REVISION COURT MADE CHANGES

Reduced Assessment on Piece of Waterfront and on Excavated Corner

The court of revision on the 1925 municipal assessment roll adjourned with its duties complete at noon today. The roll as submitted by the assessor was adopted with but two changes in response to appeals of which there were eleven.

The valuation of the double corner at Fifth Street and Second Avenue, owned by M. W. McLeod of Vancouver and the excavation of which under agreement has just about been completed by the city, was reduced from the assessor's figure of $14,000 to $12,000. A reduction to this extent was moved by Ald. Smith and seconded by Ald. Stephens. Ald. Casey and Mayor Newton had favored a reduction of only $1,500. Last year, the same corner was assessed at $7,000 but, with the very considerable improvements made to it, its value is now considered greater.

Waterfront Reduced

The court met the appeal of the Canadian National Railways for the 204 feet of waterfrontage near Seal Cove occupied by the Millerd Cannery by reducing the foot frontage valuation from $40 to $30. A reduction of $25 was asked. Consistent with this, the court similarly reduced 1225 feet of provincial government land adjoining the cannery property to the west from $40 to $30.

The court, on motion of Ald. Stephens, seconded by Ald. McMordie, declined to meet the appeal of Jessie G. Scott for reduction in assessment of several lots in Section 1. It was deemed by the court that there were no inequalities although W. E. Williams, appearing for Miss Scott, claimed that it was all valued too high.

Ald. Stephens' motion calling for a general reduction of 10 per cent in assessment in Sections 1, 2, 5, 6 and 8 and a reduction of fifteen per cent in Section 7 failed to get a seconder and was declared lost by Mayor Newton.

Interesting Passes

During the session of the court this morning there were several passages between Mayor Newton and Ald. Stephens on matters of procedure. Ald. Stephens suggested that the mayor was holding the court up in not putting questions promptly to the vote. The mayor said that he was going to have his say before putting any matters to the vote in spite of Ald. Stephens or anybody else.

"You seem to be very touchy this morning, Your Worship," observed Ald. Stephens at one juncture.

"And you are just as aggravating to me as ever," retorted His Worship.

DOUKHOBORS TOOK PART IN SERVICE METHODIST CHURCH

NELSON, Feb. 20.—Doukhobors took part in the Church service here last Sunday evening at Trinity Methodist Church. About twenty independents came in from Glade and occupied seats in the centre of the building. At the invitation of the pastor they sang together in their own language. The verses were led by two men who sustained the second note until the full harmony of men's, women's and children's voices joined in.

GIGANTIC FOSSIL FROM BAD LANDS OF ALBERTA AT OTTAWA

Being Set up by Scientists at Capital City: Five Feet High Sixteen Feet Long

The restoration of the remains of the great horned dinosaur has been commenced at Ottawa. This specimen was collected some time ago by a museum field party in the Bad Lands of Alberta, that district of Canada which is so well stocked with fossil remains. In life the horned dinosaur walked upon rather four short legs. It measured about sixteen feet long and perhaps five feet high. There is not so much to be remarked in the size of the animal when compared with other dinosaurs as there is about its queer structure. The principal part of its body seems to have been the head, which possessed a great hood or crest extending well back to the shoulders. This hood and the great horn from which it gets its names must have afforded ample protection against most of its enemies.

When completed the skeleton now in the museum will adorn the hall of palaeontology, where it will be placed on exhibition as a free mount. That is, the bones will be set in the positions they occupied in life, so that the whole specimen will be standing on its leg.

LOVES GAY CLOTHES

VIENNA, Feb. 19. — Vienna cannot lose its reputation for gaiety. Someone in the garment trade has estimated that during 1924 the dancing Viennese, women and men, ordered 10,000 new dresses and 3,500 new dress suits in which to go to balls, and that together they called on the shoemakers for 100,000 pair of dancing slippers.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. "THOSE WHO DANCE"

An action classic with an entirely novel theme, a daring presentation of the most discussed subject in America today—the story of liquor told without preachment. A drama of some merry dancers who found they had to settle a heavy score with the piper. A dramatic spectacular photo-play of crook life with the snarling bootlegger and bootlegger holding the limelight. The tale of a girl who faced dishonor to save her brother and of the romance she found in the depths of New York's underworld. Many thrilling scenes. Revenue cutters chasing a smuggling ship, a raid on a dance hall, hijackers looting rum-runners, running revolver battle between police on motorcycles and bootleggers, a youth and a girl's leap in an auto over a high cliff, an exciting trial, all these and many more stirring incidents.
