Remember when . .

The Lindsay-Abel-Howe forward line of Detroit was riding high in the National Hockey League when Ted Lindsay was announced winner of the Art Ross trophy for leading scorer, nine years ago today. Lindsay that season had 23 goals and 55 assists for 78 points. Sid Abel tallied a total of 69 points and Howe had 68. In the first 70-game NHL schedule.

VANCOUVER (CP)—Gary Reed, 19 months, was flown here from Prince George Wednesday night by an RCAF mercy flight when doctors at Prince George decided a kidney ailment needed immediate treatment. The boy, from Vanderhoof, is in good condition in hospital.

Flin Flon to play Winnipeg

EDMONTON (CP) — Flin Flon Bombers and Winnipeg Braves, two junior power squads, clash next week to determine the Western Canada entry in the Memorial Cup hockey final.

Flin Flon went into the Western final Friday night by whipping Edmonton Oil Kings 11-6. The win gave Bombers a four-game sweep in a best-of-seven series.

Braves took five games to defeat Fort William Canadiens in the other semi-final.

The Flin Flon-Winnipeg series opens Monday in Flin Flon, the town which produced a Memorial Cup winner as recently as the 1956-57 season.

HIGH SCORERS

Bombers flaunted their scoring depth in the Oil Kings series, winning 6-3 and 8-3 in Flin Flon and 10-1 in the third game played in Edmonton.

Cliff Pennington, Saskatchewan Junior Hockey League scoring leader this season and Flin Flon captain, pumped four goals in the final game.

Red Berenson, a top goal-getter in the world hockey tournament this year, collected six in the first two games of the series. Berenson, who held a Regina Pats playing card, is one of three Flin Flon recruits from the SJHL.

The other two are high-scoring forward Dick Meissner, with Estevan Bruins this season, and goalie Ken Walters, also brought up from Pats.

WON EIGHT

Bombers have won their last eight games and have been unbeaten since Bruins upset them in the first two games of the SJHL final series.

Berensen made the Bombers-Oil Kings series a controversial one from the start. The carrot-topped forward played most of this season with University of Michigan and the rest with Belleville, Ont., McFarlands, Canada's winning entry in the world tourney.

Edmonton coach Ken McAuley objected to Berenson because he had played no games this season in the SJHL, however, the Canadian Amateur Hockey Association ruled that he was eligible since he held the Regina card.

Berenson scored one goal Friday night. George Chigol had three and Wayne Hall, Jim Baird and Meissner shared the rest.

Eddie Joyal led the Edmonton attack, effective only in the final period, with two goals. Bruce MacGregor, Bob Goebel, Don Chiz and Clare Smith had singles.

VANCOUVER (CP)—Strikes and lockouts cost British Columbia 422,037 working days in 1958. The provincial department of labor's annual report shows the year as the second worst for industrial disputes in 10 years. The worst year was 1952, when 1,132,120 working days were lost.

BLACKWOOD on BRIDGE

By EASLEY BLACKWOOD

Mr. New was sitting this out in a kibitzer's chair. A short time before, Mr. Masters had told him to be careful about making a jump rebid when he held a singleton or void in his partner's bid suit.

In today's deal he saw the great Champion jump to three spades, holding the singleton deuce in his partner's diamond suit. He wanted this seeming inconsistency explained.

The answer was a simple one. Mr. Masters explained that the bidding sequence had been quite different on the hand Mr. New played. Mr. New had opened the bidding with a heart and his partner had responded with a one- spade bid. This one-over-one response might have been made on as little as a king and queen.

Mr. Champion

Mrs. Keen's response today had been made at the two level and a response at the two level promises certain definite values — an average hand in high cards at a minimum, or its distributional equivalent. With this knowledge that his partner had a fairly good hand, Mr. Champion was easily justified in jumping to three spades on the second round of bidding.

Against the contract of six spades Mr. Abel led the queen of hearts. To conserve dummy's entries, Mr. Champion won in his own hand with the king. He saw that he could discard his losing heart on dummy's second high diamond. However, he would lose two club tricks if he finessed the queen of that suit and lost to the king.

To avoid that finesse, he played as follows: First he cashed the ace of spades. Then he led to dummy's king of diamonds, returned a low diamond and ruffed it high. A lead to dummy's king of spades cleared the trump suit.

Now he cashed the ace of diamonds and got rid of a heart. He ruffed dummy's last diamond, led his last heart to dummy's ace and returned the nine of hearts.

When that card was not covered on his right he simply discarded the deuce of clubs. Mr. Abel was in with the 10 of hearts and could make no winning return. A club would go into the ace-queen and on a heart lead Mr. Champion could ruff in dummy while discarding the queen of clubs from his hand.

YMCA star top swimmer at Montreal

MONTREAL (CP)—Barbara Monaghan of Quebec City YWCA Friday night won two of the three events leading to the Canadian synchonized swimming championship and put herself in line as solid favorite to take the title.

She was followed by two other Quebec City girls.

Miss Monoghan took the Brennan Trophy for figures with 65.2 points of a possible 100.

She then swept through the solo competition with 80.8 points.

The meet continues today with the strokes competition, the third section of the Canadian championship.

Also to be decided today are the team and duet championships.

Catherine Kerr of the Women's Amateur Swim Club, Winnipeg, placed ninth among 18 contestants.

FRUIT SURPLUSES

LONDON (CP)—Commonwealth fruit farmers are meeting here in June to plan new methods of using surplus apples and citrus fruits. Countries to be represented include Canada, the West Indies, Australia, New Zealand and South Africa.

LONDON (CP) — Dr. Horace Joules, vice-president of the Socialist Medical Association, says 30,000,000 working days were lost in Britain last year through branchitis—"more than all the days lost by strikes during the past 14 years."
