Sport Chat

The football game on Friday night settled the home of the Dominion Day Cup for the following year. The fact that the Callies were successful in defeating the Vets should in no way discourage this team who compelled the Callies to go two games and, at one stage of the last game, threatened to carry the series over for another trial of strength. The brand of football was better than at some stages in Rupert's history and there should be no difficulty in attracting a good crowd whenever these teams meet again.

Perhaps it has been because of weather conditions that the Salt Lakes have not been as well patronized this season as has generally been the case. The improvements there in the way of landing facilities and additions at the lake should attract larger numbers as the summer weather continues. Later in the season it is planned to spend a day there with water sports, and a generous prize list will be provided for the younger ones who may care to compete. It is not too early for any who may wish to take part in these sports to start training and practising.

This week should furnish some very good games of baseball. The Gyros, fresh from their victory over the Sawmill are billed to meet the Sons of Canada tonight, and should they by any means be able to repeat the trick it will tend to even up the standing in the city league. There is very little to choose from in the teams, and if Tullock is in the same form as on Thursday, he will give the Sons battles some cause for worry.

Sealed Tenders addressed to the undersigned and endorsed for the "Construction and Equipment of one (1) forty foot motor launch" will be received up to noon, July 30, 1925.

Plans, specifications and form of tender may be obtained at the offices of the Chief Forester, Victoria; the District Forester, Court House, Vancouver, and the District Forester, Prince Rupert, on deposit of $10.00, which will be refunded on the return of plans and specifications.

The lowest or any tender not necessarily accepted.

G. R. NADEN,
Deputy Minister of Lands.
