Sawchuk sensational in Detroit win

Each Dodger share $11,231 in big pot

NEW YORK (AP)—The world champion Los Angeles Dodgers and the losing Chicago White Sox will receive record shares for the 1959 world series. Each Dodger player voted a full share will get $11,231.18 while each White Sox full share is worth $7,275.17 Baseball Commissioner Ford Frick announced Thursday.

The series set a record of $893,301.40 for the largest players' share ever distributed. Los Angeles' team share was $375,186.59 and Chicago's total share amounted to $250,124.39.

The Dodgers voted 29 full shares and the White Sox 31.

The previous record for a full share given to a winning player was $11,147.90 to New York Giants in 1954. Brooklyn Dodgers in 1956 held the previous high of $934.34 for a loser's full share.

The previous largest players' share, which is figured on receipts for the first four games only, was $881,763.72. That was set by the world champion New York Giants and Cleveland Indians in 1954 series. This year's total, of course, was the direct result of the 92,000-plus crowds at the Los Angeles Coliseum.

The former total-share record as well as the previous winning and losing highs included television and broadcasting receipts of about $85,000 from pre-game and post-game shows, which are not included in the players' pool any more.

The first-place teams in each league receive 70 per cent of the total receipts of the first four games of the series.

GRANT, BILL AND DICK WARWICK . . . to educate Poles.

Warwicks to give Poles Canadian hockey course

By PHIL ADLER
Canadian Press Staff Writer

EDMONTON (CP)—The three Warwick brothers, famous for their bruising hockey, are going to Poland to teach coaches and players the finer points of the Canadian game.

Grant, Bill and Dick, perhaps the most heavily penalized forward line in senior hockey, sail November 13 from Montreal aboard the Polish liner Batory for a 30-day lecture-and-play tour of Poland.

"This is a very serious goodwill trip which will be good for hockey and Canada." Bill Warwick, 35-year-old left winger, said Thursday in making known details of the trip. "We are going to show them Canadian hockey as it is played."

HEAVY SCHEDULE

Lectures, ice practices and at least six exhibition games have been arranged with the national hockey teams of Poland, Sweden, West Germany and Czechoslovakia.

"This is strictly a friendly visit and not a money scheme," said Grant, a natural rightwinger who at 38 is the eldest of the Warwick line. "We are getting expenses only."

The Warwicks have been out of organized hockey since the 1957-58 season when they played with Kamloops Chiefs in the Okanagan Senior League. They own a restaurant in Edmonton.

But they were planning a comeback this season as extra strength for Edmonton Oil Kings, a junior team which plays in the central Alberta Intermediate League. They will work out with the Oil Kings until November 11 when they leave for Montreal.

The three brothers were criticized for their rough tactics when they played in the 1955 world championships in Germany as members of the Penticton Vs.

The Penticton team defeated Poland 8-0 that year and won the championship by beating Russia 5-0.

"It was a rough game with 15 penalties, 10 to Penticton," Bill recalled of the game against Poland.

The Warwicks will be the guests of the Sports Club of Katowice, Poland, and will operate out of the Polish mining centre.

The will play on the Gornik amateur team because regulations forbid them from joining the Polish national team.

Lopez named top AL pilot

NEW YORK (AP) — Al Lopez blended the Chicago White Sox speed and good pitching with his own managerial experience and know-how to end the four-year American League pennant domination of Casey Stengel and the New York Yankees.

Largely because he helped bring the first flag in 40 years to Chicago's south side, the 51-year-old Lopez today was voted the American League manager of the year for 1959 in the Associated Press annual poll.

The gay senor from Tampa, Fla., won by an overwhelming majority in the balloting by members of the Baseball Writers' Association of America. He collected 150 votes, with Joe Gordon of Cleveland polling 12 and Jimmy Dykes of Detroit the remaining three.

NHL expansion not likely for west coast

NEW YORK (AP) — Clarence Campbell, president of the National Hockey League, Thursday threw a damper on speculation that his six-team circuit would expand to the west coast in 1960 or 1961.

"I realize that Los Angeles and San Francisco would present a natural rivalry," said Campbell. "But so far no responsible persons in those cities have indicated any interest. There are also many scheduling problems that would have to be resolved.

Habitants hand Leafs first loss

By The Canadian Press

Detroit Red Wings swung into first place in the National Hockey League Thursday night with a 2-1 edge over Chicago Black Hawks. Alex Delvecchio sparked the Wings with two second-period goals.

In other action Montreal Canadiens trimmed Toronto Maple Leafs 4-2 for the Leaf's first loss in three NHL games.

Wings goalie Terry Sawchuk had a spectacular night in the nets, turning back 29 shots by the Hawks.

Outside of a 10-minute misconduct penalty handed Chicago's Bobby Hull, there was only one minor penalty in the game.

Hull scored Chicago's only goal in the second period.

Four Montrealers tallied as the Habs bunched all their scoring in the first period of the Montreal game. They were Henri Richard, Jean Believeau, Marcel Bonin and Dickie Moore.

Frank Mahovlich and Bob Pulford counted for the Leafs.

Dick Duff of the Leafs and Bob Turner of Montreal, drew major penalties for fighting when a minor ruckus blew up late in the first period.

The crowd of 13,775 say good and mediocre hockey. After Montreal's fast breakaway, the teams played scraggly hockey in the second period. Some effective forechecking by Canadiens was the one redeeming feature.

The Leafs forced play through most of the third period but left themselves wide open in a scoring scramble. Goalie Johnny Bower was taken from the Toronto nets with 1:45 of the game left, but hustled back, with 32 seconds to go, when the play swung to the Toronto end.

At Detroit, the red-hot Sawchuk made 15 of his 29 saves in a hectic final period as the Black Hawks sought desperately to extract at least a tie.

Sawchuk made two great saves on ex-teammate Ted Lindsay and in the last two minutes dropped to the ice just in time to stop straight-on drives by Ed Litzenberger and Phil Maloney.

The Red Wings, only unbeaten team in the NHL, have three straight victories after an opening-game tie. Canadiens now have two wins, a loss and a tie for five points while the Leaf record is 2-1 for four points. Chicago has one win and four losses.
