very much regret the resignation of Bill Rosensohn and we are going to demand a full investigation into the whole business before any decision on the return match is passed."

Ahlquist also said he and Johansson are not satisfied with the accounts rendered so far of the income from the title fight.

"If we don't get a full account of the first match under a completely clear picture of the distribution of the income from the next one within a reasonable time, we will turn to the New York boxing commission," Ahlquist said.

Although declining to discuss how Ingemar feels about boxing for a promoter other than Rosensohn, Ahlquist said: "We have no reason to obstruct plans for a return match if we get the figures we want."

Kahn said the site of the rematch probably will be announced by Aug. 10.

Newfoundland labor forms new party

ST. JOHN'S, Nfld. (CP)—Two new political parties are challenging the Liberals and Progressive Consevatives in the Newfoundland provincial election.

The latest entrant is the Newfoundland Democratic Party. Its formation was announced Sunday night by Larry Daley, president of the Newfoundland Federation of Labor. He said the labor-sponsored party hopes to run candidates for 25 of the 36 legislature seats at stake in the August 20 voting.

The other new group is the United Newfoundland Party, formed two weeks ago by two House members who bolted Conservative ranks.

Mr. Daly's announcement followed a weekend meeting by labor leaders here. It ended speculation that the bulk of organized labor, bitter about Liberal Premier Smallwood's intervention in the loggers' strike last spring, might throw its support behind the Conservatives.

The aim of the new Democratic Party "is the restoration of democracy in Newfoundland," Mr. Daley said. He described the party as "endorsed by labor" although not all its candidates would be labor men.

Premier announces issue of 3-year bonds for PGE

VICTORIA (CP)—A $10,000,000, three-year bond issue for the publicly-owned Pacific Great Eastern Railway was announced Monday by Premier Bennett, who is also president of the line.

The bonds, to be issued to the general public September 1, will be parity bonds bearing interest at five per cent a year over the three years. The issue will be redeemable at any time by the PGE at face value and fully backed by the provincial government.

Mr. Bennett told a press conference the issue will be used to redeem short-term PGE treasury notes now held by the banks.

He said he believes it will be the first time in Canada that a government agency had issued parity bonds, which never lose their value. He felt if there was good response to the PGE issue, the system might be extended to further financing by the publicly-owned B.C. Power Commission.

NO LIMIT

The bonds will be offered to the general public in denominations of $100, $500 and $1,000, with no limit on the amount which may be bought by one buyer.

The premier has already predicted that the PGE may make a profit of $2,000,000 this year on its runs between North Vancouver and Northeastern B.C.

Mr. Bennett made the announcement following a meeting with some 45 investment dealers, who will handle the issue at standard commission rates.

In reply to a question, he said the fully-dieselized line has a book value of some $171,000,000. The government owns $65,000,000 worth of PGE common stock.
