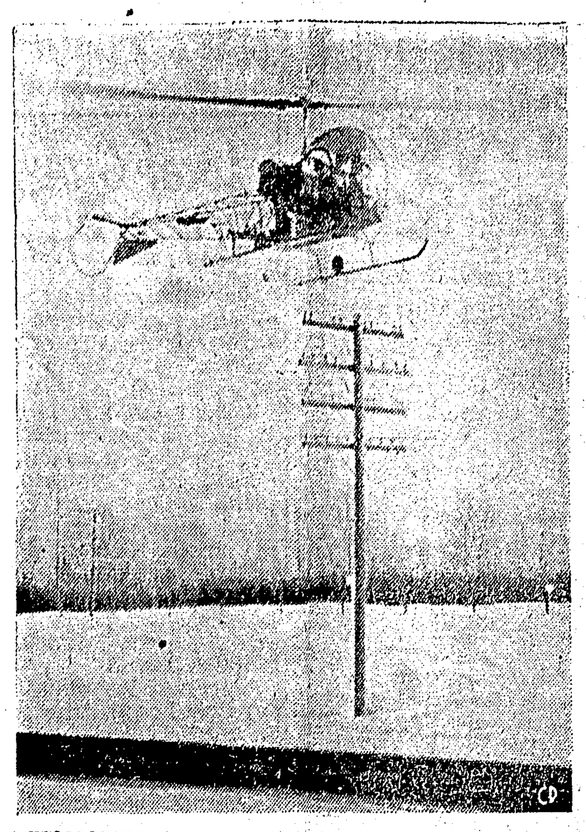
TROPICAL AREA

The federation of Nigeria, covering 373,000 square miles in West Africa, lies entirely within the tropics.



A HELICOPTER flies low over telephone lines south of Edmonton in an experiment to see if hoar frost, which disrupts service, can be shaken loose by the blast of air from its flailing rotors. Alberta Government Telephones, which engaged the helicopter, say some success was reported, but results were not definite. (CP Photo)

B.C. NEWS BRIEFS

Steel for PGE Bridges Moves Up To Peace River

FORT ST. JOHN, B.C. (CP) — Hundreds of tons of steel for bridge construction on the Pacific Great Eastern Railway's northern extension has started to move into the Peace River on trucks from Prince George, B.C.

Contractors for the project said the steel and other PGE construction equipment is being hauled to Prince George on the government-owned line from tidewater at Squamish.

From Prince George, trucks take the steel over the Hart highway, much of which parallels the 300-mile northern extension of the railway. On their return trips, the trucks are hauling Peace River wheat for shipment out of Prince George.

Bill Daniels Faces Charge

NEW YORK (AP)—Billy Daniels, night club and television singer, was charged Tuesday night with shooting and wounding a man in an after-hours bottle club in Harlem.

Daniels, who gave his age as 40, said he remembered nothing about any shooting. He was released on $2,500 bail on charges of felonious assault and illegal possession of a pistol.

The Negro crooner's arrest and detention for several hours kept him from appearing at the Copacabana night club, where he said he had been getting $10,000 a week.

Daniels was arrested in the apartment he shares with his blonde Canadian wife, the former Parette Cameron of Montreal. She is his third wife.

Police investigating the shooting of James Jackson, a 33-year-old boxing trainer, were apparently led to Daniels by an anonymous tip. Jackson was found on the sidewalk outside the Harlem club Tuesday with a bullet wound in his left shoulder.

Recruit Changes Mind

VANCOUVER (CP) — The new training academy for police recruits under new chief George Archer went into full swing Tuesday but one recruit was not impressed.

At roll call in the morning, 16 men and one woman answered.

Four hours later, the instructor found his class a man short. A lengthy search disclosed the missing student had returned home. He said he didn't feel "much like becoming a policeman anymore."

The class is continuing.
