Bylaw For [illegible]ing Of $40,000 To Be La[illegible] [illegible]ore People For Building [illegible] New Hospital Wing

City Commissioner W. J. Alder has received a request from the deputy minister of municipalities that he put before the people of the city a bylaw providing for the raising of the sum of $30,000 net for the financing of a new wing to the Prince Rupert General Hospital. At the present price of $75 for city bonds the bylaw will have to [illegible] for $40,000 and even then the issue may slump the price of the bonds so that the amount realized may be less that the $30,000 needed, it is stated.

Provincial Architect Henry Whittaker has prepared plans for a wing to the old building to cost approximately $100,000, of which the government is expected to pay $50,000 over a period of two years. The hospital already has on hand $20,000 so $30,000 more is needed in addition to the cost of equipping the new wing.

Commissioner Alder says the bylaw will be passed by him as soon as it has been prepared by the city solicitor after which it will have to be advertised for ten days before the vote is taken. On a money bylaw three-fifths of the vote is required to pass it. Only ratepayers and license-holders vote on bylaws.

Asked as to what would be the approximate cost to the taxpayers should the bylaw should be passed, Mr. Alder said it would be impossible to put any greater burden than at present on land as it would mean the reversion of more of this class of property to the city. The cost would have to be borne by improvements and he promised to issue a statement showing what increase in taxes would have to be made in case the money was borrowed.

The hospital is badly in need of being brought up to date but whether the people of the city will be ready to make the sacrifice proposed in order to secure it, is one that will doubtless be carefully considered.

OPENING OF SPAN

Great Pattullo Bridge Across Fraser River at New Westminster Receives Traffic Today

NEW WESTMINSTER, Nov. 15: (CP)—With Premier T. D. Pattullo; Hon. F. M. McPherson, minister of public works, and other representatives of the provincial government, Mayor Fred Hume, and state officials from Washington among those participating in the ceremonies, the opening took place early this afternoon of the new Pattullo Bridge across the Fraser River here.

The bridge has been under construction since October, 1935 when the Dominion Bridge Company was awarded the contract for its construction. The bridge runs from north to south over the Fraser River and measures in overall length some 7800 feet.

It was necessary to widen the Pacific Highway at the South end in order to place the approaches.

The total cost of the project was approximately $4,000,000.

Meighen On Immigration

CLEVELAND, Ohio, Nov. 15: (CP)—Speaking in Cleveland Saturday night, Senator Arthur Meighen of Canada declared that, for the sake of world peace, immigration barriers must be lowered by nations such as United States and Canada which have vast areas of unoccupied territory. There could not be peace, Senator Meighen said, as long as nations, with large spaces of vacant and useful land, stood and told the rest of the world that it could not come in.

SURVEY OF WORKLESS

Questionnaire For Every Adult in the United States as Basis for Re-employment Program

WASHINGTON D.C., Nov. 15: (CP)—As the first step of a "sound and constructive re-employment program for the nation," President Franklin D. Roosevelt, in an address from the White House last night, announced that a nation-wide census would be taken this week to ascertain information in regard to exery unemployed or partially unemployed person in the country. To every abode in the United States on Tuesday will be delivered cards asking fourteen simple questions. The information thus secured, the Persident said, would give the administration a more complete knowledge than it ever had before of actual unemployment conditions. The ultimate object is to obtain the co-operation of business and industry in providing work, according to their qualifications, for these unemployed.

It was a national effort, the President said, to assist those who were able to work and wished to do so to obtain a privilege to which they were entitled.

President Roosevelt admitted that unemployment was still the most important problem of this as well as other countries. Some countries he observed, were solving unemployment by embarking on armament programs. This the United States had no intention of doing. Unemployment relief, the chief executive added, could only be regarded as a temporary expedient.

Mr. Roosevelt appealed for the whole-hearted co-operation of all citizens in the making of the survey. Eighty-five million forms will be distributed to every adult in the United States. The forms are returnable by November 28.

The President made announcement of the survey on the opening of the special session of Congress. It had been intended to take up the matter of farm relief legislation first at the special session but now there is a strong movement to make business stimulation the immediate purpose.

JAPAN IS DEFENDED BY ITALY

Refuses to Take Stand Against "Treaty Breaker"—Declaration Adopted

Drive Against Nanking Starts

Defences Crumble Before Highly Trained and Mechanized Aggressors

BRUSSELS, Nov. 15: (CP)—With Italy alone dissenting and three Scandinavian countries abstaining from voting, the nine-power conference tonight accepted a declaration naming Japan as a treaty breaker in the Far East. The declaration was prepared by delegates of Great Britain, United States and France. It added that the Sino-Japanese hostilities were affecting adversely the material welfare of all nations and had aroused the horror and indignation of all people.

The Italian delegate, Count Luigi Aldrovandi - Marescotti said he must vote against the declaration because Italy believed it presaged a course which could only lead to complications.

The conference voted against sending a copy of the declaration to the Japanese government

Following the adoption of the declaration, the conference adjourned until November 22 when it will reassemble to consider further steps towards ending the conflict.

Dr. Wellington Koo, chief Chinese delegate, urges immediate application of sanctions against Japan.

After two heated sessions on Saturday which were featured by Italy's stiff resistance to any action being taken against Japan, the conference had adjourned until today.

The Italian delegation declined Saturday to accede to the declaration proposed by Great Britain, United States and France condemning Japan for its actions in China. The chief of the Italian delegation stated that he would have to refer the matter to his government and asserted that it was unlikely that the declaration would be accepted either in whole or part.

Drive on Nanking

Meanwhile in the Orient, Japan has actively commenced its drive against Nanking, the Chinese capital, by starting the storming of General Chiang Kai Shek's "Hindenburg Line" fifty miles beyond Shanghai. Foreign observers declare that the Chinese defences are weakening rapidly from the Yangste River to Chekean Province before the highly trained and mechanized Japanese forces although the latter are outnumbered 200,000 to 400,000. This is but the opening of the drive on Nanking which is 125 miles beyond, Japanese officers declare.

Advices from Nanking said that Soochow had been desolated by more than seven hundred Japanese bombs being dropped within thirty hours.

In North China Japanese columns are reported close to Tsinan, capital of wealthy Shantung Province. Tsinan is the only provincial North China capital still uncaptured by the Japanese.

LIBEL CONVICTION

The conviction of J. H. Unwin, member of the Legislature of Alberta, on a charge of defamatory libel and his sentence to jail for three months, is a very interesting one. He was convicted not for publishing something which was untrue but for publishing something which he knew to be untrue and which held up certain prominent citizens to contempt. The pamphlet on which the charges were based named nine prominent men who were opposed to social credit as "bankers' toadies." One of these men, Senator Griesbach, laid the information upon which sixteen thousand copies of the pamphlets were seized.

Newspapers often make mistakes. That is sometimes the fault of the newspapers but usually the fault of the informants who are in error in their perception or understanding of facts. Some people are all too ready to accept hearsay as fact. It is not a crime to publish something that is untrue provided it is not done with intent to injure and with knowledge that the statement is untrue. In this case, evidently, there is strong political feeling between the Social Credit advocates and those opposed to the system and the pamphlet was published with the object of discrediting those opposed to the Aberhart government, using ridicule.

FOR DROUGHT AREA SUFFERERS

Already the Rotary and Gyro Clubs and some other organizations have made collections from their members. The cause is a good one and there is every reason to believe that the funds collected will be properly distributed.

REMEDIAL MEASURES NECESSARY

In his budget speech in the Legislature last week Hon. John Hart declared that remedial measures in connection with helief payments were necessary. So heavy had been the drain on the finances of the province that the payments had to be taken from capital expenditures since the inception of the relief system.

The minister emphasized the importance of the matters to the Royal Commission. He said the question involved and the possible decisions entailed consequences vital to the life of the Dominion and the provinces. They involve more than the mere question of dollars and cents as they cover a wide field with respect to our constitutioin, our sociological outlook and economic life.

Maple Leafs Leading International Division and Are Away Out On Top for Scoring Honors

Saturday's Scores
Detroit, 2; Canadiens, 5.
Chicago, 3; Toronto, 7.
Sunday's Scores
Canadiens, 1; Detroit, 2.
New York Rangers, 2; Boston, 3.
Maroons, 0; New York Americans, 2.
Toronto, 3; Chicago, 3 (overtime).

TORONTO, Nov. 15: (CP)— In a dazzling game which was featured by terrific speed and clever play Toronto Maple Leafs, Saturday night before twelve thousand fans in the Maple Leaf Gardens, scored a 7 to 3 victory over Chicago Black Hawks. Last night the two teams met again in Chicago and played to a three-all draw.

Saturday's victory keeps the Leafs well out on top in the standing of the international division and their heavy scoring puts them away ahead of all other teams in the National Hockey League as far as goal getting is concerned. With the action fast and furious, penalties were also numerous. No less than eleven were handed out and the Maple Leafs were the principal offenders with Horner and Davidson each being sent to the box three times to cool off.

In the opening period, three goals were made by Toronto and one by Chicago. All three goals for the Maple Leafs were made within two minutes while Johnny Gottselig of the Black Hawks was serving a penalty for boarding. Harvey Jackson made the first on a pass from Drillon; Charlie Conacher, the second with Fowler and Drillon getting credit for the assists, and Drillon the third on Apps' assist. Three seconds before the close of the period Palangio scored for Chicago on a pass from Kendall.

Early in the second period, Chicago appeared to be carrying the play but it was not long before the Maple Leafs were back in full command again. In six minutes Charlie Conacher scored the fourth for the Leafs on Drillon's assist. A minute later Cully Dahlstrom made the second for Hawks unassisted. Midway in the period Jackson scored again just inside the post for the leafs on an assist by Horner and Apps. In a machine-like rush by four Maple Leaf players, Conacher, after six minutes of play in the third period, scored his third goal of the game and the sixth for the Leafs on a pass from Davidson. Mush March made the third for Chicago on a clever passing play with Paul Thomnson and Doc Romnes assisting. The Black Hawks used five forwards in a desperate effort to cut down the lead but it was in vain. With three minutes to go, Nick Metz broke away after a bad Chigaco pass and fired the puck into the net with Kelly getting credit for the assist.

In the third period near the end Doc Romnes, Chicago centre, was badly cut over the mouth and had to have two or thre stitches.

Syl Apps and Pep Kelly starred for the Maple Leafs and Mush March for the Black Hawks.

Canadiens Beat Wings

In Montreal Saturday night the Canadiens came up from behind after trailing the most of the game and won five to two from Detroit Red Wings. Detroit scored the only goal in the first period and at the end of the second the Red Wings were still ahead two to one. A four goal scoring spree in the third period gave the victory to the Flying Frenchmen.

The Red Wings turned the tables with a two to one victory over Canadiens in Detroit last night.

The victory of the Boston Bruins over New York Rangers last night put them in a tie with Chicago Black Hawks for leadership of the American division. Detroit Red Wings are in third place now with the New York Rangers in the fourth spot.

New York Americans defeated Montreal Maroons last night and assumed runner-up position in the international division to Toronto Maple Leafs. The Canadiens are in third place with the Montreal Maroons in the cellar.

Last night was the first occasion so far this season that all eight teams in the National Hockey League were in action at the same time.

The league standings to date are as follows:

Saturday Was Coldest Night

Weather in Prince Rupert is Cool But Pleasant—Clear and Sunny

Prince Rupert had its coldest night so far this winter as the official theremometer at Digby Island recorded a minimum of twenty-eight degrees above zero at 4 o'clock Sunday morning. It is still cool but cloudy today with wind in the north and there may be snow as it is a little milder today than it was yesterday. The lower mainland is still in the grip of the earliest winter in eighteen years. There is sleet and snow again in Vancouver today with snow across the west as far as Winnipeg. Three inches of snew is reported in Seattle with as much as eighteen inches in Northern Washington.

District weather reports today are as follows:

Hazelton—Partly cloudy, windy, temperature 29.
Smithers—Cloudy, calm, 20.
Burns Lake—Dull, windy, 15.
Stewart—Light north wind, clear, 32.
Terrace—Cloudy, calm, 26.
Aiyansh—Cloudy, calm, 30.
Alice Arm—Part cloudy, northeast wind, 33.
Anyox—Part cloudy, northeast wind, 32.

British Cars Very Popular

Sell Faster in Australia Than Do Canadian or American Makes

CANBERRA, Aust., Nov. 15: (CP) —British-made automobiles sell faster in Australia than do those imported from Canada or the United States, according to Hon. Thomas White, minister of trade and customs in the federal government.

Mr. White said importers were not importing to the limit of the quota of Canadian and American cars. He commented British vehicles were selling faster after price reductions but that Canadian and American makes now cost $20 to $80 more in Australia.

Drought Relief Response Large

Total of 817 Carloads of Produce Have so Far Been Shipped to Prairies

REGINA, Nov. 15: (CP)—Relief shipments of fruit, vegetables and other products from various parts of Canada to the drought areas of Saskatchewan have totalled 817 cars, it is announced here.

British Columbia has produced minerals of an aggregate value of $1,515,728,149.00.

The gross value of the industry for the first six months of 1937 is estimated to be $36,383,540.00. This is an increase of 53.4% over the value for the corresponding period in 1936.

Indications are that this year's production will exceed that of any previous year in value, which is a splendid commentary upon the stability of the mining industry in this province. New properties are being brought into production, and with the reopening of old properties, mill capacity will be considerably increased over last year.

Beef Prices In Vancouver Firm

Arrivals There Have Not Been Heavy Lately—Peace River Is Shipping to Edmonton

VANCOUVER, Nov. 15:—Cattle arrivals have been light the last few days on the Vancouver stock market and prices have been strong, particularly for top steers and heifers. For best grade steers $6 to $7 has been paid, for medium to good $4 to $6, for heifers from $3.50 to $5 and for cows from $2.50 to $4. There have been heavy arrivals of cattle from the Peace River to the Edmonton market. Cattle sales in Vancouver last week totalled 551 head.

Prince George Man Loses His Appeal

George Porter Must Serve Sentence Of Twenty-three Months For Breaking and Entering

VANCOUVER, Nov. 15: (CP)—The British Columbia Court of Appeal has dismissed an appeal of George Porter and confirmed his conviction and sentence of twenty-three months' imprisonment by Mr. Justice Denis Murphy for breaking and entering. The sentence was imposed at the Supreme Court Assizes in Prince George last May.

Leave to appeal had been granted by Chief Justice Archer Martin.

The Depths Mothers' Letters Reveal

If all the letters we have from mothers about the good Pacific Milk has brought their babies were gathered into one volume the collection would fill a good-sized book. The baby is the joy and glory of a mother's heart, and when she writes that Pacific Milk has restored her child to health she is writing out of the depths of sincerity and feeling.

WINDSOR, Ontario, Nov. 15: (CP) —Fifty Windsor plumbers were on strike today. They are demanding an increase in wages from $1 to $1.15 per hour.

Winnipeg Milk Users Protest

WINNIPEG, Nov. 15: (CP) — Twelve thousand milk consumers in Winnipeg have signed a petition protesting against an order of the milk marketing board ordering the equalizing of the price of milk bought in stores with delivered milk. There is no reason, the consumers contend, that as much should be charged for milk in stores as delivered.

Timely Recipes

Roast Stuffing

There's an old saying that a roast is no better than its stuffing and often the difference between success and failure depends on nothing more than an extra pinch to the stuffing of salt, pepper, or other seasoning. For fowl stuffing there are numerous seasonings— such as thyme, chestnuts sage, celery or parsley.

A sage favorite of many is Scotch stuffing, simple to prepare and unusually good as a duck dressing.

It is prepared from the following ingredients:

Two cups toasted bread crumbs, 2 cups rolled oats, ¼ cup butter, 2 teaspoons chopped onion, ¼ teaspoon sage, 2 eggs slightly beaten, ¼ teaspoon black pepper.

Melt the butter in a frying pan. Add onion and brown. Add oats and stir until crisp. Mix with bread crumbs, seasoning and egg and then stuff the fowl.

BONDS TO LIVEN UP

Federal Issue Gives Impetus To Market Which Was Quiet In October

TORONTO, Nov. 15: (CP)—The floating of a $100,000,000 Dominion bond issue removed uncertainty in the high-grade bond market and more activity is anticipated for November.

Bond refinancing by governments and municipalities was at a low ebb throughout October. No direct federal or provincial issues were put out but there were some Vancouver and district sewerage and drainage bonds guaranteed by the province and a number of small municipal issues, a total of 627,048, according to a compilation of Wood Gundy and Company Limited.

Two new issues of Dominion of Canada three-months treasury bills, for refunding purposes totalling $50,000,000, were sold during the month at a .696 percent cost for the October 14 issues and .781 percent for the October 29 sale.

In the 10 months of 1937 the aggregate government and municipal bond financing in Canada, apart from treasury bills, was $374,808,635, compared with $527,061,265 in the same period of last year.

Corporation bond financing in Canada this year has been substantially less than last year but larger than in any preceding year since 1930. The aggregate for the 10 months was $125,356,100 as compared with $214,453,724 last year. Refunding has accounted for a large share of this year's corporation financing.

PROMINENT DEMOCRAT

Atlee Pomerene, Dead in Cleveland, Was Independent in Views

CLEVELAND, Nov. 15: (AP) — His close association with the White House resulted in the late Senator Pomerene's designation as the accredited representative of the president at the Democratic national convention at St. Louis in 1916, at which Mr. Wilson was renominated. During two terms in the Senate, Pomerene supported the Democratic position on many legislative matters of importance, but his independence in voting on others finally cost him much of his recognition as a Wilson spokesman in the Senate.

Senator Pomerene helped create the Federal Tariff Commission, which was opposed by the Democrats, advocated the Colombian treaty and Washington arms conference in the face of party opposition. He also voted for reservations to the Versailles Peace Treaty, but supported the League of Nations.

In the voting on the prohibition and woman suffrage amendments, Senator Pomerene was recorded in the negative.

When the Plumb plan for the control of the American railways was proposed, Senator Pomerene was the first Senator to openly oppose it. Because of his stand labor unions throughout the country opposed his election in 1922 and took much of the credit for his defeat by Senator Simeon D. Fess. He again sought to return to the Senate in 1926, but was defeated by the late Frank B. Willis.

Investigated Scandal

While engaged in the private practice of law at Cleveland, Mr Pomerene again was brought into national prominence through his appointment by President Coolidge as counsel with Owen J. Roberts to prosecute the Teapot Dome and Elk Hills oil lease cases. The success of the government in recovering these valuable naval oil reserves added to the former senator's prestige and he gained some recognition as a candidate for the presidential nomination in 1928 but declined in favor of Al Smith.

Senator Pomerene was born at Berlin, Ohio, December 6, 1863. He attended the village schools and Vermillion Institute at Havesville and was graduated in 1884 at Princeton University. Three years later he received a master of arts degree. Meanwhile he studied at the Cincinnati Law School and received his LL.B. degree in 1886. Admitted to the Ohio bar the same year, he began practice at Canton, where he also entered upon his political career.

On June 29, 1892, Senator Pomerene married Miss Mary H. Bockius of Canton, Ohio. They had no children.

UNITED IN MARRIAGE

Miss Georgina Snidal and Frank Morrison Principals at Pretty Ceremony Saturday Evening

The home of Capt. and Mrs. H. A. Ormiston, 200 Ninth Avenue East, was the scene Saturday evening of a pretty and happy event in the marriage of Miss Georgina Guudbjorg Snidal, only daughter of Mr. and Mrs. George Snidal of Cassiar Cannery, to Frank D. Morrison, son of Capt. and Mrs. James Morrison, Second Avenue. The ceremony took place in one corner of the spacious parlor under a wedding bell in a beautiful arch of white and pink ribbon intertwined with white and pink roses and Shasta daisies. Seventy-five guests had assembled to witness the nuptials which were performed by Rev. Cannon W. F. Rushbrook.

The winsome bride was dressed in white georgette cut along Princess lines with flowing cape and white bridal hat. She carried a large bouquet of pink and white chrysanthemums and entered the room upon the arm of her father by whom she was given in marriage. Dan Kristmanson played Mendelssohn's Wedding March.

The bridesmaid was Miss Beatrice Webb of Osland who was pretty in mauve satin, carrying a bouquet of yellow chrysanthemums.

The groomsman was Roy Morrison, brother of the groom.

After the signing of the register, during which Miss Swana Olafson played "I Love You Truly," an informal reception was held when all present tendered the hearty congratulations and best wishes to the happy couple. The toast to the bride was genially proposed by Canon Rushbrook and responded to by Capt. Ormiston in happy vein. The bride cut her handsome cake at a prettily laid table. Mrs. V. Grimsson and Mrs. J. Lauresson presided at the tea tables. Mrs. Roy Morrison later cut cake and serviteurs included Mrs. D. Kristmanson, Miss Helen Ormiston, Mrs. John Fredheim, Miss Swanna Olafson and Mrs. William Way.

Mr. and Mrs. Morrison, who will have the felicitations of many friends, will reside at the Angus apartments.

THRILLING FILM HERE

Dramatic Roles For Kay Francis, Errol Flynn and Ian Hunter in "Another Dawn"

Iraq (Arabia) is the setting for the picture "Another Dawn," a drama, which is the feature presentation on the screen of the Capitol Theatre here at the first of this week. Three top-ranking stars—Kay Francis, Errol Flynn and Ian Hunter—head of the cast.

The story concerns a small British garrison which is surrounded by the bloodthirsty natives. Both Flynn and Hunter are in love with Miss Francis. One or the other has to sacrifice his life, and leave the girl to the survivor, in order that the garrison may be saved. One of them does and how they decide which one it shall be makes tense and gripping drama.

There are mountains and deserts, much fighting and some daring airplane flying in the picture. A stirring climax occurs when the time comes for one man or the other to save the garrison. All three of the principals are said to turn in stirring performances.

Besides the three stars, the cast includes such players as Frieda Inescort, Herbert Mundin, Billy Bevan, Clyde Cook, Mary Forbes and G. P. Huntley.

BAZAAR BY NORWEGIANS

Successful Affair Friday Afternoon And Evening in Moose Hall

The annual bazaar and dance of the Ladies' Aid of the Sons of Norway on Friday afternoon and evening at the Moose Hall was a very successful affair. During the afternoon many ladies called to patronize the tea and sale of home cooking and fancy work. In the evening there was a turn-out of about 250 persons for the dance which featured drawing for the raffles. The hall was attractively decorated for the occasion with fall flowers and foliage.

The general convener was Mrs. Chris Jensen. The following ladies were in charge of the bazaar features:

Tea room—Mrs. Olof Skog and Mrs. J. Eilertson.

Kitchen—Mrs. A. Wick, Mrs. J. Wick and Mrs. Knut Slatta.

Cashier—Mrs. Chris Jensen.

Home Cooking—Mrs. Anton Dybhavn.

Fancy Work—Mrs. Chris Jensen

For the dance Mrs. J. S. Black's Orchestra provided the music and Oscar Haverov was master of ceremonies. The merriment was in full swing from 10 p.m. until 4 a.m. Thorlief Murvold and Chris Johnson presided at the door. Ole Skog was in charge of the wheel. Carl Strand, Claus Arne and Thorlief Murvold were also on the committee.

Results of raffles were as follows:

Grand Drawing

$25 in cash, "E. G.", No. 349.
$15 in cash, R. Berg, No. 474.
$10 in cash, Kathleen Johnson, No 575.

Other Raffles
