SATURDAY'S TAG GREAT SUCCESS

Children's Ward Fund Swelled by $500 as Result of Ladies' Auxiliary

The children's ward campaign was given a great boost as a result of the tag day held on Saturday by the Ladies' Auxiliary of the Prince Rupert General Hospital. The splendid efforts of the ladies and their assistants were rewarded with a fine response and the sum of $503.70 was realized. This is clear of expenses which amounted to $11.10.

A little girl named Ruth Lane, who had saved a $1.00 in nickels and dimes, came into the hut and emptied her purse as her donation to the fund.

In the boxes were found checks as follows: Dr. C. A. Eggert, $25; A. C. Clothier, $20; Sid Thomson $5; Frank Dibb $10.00.

A baby doll, which was donated by Mrs. Hilditch, will be raffled by the Auxiliary for the fund.

The pins and tape for the tagging were donated by Jabour Bros.

Afternoon tea was served to the taggers. This was in charge of Mrs. Fred Pyle.

Further assistants at tagging were Miss Annie Fcoch, Miss Jean Smith, Miss Irene Mitchell, Miss Hilda Murray, Miss Hisae Hirano, Miss Bessie Derry, Miss Kanaka Yamanacka, Miss Nelda Hilditch, Miss Lois McRae, Miss Carleen Candow, Miss Daniella Christiansen, Miss Edna Unger, Miss Verna Brochu, Miss Edith Thompson, Miss Alberta Richmond, Miss Louise Zarelli, Miss Ermy Zarelli, Miss Joean West, Miss Brenda Allen, Miss Joyce Collison, Miss Stella Nickerson Mrs. A. CANADIAN PACIFIC PURCHASES BRANCH

Obtains Trackage Between Grand Forks and Princeton for Concentrate Haul

GRAND FORKS, May 11—Consummation of negotiations whereby the Canadian Pacific Railway will take over that portion of the Great Northern line between Grand Forks and Princeton has been reached, according to B. Langtry, assistant superintendent of the Great Northern for this division.

The deal was reported as pending some weeks ago when H. McLeod, of Winnipeg, assistant chief engineer of the Canadian Pacific, made an inspection of the line. A considerable portion of the line runs across the international boundary line, linking Curlew, Republic, Molson and Oroville, Washington, but the rail distance between Grand Forks and Princeton is fifty-seven miles shorter than the Canadian Pacific and Keffle Valley route and the grades are said to be much easier. The line is said to be particularly attractive to the Canadian Pacific with a view to its handling concentrate shipments between Copper Mountain Mine at Princeton and Trail smelter, also for shipments from the Consolidated Company's plant at Trail to the coast for transshipment to Belgium and the Orient.

NEW ANAESTHETIC IS EASY ON HEART

Propylene is Demonstrated Before Canadian Society of Anaesthetics by Discoverers

TORONTO, May 11—A new anaesthetic, to be called propylene, was demonstrated before the Ontario Medical Association and the Canadian Society of Anaesthetists by its discoverers, Dr. W. Easson Brown and Prof. V. E. Henderson, of the research department of the University of Toronto. A striking feature of the new gas is, that its use does not cause a failure of the heart action together with that of the respiratory action.

At the end of washday—

how old do you feel?

—And a few years of this tiring toil will make you actually as old in appearance as one day's work now makes you feel.

Keep your youth by using our Thrif-T-service. Its cost is very slight, yet your entire bundle will be washed carefully, the flat work will be ironed, and just the wearing apparel left for you to finish. And this comes back to you damp, ready to starch and iron or hang on the line.

May we send for your bundle—next washday?

SALT LAKE IS IN BAD SHAPE

Something Must be Done Immediately if Swimming is to Enjoyed this Year

The dilapidated condition of the facilities at the Salt Lake was noted yesterday by early season swimmers who, attracted by the summery weather, crossed the harbor for a dip.

Jack Boddie, president of the Prince Rupert Swimming Club reports that, if the place is to be ready for this summer vacation, something must be done immediately. Unless the annual meeting of the club is held very soon and there is a good attendance, it will not be possible to use the popular bathing place to advantage this year. There is no float, the sidewalks are broken down, the ladies' dressing room is in very bad shape and there is other work that will have to be done. If the club is successfully reorganized, it may be possible to induce the government to do something.

Sport Chat

Football fans are looking forward to a spirited contest tomorrow night when the Sons of England and Callies meet for the first time this season in the Stuart Shield football series. Both teams showed up well last week in games with the Great War Veterans and the supporters of either side are confident.

The line-ups will be as follows:

Sons of England—D. Frizzell; Lambe and R. Howe; Tinker, Bales, Hodgkinson; Cameron, Hanson, Johnson, Dickens and Farquhar.

Callies — W. Hamilton; H. Hamilton and J. Harris; J. Sims, S. Currie and R. Woods; Alex. Mitchell, R. McDougall, D. Scott, W. Mitchell and J. Andrews. Spares: J. Hamilton and R. Sinclair.

G. S. Russell will referee.

A meeting of the members of the Prince George Tennis Club was held last week for the purpose of electing officers for the ensuing year. Henry Wilson is again honorary president; J. O. Wilson, president; F. Fenton, vice-president; Claud Foot, secretary-treasurer; and N. P. Woodward and Miss Renwick members of the executive. There are indications there will be more people playing the game this summer in Prince George than ever before, and with the completion of the Quesnel highway, tournaments will doubtless be arranged there with Quesnel as well as with Vanderhoof.

No wonder the baseball magnates are getting a bit worried about the large number of home runs that are being batted out this season. With "Babe" Ruth still sick, after about two weeks of play, the home run total for both the Major Leagues was 92 as compared with 55 in 1924 and 54 in 1923. Of this year's total, the National League can claim 47 and the American League 45. Leo Hartnett, of the Chicago Cubs, is one of the leaders and knocked out six home runs in the first seven days of play. Other home run stars this season are: Myatt, of the Indians; Fournier, of the Robins; Firsh, of the Giants; O'Neill, of the Braves; Grimm, of the Cubs, and Harper, of the Phillies. Ruth's record is 59, established in 1921. The Washington Senators, last year's world champions, are again around the head of the American League, and New York at that of the National.

F. Dubord, formerly of Terrace, was an arrival from the south on the Cardena yesterday.
