RUFFLED FEELINGS—Ellen Tracy of New York accents the frills of this new overblouse with a graceful jabot falling below the little-girl collar. Despite the fancy trimmings, including ruffled cuffs on the long sleeves, the blouse is said to need litle or no ironing because of its Dacron material.

SELL-OUT FOR WA

St. Peter's bazaar denotes Yule cheer

Brilliant sunshine on a thin layer of soft snow enhanced the cheerful Christmas setting in St. Peter's church hall yesterday afternoon when the Women's auxiliary, Afternoon branch staged its annual fall bazaar and tea.

FOR CHRISTMAS ENJOYMENT. Gather around the festive table to enjoy Holiday Egg Nog, made with BORDEN'S EAGLE BRAND Sweetened Condensed Milk . . .

Holiday Egg Nog

Beat 4 egg yolks until thick and light. Gradually beat in one 15-oz. can Eagle Brand Sweetened Condensed Milk. Add ¼ tsp. salt, 1 tsp. vanilla, and 4 cups whole milk. Whip egg whites until stiff but not dry. Blend meringue into Egg Nog mixture. Sprinkle with nutmeg and garnish with whipped cream if desired . . . For variation, add 2 tbsps. rich roast instant coffee for every quart of Egg Nog. Beat this mixture with rotary beater until well blended. (Friends of mine "lace" it gently for adults.)

MY 'SECRET WEAPON' for beating the 'what-to-have-for-dessert' problem is ROYAL INSTANT PUDDINGS. For a dessert that's deliciously different, try this:

Crazy Mixed-up Puddin'

2 cups cold milk — 1 pkg. Royal Instant Vanilla Pudding — ¼ cup seedless raisins — ¼ cup chopped maraschino cherries — ¼ cup chopped nut meats.

Pour milk into bowl; add Royal Instant Vanilla Pudding as directed on package. Stir in fruits and nuts. Spoon into serving dishes. If desired, top with whipped cream. Makes five scrumptious servings.

It's fun to try other variations — marshmallows, diced fruits, shredded coconut . . . you be the inventor!

You'll be glad to know that Royal Instant Pudding is the one you can make with skim milk. To save cash and calories, simply follow the directions on the package.

IDEAS! IDEAS! You'll have lots of them when you use easy-to-prepare MINUTE RICE. So many delightful combinations — with vegetables or fruits. Here's one for Pineapple Cream Rice which can be varied by using other fruits. Minute Rice "fixes itself" in just 5 minutes — plump, tender, separate kernels every time.

Pineapple Cream Rice

Combine 2/3 cup Minute Rice, ½ cup pineapple juice, 2/3 cup water and ½ tsp. salt in a saucepan. Mix just to moisten all rice. Bring quickly to a boil over high heat. Cover and simmer 5 minutes. Remove from heat and let stand 5 minutes. Add ½ cup well drained canned crushed pineapple and mix lightly with a fork. Cool to room temperature. Whip ½ cup heavy cream; add 2 tbsps. sugar. Fold cream into rice mixture and chill about 1 hour. Makes 4 servings.
