Water is as honest as Sunlight

Put Seagram's "83" to the water test. For water, plain or sparkling, is your most reliable guide to the whole truth about any whisky. Water adds nothing, detracts nothing, but reveals a whisky's true, natural flavour and bouquet.

Distillers Since 1857

Seagram's "83" Canadian Whisky

CONFIDENTIALLY YOURS
—by Byrne Hope Sanders

MONTREAL, Dec. 13th—Christmas so soon! . . . This year I'm going to try and rush a little less—and find more time for the *true* enjoyment of Christmas with family and friends with whom I'm looking forward to sharing the rich, full flavor of the New INSTANT CHASE & SANBORN COFFEE . . . created through the perfecting of coffee techniques for nearly 100 years. You can see for yourself, when you look through the window in the jar, the rich coffee color that means real coffee flavor. That *color* and *flavor* are the result of gentle-brewing—another reason for the full-flavored coffee satisfaction in the New Instant Chase & Sanborn. *Wish* you'd try it yourself, tonight!

Help! . . . Only eight more shopping days 'til Christmas. Is this the way you feel . . . still presents to buy and no time to shop? Well, there's some real life-savers for you at your local BANK OF MONTREAL branch. Here you can get gay Christmas Gift Cheques and Money Orders. Especially "packaged" for the occasion, they make both pleasing and practical gifts. And, for the younger folk, I can think of nothing better to give than a Savings Passbook with a nice balance inside — a sure delight in its holly-decked Yuletide cover. A B of M savings account can become the foundation of a life-long savings habit. It's truly a present with a future! Why not visit your B of M branch today? See if you don't shorten that gift-list.

Christmas Magic . . . lies in the exciting games which families can play together . . . games like MONOPOLY . . . CLUE . . . SORRY! and The NATIONAL HOCKEY LEAGUE GAME. The children will find absorbing hours of fun with them—and Mother and Dad can come closer still to the little ones — in sharing the exciting, stimulating fun of games together. This year *give a game* to every youngster — and family — you know—and you'll give them many, many hours of pleasure together. These enthralling games make the most appreciated Christmas Gifts. And do get some for your own family at the same time!

News For The Turkey! . . . Did you realize that you can bring a fresh, and rich flavor to your turkey dressing by adding a package of LIPTON ONION SOUP to it? Make your favorite dressing in the usual way—then blend in a package of the Lipton Onion Soup—for deeper, richer flavoring. Use this wonderful soup throughout the holiday season—in gravies and sauces. Mix a package into your casserole dishes, and into your meat loaf. Serve it on cold winter evenings with a slice of toast floating on it, covered with grated cheese. The family will *love* you for it!

Calling All Hostesses! . . . You'll find the most *wonderful* and *delicious* ideas for party canapes—in the booklet, "Hostess Hints", inside every package of the new McCORMICK'S CLUB CRACKERS . . . You'll be *delighted* with the crisp goodness of the crackers, the delicate new flavor that blends with so many types of spreads. For *all* your "party treating and family eating" . . . serve McCormick's Club Crackers. Serve them with one of the new ideas found in "Hostess Hints" . . . They'll make your plate of canapes one your guests will *pounce* upon! . . . they turn your family snacks into *extra-special* moments of pleasure, too!

In All The Hectic Turmoil . . . of this Christmas month, will you listen to a quiet, persuasive, word from me? I really wish you would use the sunny-sweet BLUE BONNET MARGARINE day by day. I wish you would because—it's so delicious—and so good for your family. Blue Bonnet is made from pasteurized skim milk—with essential minerals and vitamins added. It is better for *flavor* — and better for *energy*—and goodness knows we need lots of energy these busy days. So — top your baked potatoes with Blue Bonnet — your fresh vegetables and hot breads, too. Use it for your Christmas baking. I am *certain* you'll like it!

How's Everybody . . . *In Your Family?* Keyed up with all the Christmas fun and feasting around the corner . . . all the seasonal turmoil of this exciting and heart-warming season? *Good!* Then keep 'em that way by serving the *best* of breakfasts to them . . . centred on FRASER RIVER CEREAL. I've been enthusiastic about this delicious cereal all my life . . . and you will be, too, I'm *sure* if you try it. The blending of fine grains is so delicious—and so good for the youngsters who need its energy-building benefits. Good, too, for those of us who are working hard all day — and for sedentary workers as well. For Fraser River Cereal works regularity, too!

Purchase of Projector Port Edward PTA Goal

The purchase of a movie projector for the Port Edward school will be the year's project of the Port Edward Parent-Teacher association, it was decided December 5 when the group held its regular meeting.

The move was passed when principal Robert McKeown voiced the school's preference for a movie projector above the encyclopedia which was to be purchased with money set aside last year.

Money raised during the past year will be added to other fund raising sums of the coming year, for the projector.

Mrs. William G. Rosenburg reported that the Prince Rupert Dental clinic is presently booked but that she would try to make appointments for pre-school and Grade 1 children of the school as soon as possible. Mrs. H. Loucks volunteered to assist.

Following the business session, Mr. McKeown outlined the present problem of poor health among his pupils. He said that a full time nurse is required in Port Edward until conditions improve. The meeting voted to hold an emergency meeting of the PTA with Dr. John H. Smith of the Skeena Health Unit, regarding the urgency of the problem.

Miss Annie Neufeld and Mr. McKeown's classrooms tied for the attendance count.

Art Works Chosen For Exhibit

Works of Kathleen Hill, Jessie Franks and Stan Didrickson were chosen to represent the Prince Rupert Art club in the British Columbia Art club exhibit in Victoria, January 6 to 13.

Judging the entries submitted by local art club members Tuesday night were Mrs. Gerd Patzold and John Manheim, both of whom have studied in Europe and John R. McCracken, who has studied art in Eastern Canada.

Paintings chosen were an Indian portrait by Mrs. Hill, a desert scene by Mrs. Franks and a seascape by Mr. Didrickson.

The exhibition of art club entries from all over B.C. will be staged in the Victoria art gallery.

Prince Rupert art club meetings will begin again January 15 at 7:30 p.m. in the Civic Centre ladies lounge.

150 Tiny Tots See Santa, Enjoy Party

More than 150 youngsters between the ages of 3 and 6 attended a successful annual Tiny Tots class Christmas tree party yesterday afternoon in the Civic Centre.

A short program was held in the gymnasium prior to the party.

Singing Christmas carols the children were led into the auditorium by soloists Mrs. Lloyd Bowman and Mrs. Herbert Hughes who also led the children in a sing-song.

Santa's arrival was greeted with great joy and excitement. The children clapped and laughed when Santa Claus danced and sang and gave each child gifts of candy canes and oranges.

Director Mrs. F R. Peagam said today "the leaders and I receive our reward each year at this annual event as we watch the animated faces of the youngsters at the arrival of Santa Claus. It's a lovely sight to see their little beaming faces.

Mrs. Peagam is assisted by leaders Mrs. Stanley Veitch, Mrs. Kenneth Hardy, Mrs Hughes, Mrs. Bowman, Miss Joyce Facey, Mrs. P. K. Deane, Mrs. Neil McLean, Mrs. K. Bennett, Mrs. Wm. Homenuk, Mrs. Kenneth Aird, Mrs. Bruce Wilson and pianist Mrs. Graham Alexander.

PERSONALS

Darrell Larden of Steveston, B.C., left today by Canadian Pacific Airlines plane for his home after a three-week visit with relatives Mr. and Mrs. George Fisher and Norman Fisher at Port Edward.

Arthur Forrester, resident engineer for C. D. Howe Co. Ltd., of Vancouver, left today by CPA plane after a two-day stay in the city.

LATEST EQUIPMENT

LOWESTOFT, England (CP) — British-made electronic eyes which scan the sea bed for fish shoals have been fitted to 15 Russian trawlers being built in this Suffolk town.

Sewing Machine Sought

An urgent plea was issued today by the Order of the Eastern Star for a sewing machine to be used by the Cancer Dressing Station.

A spokesman for the OES, which meets two Tuesdays a month in the Civic Centre to make dressings, bed pads and casings for the dressing station, said today dressings are available free of charge to all cancer patients through their doctor.

However, she said, the OES cancer dressing committee needs a sewing machine to continue its project. The group can also use any discarded sheets, pillow-cases and cottons to make the bed pads and casings, which are shipped to Vancouver for distribution.

Anyone having any of the much needed items are asked to call Mrs. D. V. Kristmanson at 2243.
