SMITHERS WON HOCKEY MATCH

Score of Two to One Against Vanderhoof on Bad Piece of Ice

SMITHERS, Feb. 27.—Another game of hockey was played here Wednesday when the Vanderhoof team tried conclusions with the local boys and were handed a defeat 2 to 1. As usual Manager Davidson had prepared a good sheet of ice the night before and which still looked nice when he opened the gates to let the teams on to limber up. It was soon found however that the warm winds prevailing during the day had played havoc with it and in a short time it became so cut up in spots that the players had a hard time to hold their feet in these places.

L. B. Warner acted as referee.

The first period and most of the second was stubbornly contested but the speed artists did not have a chance to extend themselves as it meant a spill in one of the slushy places or over-skating the puck. The heavy going told on the players and when the second period ended with the score one apiece, it was agreed to just continue the game until the first goal was scored. After a minute or so of play in the final frame the Smithers forwards broke away and managed to put through the deciding goal. Teams were:

Smithers.—S. Robinson, goal; N. Kilpatrick, C. Warner, Jiggs Graham, J. Silver, E. Dawson, W. Orchard and J. DeVoin.

Vanderhoof. — S. Daly, C Steele, W. Lee, J. Johnson, P. Steele, C. Campbell, K. Johnson, E. Armshaw, G. Dozell and L. Smith(, under the management of Dr. W. R. Stone.

Sleep is Nature's Nerve Restorer

"THAT may be very true," you say, "but that is just the trouble I cannot sleep."

And that is just why we are going to tell you about Dr. Chase's Nerve Food, which is generally conceded to be the greatest of nerve restoratives.

It is not a sleep producer in the sense of being a narcotic. But it does naturally and gradually restore the wornout nervous system and in a few days you find yourself enjoying sound, restful sleep.

Sleeplessness is, perhaps, the most outstanding symptom of nervous exhaustion. Without sleep there is no chance of replacing at night the nerve force used up during the day in the activities of life. Without such aid as Dr. Chase's Nerve Food affords you are doomed to physical bankruptcy.

By using this treatment and taking as much rest as possible you will very soon find yourself on the highway to health. But a little patience is necessary. A condition which has been years in developing cannot be overcome in a day. Of one thing you can be certain and that is that with each dose of the nerve food you are supplying to the blood and nerves the elements of nature which are essential for the restoration of the human system. Dr. Chase's Nerve Food, 60 cts., all dealers or The Dr. A. W. Chase Medicine Co., Limited, Toronto 2, Canada.

BADMINTON IS ANYOX LATEST

So Many Play the Game that it is Difficult to Catch a Place

Anyox is gone wild over badminton, according to Will Mitchell, who returned from there yesterdaw after a visit of several weeks. They play afternoons in the gymnasium and it is very difficult to get a game owing to the large number who turn out. Two evenings a week are also set aside for the racket game.

Will thinks that very soon Anyox players will be able to give a good game to the Prince Rupert experts who have been playing for several years.

CORPORATION OF THE CITY OF PRINCE RUPERT.

TAKE NOTICE THAT:

1. The Council of the Corporation of the City of Prince Rupert intends to construct a pavement fifteen feet wide, consisting of a mattress of timber over which will be placed a paving giving a depth at the crown of ten inches composed of broken stone and sand, on that portion of Musgrave Place commencing from a point at the intersection of the north boundary of 6th Avenue and the centre line of Musgrave Place, thence along Musgrave Place as shown on the plans and profiles deposited in the Office of the City Engineer to the intersection of the south boundary of 5th Avenue and the centre line of Musgrave Place, as a local improvement, and intends to specially assess the cost upon the land abutting directly on the work, except such portion of the cost as is incurred at street intersections and at school property.

2. The estimated cost of the work is $1,420.00, of which $433.89 is to be paid by the Corporation, and the estimated annual special rate per foot frontage is 8.3270634. The special assessment is to be paid in 10 annual instalments.

3. Persons desiring to petition against undertaking the work must do so on or before the 3rd day of April, 1926.

E. F. JONES,
City Clerk.

Dated this 27th day of February, 1926.

FORM F.

Notice of Application for Certificate of Improvements

"Sight" Mineral Claim

Situate in the Prince Rupert Mining Division of the Skeena District. Where located: Near the head of Kitsumkalum Lake. Lawful holder: Swan Dalin. Number of holder's Free Miner's Certificate. 88907C.

TAKE NOTICE that I, Swan Dalin, Free Miner's Certificate No. 88907C, intend at the end of sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements for the purpose of obtaining a Crown Grant of the above claim. And further take notice that action, under section 85 of the "Mineral Act," must be commenced before the issuance of such Certificate of Improvements.

Dated this 23rd day of February, 1926.

SWAN DALIN, Owner.
By E. T. Kenny, Agent.

IN PROBATE.

In the Supreme Court of British Columbia.

In the Matter of the Administration Act; and

In the Matter of the Estate of John Donald MacLeod, Deceased, Intestate.

TAKE NOTICE that by order of His Honour, F. McB. Young, the 23rd day of February, A.D. 1926, I was appointed Administrator of the estate of John Donald MacLeod, deceased, and all parties having claims against the said estate are hereby required to furnish same, properly verified, to me on or before the 27th day of March, A.D. 1926, and all parties indebted to the estate are required to pay the amount of their indebtedness to me forthwith.

NORMAN A. WATT,
Prince Rupert, B.C.
Official Administrator.

Dated the 26th day of February, A.D. 1926.

HALF MILLION POUNDS FISH

Only About Half as Much Landed This Year as Last in February

Halibut arrivals at this port for the month of February, from the opening of the season at the middle of the month up to today, have totalled 561,700 pounds—475,700 pounds from American bottoms and 86,000 from Canadian. The total is little more than half that for the same period last year when 1,116,600 pounds had been landed here by this time. The condition today, however, is much more satisfactory for on February 28, 1925, the local halibut market was glutted with hundreds of thousands pounds of halibut which the market could not absorb. Bad weather of the past few days may have been to some extent responsible for the fact that the catch has been comparatively small but it is more likely that landings of catches have been better arranged by the fishermen themselves so as to avoid the bunching of arrivals and another market glut like that of last year.

BISHOP HERE IS PROBABLE

Funds Coming in Well so Far and Prospects are Sufficient Will be Raised

Caledonia diocese itself has more than reached the financial objective set for it in connection with the endowment fund with a view to appointing a new bishop to succeed the late Archbishop Du Vernet and prospects are favorable that by next September sufficient funds will have been obtained to warrant the General Synod executive sanctioning the election of a new bishop for Caledonia stated Archdeacon G. A. Rix this afternoon.

Archdeacon Rill will leave this evening for Toronto and will spend the next two months in Eastern Canada carrying on a campaign for the diocese under the auspices of the Missionary Society of the Church of England in Canada.

After Easter Archbishop De Pencier, Bishop of New Westminster, will go to England to carry on a campaign for the same purpose under the auspices of the B.C. and Yukon Church Aid Society.

O. B. Smith, formerly an official of the Granby staff at Anyox, was a passenger on board the Princess Mary this afternoon bound for Vancouver after having spent several months in the Atlin district.

RUPERT WINS BASKETBALL

Lights Going Out Prevented Second Game Being Completed at Exhibition Hall

GOOD PHYSICAL DRILL

Much Favorable Comment on Work of Local Girls' Team Last Night

The first of the series of games between boys and girls of the Prince Rupert and Anyox High Schools took place last night at the Exhibition Hall. There was a large crowd in attendance despite the bad weather and two splendid games were played, although the lights going out prevented the boys' game being finished.

Good shooting on the part of the Prince Rupert girls and the combination of the Anyox players featured the girls' game which was won by Prince Rupert by a score of 16 to 7.

The teams and scoring were as follows:

Prince Rupert—Laura Frizzell, 6; Evelyn Dalby, 2; Vera Smith, 6; Helen Sim, 2; Ada Minzgohr.

Anyox—Jeanette Morley, Julia Calderone, 4; Annie McLachlan, Thelma Deeth, 1; Margaret O'Neill, 2; Bonnie Chapman.

In the boys' game, the local players were ragged at the beginning but near the end of the first half they picked up and the score at half time was 16 to 11 in Prince Rupert's favor. In the two minutes of play in the second half before the lights went out Perry Baisler got another basket. The game was then called off with the score standing 18 to 11.

Prince Rupert—Alex Mitchell, 2; Perry Baisler, 7; Yoshi Katsuyama, 1; Clarence Thompson, 5; Isa Katsuyama, 3.

Anyox— Theodore Asimus, 1; Eddie Clay, 1; Johnie Lazorek, Stuart McLachlan; Ted Swanson, 9; Austin Lindgren.

Eddie Mann refereed both games and William Mitchell acted as linesman.

Physical Drill

Between the two games there was an exhibition of physical drill and tableaux by twenty girls of the Prince Rupert High School under the direction of Alex Mitchell. The girls were dressed in the white High School middies with blue collars and cuffs, black tie and the High School crest on their right arms. They presented a neat appearance on the floor and the turn evoked a great deal of favorable comment. The girls taking part were: Jean Grieve, Winnie Thomson, Laura Frizzell, Evelyn Dalby, Mary Dowther, Ada Minzgohr, Lillian Roberge, Catherine Irvine, Virginia Riel, Margaret Kergin, Muriel Millerd, Helen Sim, Aleita McKinley, Chrissie McLeod, Christina Nucich, Julia Walters, Mary Walters, Lucy O'Brien, Vera Smith and Ruth Gillies.

The entire performance including the drill and two games will be repeated tonight and, with weather improved, a bumper attendance is expected.

RIFLE SHOOTING.

The following scores were made by the marksmen of the North B.C. Regiment Rifle Association on the Market Place miniature range last evening:

M. M. Lamb	97
H. Floyd	93
R. Davidson	93
H. B. Eastman	90
W. Davies	89
F. Russell	86
A. Hunter	83

The failure of the electric lights about 9:30 prevented other men who were in attendance from shooting.

The difference between a young preacher and an old one, said Dr. Moffatt, is that the young preacher wonders why people do not come out to hear him; the old preacher, why they do.

ASTHMA HEAD and BRONCHIAL COLDS

No Smoke—No Sprays—No Snuff
Just Swallow a RAZ-MAH Capsule

Restores normal breathing. Quickly stops all choking, gasping and mucus gatherings in bronchial tubes. Gives long nights of restful sleep. Contains no injurious or habit-forming drugs. $1.00 per box at drug stores. Send 5c. for generous trial. Templetons, Toronto.

ARE YOU WEARING The Right Shoe?

Up till a recent date, the shoe trade has been devoting its energies to the improvement of quality and style of shoes, never giving any consideration to the feet. But now, a new leaf has been turned and the manufacturers are going hand in hand with science. They now understand that

The Shoes are to Fit the Feet and not The Feet to Fit the Shoes

That is why you find that the demand for a scientifically made shoe such as the Arch-defender Shoe, is increasing every day, as well as scientific appliances for the relief of foot ailments, as Dr. Scholl's.

With that aim in view I decided to learn more about the feet and have concluded a special practipedic course that enables me to give you an absolute satisfaction in shoe fitting as well as relieving you of your foot ailments, if you have any.

Yours for Scientific Shoe Fitting

SAM JABOUR
