ANYOX WINS AT BASEBALL

Local Team Went Down to Defeat in Match in Fall Fair Series

ENTITLED TO WIN

Pitching of Bruce for Visitors Was Responsible for Victory Yesterday

The pitching of Bruce, who kept the locals down to one hit in six innings, although he was touched for four in the seventh and last, was the responsible factor for the win of Anyox by a score of 8 to 6 in yesterday afternoon's baseball game. Bruce fanned out only seven of the local batters, but he had a puzzling delivery and the local batters were not able to connect effectively, although they found the ball on several occasions only to pop it out to the infield where they were readily put out. The Anyox team played superior baseball and were fully entitled to win. Chet Schlenker started in the box for Prince Rupert but was unable to hold the visitors. He was yanked in favor of Dan Lidstone in the fourth inning after he had allowed four hits in the third and got himself in a box in the fourth by filling the bases and walking the fourth batter for a forced run. After settling down, Lidstone pitched good ball for the remainder of the game and fanned eight batters in three and a half innings. Had the change of pitchers been made earlier in the game it is altogether likely that the result might have been much different.

The visitors scored three runs in the third inning and four in the fourth, picking up another in the sixth. In the fourth, Vic Menzies made a two-bagger for Prince Rupert and scored Balfour, who had been walked, this being the first hit and run of the game for the locals. As a result of a couple of errors, Howard Frizzell made a run in the sixth. When the locals went to bat for the last time in the seventh inning, the score was 8 to 2 against them. Bruce, the Anyox hurler, commenced to weaken and it looked like the locals still had a chance. Excitement grew rather tense with a climactic finish in prospect, but the lead was too great to overcome. Prince Rupert got four safe hits—all singles—and as many runs, but this was as far as they could stretch it, and when the third man was put down the final score was 8 to 6.

The two teams are playing again this afternoon and, with Prince Rupert at full strength, as they were not yesterday, the most interesting baseball game of the Fair Week series should ensue.

OCEAN FALLS BEAT RUPERT

Visitors Captured First Football Game Last Night by 2 to 1 Score

The Ocean Falls football team put up a fine exhibition of soccer yesterday afternoon and, outplaying the locals, defeated Prince Rupert by a score of 2 to 1. The men from the paper town were speedy with the ball and had a particularly fast forward line. The whole team was in good form and was fully entitled to its victory. The Prince Rupert team suffered from lack of combination. The work of both goal-keepers was particularly good. Howlett, for Prince Rupert, saved one penalty shot that was driven directly at him, and almost stopped another.

There was no scoring in the first half, although Smith missed a penalty for Ocean Falls. Scott opened the scoring for Prince Rupert at the beginning of the second half with a penalty shot. Mitchell missed on a penalty for Ocean Falls and Smith followed up with the equalizing score from close in. The winning goal was made for Ocean Falls by Paul from a penalty.

G. S. Russell was referee, A. Clapperton and F. Woram were linesmen, and the teams took the field as follows:

Ocean Falls—W. Marshall; O. K. Lord and R. Main; J. Gunn, L. G. Best and W. Chapman; J. Paul, T. Faichen, J. Munro, W. Smith and W. Mitchell.

Prince Rupert—A. H. Howlett; G. Howe and W. E. Williscroft; J. Harris, S. Currie and R. Woods; C. Wiper, R. McDougall, D. Scott, W. Mitchell and D. Jack.

There will be another game between Prince Rupert and Ocean Falls tomorrow afternoon. The Prince Rupert line-up will be selected tonight.

Smoker After Game

Following the game last night, a smoker was held by the Prince Rupert Football Association in compliment to the visitors. Geo. Hill presided, and among those speaking were J. McSwan, manager, and George Best, captain of the Ocean Falls team. Contributing to the program with various numbers were W. Keith, W. Mitchell, A. Allen, W. Smith, B. Lilley and W. Marshall of Ocean Falls, and Dave Scott, J. Black, A. Murray, A. Bales, W. Mitchell, D. Jack, W. Davies, A. Clapperton, J. Johnson and J. Harris of Prince Rupert. The Ocean Falls Glee Club also gave acceptable numbers. W. Vaughan Davies was accompanist for the evening.

Sport Chat

Local nimrods have now only a few days to wait before the official opening of the game season in this district. In fact the deer hunters may start out at the end of the week for the season opens on Saturday, September 12. Parties that have been cruising around the deer haunts lately report that game seems to be as plentiful as ever and there will no doubt be many parties out this week end to bag a buck before they are fusiladed to the mountain-tops, there to stay until snow forces them down again later in the season. The shotgun experts may start out on September 15, when the season for ducks, geese, etc., opens. It is said that the birds are coming south earlier than usual this year. If that is the case, early season hunting may be better than it usually is. The season for blue grouse opens on September 12, and for willow grouse on October 15. The trapping season and bag-limit rules are similar to last year.

Babe Ruth, idol of millions of baseball fans, is suspended by his manager for "misconduct," which means, in this case, drunkenness, disobedience and a swelled head, says the Vancouver Sun. The signature of this man on a horsehide ball has been prized more highly than original signatures of Shakespeare. And now, like other idols with clay feet, he has been tumbled to earth, shown up as a bragging, licentious, fat man, with nothing but a quick eye and a strong arm. It is not the fault of Babe Ruth. It is the fault of an educational system that teaches young democracy to look to the wrong men for its idols. The great mass of the people have been taught to know good actors, good politicians and good ball players when they see them. But they have never been taught to know good MEN when they find them. The world has confused aptness with goodness, attractiveness with righteousness and amusement with real accomplishment. And so putting its Babe Ruths, who are skilful, attractive and amusing, up on a pedestal for worship and imitation, it need not be surprised when they sometimes tumble down.

POLICE COMMISSION MEETING YESTERDAY

Receiving of Chief's Reports and Passing of Accounts Only Business Transacted

Little more than routine work came up at the regular monthly meeting of the police commission which was held yesterday afternoon. Mayor Newton and Commissioner W. H. Montgomery were in attendance, Commissioner James Coombs still being in hospital.

The reports of the chief of police for the months of July and August were submitted. In July there were 32 cases in police court resulting in 27 convictions with collections totalling $564.50. In August there were 54 cases and 46 convictions, collections totalling $717. As usual, drunkenness was the most common charge on the list.

OUT-OF-TOWN PEOPLE AT MERCHANTS' DINNER

Buyers' Week Not Altogether Successful this Year but Should be Continued it is felt.

There were several out-of-town guests at the regular monthly meeting of the Retail Merchants' Association which took the form of a dinner in the St. Regis Cafe last evening. George Bryant, president of the Association, was in the chair and among those who spoke were T. Halliwell and James Lever of Terrace and William Lockyer of Prince George and D. C. McRae and Bert Morgan of this city.

Speaking of the innovation of Buyers' Week here, Mr. McRae gave a review of what had been done by the committee and stated that, while the results this year had not been up to expectations, he thought the idea would be ultimately successful and should be carried on with. He suggested some ways and means by which improvements might be effected. The other speakers held similar opinions, all agreeing that Buyers' Week was an institution that should be continued.

ROCK DRILLING

The rock-drilling contest at the Fair yesterday afternoon resulted in a win for Jack Sherman and A. Iverson. Alderman George Casey was judge and time keeper.

C.N.R. steamer Prince Rupert, Capt. D. Donald, arrived from the south at 10 o'clock this morning, coming in half an hour early because there is a heavy freight cargo—150 tons—to discharge here before sailing for Anyox and Stewart at four o'clock this afternoon. The vessel had a comparatively light passenger list.
