FEBRUARY 20 AT BOOTH SCHOOL

"International Dinner" plans completed by sponsoring body

•Once again gourmets can enjoy dozens of their favorite exotic foods and at the same time take part in a worth-while educational panel discusesion.

On February 20 the Parent-Teacher council will stage its now famous "International Dinner" under the joint-sponsorship of all city PT associations.

To be held in the Booth Memorial high school auditorium at 6:30 p.m., directed by co-conveners Mrs. N. F. Willson and Mrs. Gerard Patzold, the affair is open to the public.

Complete plans for the annual event were made at the council's last meeting held in the Civic Centre, with council president Mrs. Arthur Logan presiding.

Tickets will be handled by chairman Mrs. Lloyd Bowman who said that "all PTA executive members are in charge of tickets for PTA members and friends at a cost of $1.25 per ticket."

The panel discussion will be entitled "Are PTA's falling down on the Job?"

In other business the council decided to support the Civic Centre with its annual $25 membership fee.

Following visits of Mrs. Logan and Mrs. A. L. Bell, PT Federation northern representative, at PTA meetings, an improvement was noted in attendance at the council meetings, it was reported. The visitors spoke on the aims and functions of the council.

Roosevelt Park and Conrad PTAs will this year be asked to send a delegate to the annual BCPTF convention in Burnaby to be held April 1 to 3, along with Mrs. Logan and Mrs. Bell, it was announced.

All executive members of PTAs are urged to take advantage of the leadership courses to begin tonight, at 8 o'clock at the home of Mrs. Bell.

AT MILLER BAY

Lively concert by civic band well-received by patients, staff

The Miller Bay Indian hospital yesterday afternoon was filled with the lively and merodious band music of the Prince Rupert Civic Band as it made its second public appearance, under the baton of conductor Joseph Arduini.

While the top-notch musicians played in the hallways, patients from toddlers to adults, enthusiastically applauded the delightful program which provided a pleasant interlude during a routine Sunday afternoon.

Welcomed and thanked by popular hospital administrator, Robert Corbell, the band then played to a smaller gathering in the Miller Bay recreational hall.

Exhibiting a large repertoire the brass band showed its versatility with its variety of selections.

Modern numbers included beautiful arrangements of "Around the World in Eighty Days," "Sail Along Silv'ry Moon," and "Jealous Heart."

Overtures included "Capistrano," and "Sun Valley Mountains," a lilting "Charming Waltz" and popular marches "Officer of the Day" and "Colonel Bogey."

Receiving a big hand was soloist Frank Roe who played "Big Boy" on the tuba with orchestral background.

The band members and their guests were then served refreshments by the hospital staff, under the supervision of Mrs. Helena Edmiston, director of nursing.
