore you won't have to worry about when you're housecleaning. "A stitch in time . . ." — so why not put Gillett's Drain Cleaner on your very next grocery order?

Say Good-Bye to big cleaner's bills! With ENERGINE Cleaning Fluid to help whisk away dirt, it's not necessary to send clothes or furnishings to the cleaners at first glimpse of a spot or stain! Energine removes grease stains like magic from fabrics of all kinds . . . cleans rugs and drapes — hats and dresses . . . keeps everything clean as a whistle at so little cost to you! And Energine is so very simple to use . . . just follow the directions for results that will really amaze you! Try this — just once . . . and I know you'll be a satisfied "Energine fan" forever after!

Are You A "Breakfast Skimper?" Even though you know it's not good tactics, is there an occasional morning when time is scarce and a hurried cup of coffee is your breakfast? Time to reform. One wonderful way is to get that good "CREAM OF WHEAT" feeling! Tasty, wholesome 5 Minute "Cream of Wheat" is quick and easy to prepare . . . cooks to full digestibility in only 5 minutes of boiling. What's more, it's fairly brimming with blood-building Iron and it provides Calcium and Phosphorus for diets deficient in these elements. So, you see, "Cream of Wheat" is as good as it tastes! And it tastes *wonderful!*

Wonderful Closet Accessories . . . made of VINYLITE PLASTICS . . . colourful as can be to make a showplace of your closet — to protect your clothes from moths — from dust — from dirt and dampness! Gleaming and transparent to make identification easy, there are Vinylite Plastic garment bags of all shapes and sizes . . . *twenty-six matching pieces* in gorgeous colours . . . Burgundy — Silver Blue — Peach Bloom and Spray Green. And they simply won't discolour or crack. You can be absolutely sure of their quality when you see that important "made of Vinylite Plastics" signature. It means they've been tested and approved by "*The Better Fabrics Testing Bureau*" . . . and you'll find them in leading stores throughout Canada.

● The crop's in! Thousands of dozens of the big red bottles are on the march again. Your share of the greatest ketchup in the world is within reach at the nearest grocer's.
