BALL GAMES WERE DIVIDED

First Went To Ketchikan And Second to Prince Rupert.

The local baseball players divided the series with Ketchikan yesterday, losing the first game by a score of 16 to 5 and nosing out a 3 to 2 victory in a seven inning game in the evening.

The afternoon game was rather poor, although in spots there was some excellent baseball, such as brought the fans to their feet. Krepper started in the box for the visitors but was relieved in the fourth by Stewart, and Schenkler, who was pitching for Rupert was taken out in the seventh and replaced by Roy. The game was featured by a goodly number of errors by both sides, with the home team the worse offenders. Schenkler, who opened for Rupert pitched good ball, but soon began to weaken, and it is only fair to say that possibly he was not accorded the support which he might expect and so found it difficult to continue.

Krepper on the mound for the visitors was soon found for a number of hits by the local boys and in the fourth he was chased and Stewart brought to the rescue. For a time good ball was played, and the local boys felt confident of holding the lead, but for the rest of the game none of them succeeded in crossing the home plate, while Ketchikan annexed runs in practically every inning.

The teams lined up as follows: Ketchikan—Arnold 1lb, Hopkins cf, Stewart rf and p., Peck lf, Grummett ss, Garn 2b, Krepper p, Hill 1b, Anger rf.

Rupert—Schenkler and Roy p. Balfour c, V. Menzies 1b, H. Menzies 2b, S. Moran ss, J. Farquahar 3b, J. Ratchford cf, W. Mitchell lf, Smith lf.

Rupert 2 3 0 0 0 0 0 0 0
Ketchikan 2 0 0 2 3 2 2 0 5

Hits—Rupert, 8; Ketchikan, 10
Errors—Rupert, 10; Ketchikan, 6.

Second Game.

The game in the evening, although not so well patronized, was by far the better game from the spectators point of view. It was close, featured by better fielding, and in every particular better baseball.

Lidstone and Balfour were the battery for Rupert and Kyollen, who started on the mound for Ketchikan was relieved at the end of the first inning and was replaced by Krepper. Hull was again behind the bat for the visitors. Ketchikan opened the scoring in the first inning and added one other in the fifth, and although they tried hard to equalize in the seventh, Lidstone held them well in check at all stages, allowing only eight hits and these were well scattered.

The following was the lineup for the evening:

Rupert—Lidstone p, Balfour c, V. Menzies 1b, H. Menzies 2b, Farquahar 3b, Moran ss, H. Frizzel lf, J. Ratchford cf, W. Mitchell rf.

Ketchikan—Arnold 3b, Hopkins cf, Hull c, Peck 1b, Grummett ss, Krepper rf and p, Hatch 2b, Garn lf, Kyollen p and rf.

Ketchikan 1 0 0 0 1 0 0
Rupert.... ....0 0 0 2 0 1 0

Hits—Rupert, 6; Ketchikan, 8.
Errors—Rupert, 1; Ketchikan, 2.

Laporte and Stoneburner were the umpires for the series.

JR. FOOTBALL WAS SURPRISE

Young Players Developing Well. England and Scotland Beat Canada.

Deserving of probably a better patronage than was accorded, the Junior footballers furnished a game yesterday that was indeed a surprise to many who had witnessed their play for the first time.

The game, between two teams picked from the Junior League representing England and Scotland on the one side and Canada on the other. As play opened it was soon seen that there would be plenty of excitement and the pace seemed to increase until in the last few minutes a fine brand of football was served up.

The Overseas team played down hill in the first half and succeeded by aggressive work in notching two goals to their opponents one, while in the second period, with the grade in their favor, the Canucks went out to equalize. It is only fair to say, in this instance, that it seemed only the good goal tending of Bryant that prevented the equalizer, although the Canucks missed many good openings through poor shooting.

For the Overseas' possibly, Bryant, Bond, Kelsey, Smith and Donald are worthy of special mention, while for the Canucks Styles, Rogers, Stalker, Smith and Katsuyama, turned in a good game which was a credit to their team. The teams lined up as follows:

Overseas—Bryant, Bond, Kelsey, Murray, Collison, Parker, Smith, Irvine, Viereck, Fisher and Donald.

Canucks — Dingwall, Styles, Walters, Rogers, Hacker, Stalker, Smith, Gurvich, Katsuyama, McDonald and Millerd.

FOOTBALL GAME ENDED IN TIE

Closely Contested Match Played Yesterday Between Callies And Veterans.

Those who were anticipating a good game of football yesterday in the final for the Dominion Day cup were in no sense disappointed, although in the opening stages interest was not as keen as when the game had progressed.

The Callies and Veterans each had a goodly number of supporters in the bleachers who were willing to lend their audible support to the respective line-ups.

The Veterans played down hill in the opening period and were soon accorded a penalty kick in front of goal which Capt. W. Murray converted. This seemed to give new heart to the Callies, who from this point pressed the Veterans consistently. The play went from one end of the field to the other and the Vets, through a series of good plays, added another to their score thus making them two up. The Callies were not in any way discouraged by the turn of events and in no way yielded their efforts at landing the handsome trophy which would go to the victors. They were soon rewarded, however, for their persistence and lodged the ball between the post for their first counter, before half time was called.

The second half of the game the teams changed places, giving the Callies the favor of the grade, and it was soon evident that they intended to take every advantage which this offered. Both teams were playing hard and consistent ball and possibly in this half the Callies had a little better of play. They added two more to their score while the Vets were only able to add one, thus leaving the game a tie and the decision to be reached at a future period.

The teams lined up as follows:

Vets.—Gawthorne, V. Menzies, S. Erskine, G. Mitchell, W. Murray, Skinner, Barton, Russel, Norwood, Campbell and Gurvich.

Callies — Hamilton, Andrews, Scott, Harris, Currie, Woods, A. Mitchell, McDougall, W. Mitchell, Williscroft, J. Andrews.

Tom Jones gave good satisfaction as referee and G. Kelsey and D. Kennedy acted as linesmen.

Sport Chat

Another professional boxer, who has been in the limelight for some time, and mainly of late because he was able to evade a knock-out from Jack Dempsey, at the much-talked of fight in Shelby, months ago, made what may be considered for all purposes his exit from the ring a week or so ago. That was Tommy Gibbon. He was never a top-notcher, and there were always many who thought that Dempsey, in that Shelby encounter treated him rather kindly, but he managed to keep going in these days when there really are very few top-notchers in any of the accepted classes of professional pugilism.

Gene Tunney, knocked Gibbon "for the count," and by doing so has acquired as much right as any of the other would-be claimants for Dempsey's title, to challenge the world's heavyweight champion, who it begins to look may never sign on for a real fight again.

Jabez Wolfe, generally considered the greatest authority on Channel swims, will take personal charge of the efforts of Miss Gertrude Ederle of New York, when she attempts to make the historic swim.

The young lady will be accompanied on her trip by a chaperone, Miss Elsie Vieta, who is one of the governors of the Women's Swimming Association of the United States.

Her last training stunt in the United States was to swim eighteen miles, partly against the tide from the Battery, New York to Sandy Hook.

There is always an interest in these attempts in Canada, on account of the strenuous attempt the French-Canadian boy from Montreal ,Omer Perreault, made to accomplish the feat.

Peter Black, Jr., was a passenger on the Cardena for the south Tuesday.
