Bonspiel planned March 13

The Prince Rupert Men's Curling club has set March 13 as the date for the opening of the eighth annual Marine Bonspiel.

George Hills has been appointed Commodore and has been encouraged by the executive to excel in all departments to provide a more interesting Spiel than in the past.

Twice the money allowed for prizes and entertainment in the past will be spent this year to attract a record-breaking entry, both locally and from more distant points.

The entry fee for teams remains at $30 which includes all bonspiel activities.

Bonspiel dates have been shortened by one day so that outside rinks will not require as many days to attend.

Round-the-clock curling is being planned by drawmaster Jack Mitchell with local rinks also required, to play preliminary games of both primary events starting Tuesday March 10 with three draws each evening.

An official opening ceremony is planned for Saturday, aMrch 14 and the annual bonspiel marine banquet and dance will be held in the Navy Drill Hall the same evening.

Team entries are already being accepted and should be accompanied by the entry fee and submitted to Bert Fields or Drawmaster Jack Mitchell.

Montreal encounter ends winning run

By KENNEDY WELLS
Canadian Press Staff Writer

Winning streaks were ended and losing slumps broken during weekend National Hockey League action which saw three of six games end in ties.

The most prominent string to go a'glimmering belonged to Chicago Black Hawks.

The upstart Hawks hadn't been beaten in eight games when they made the mistake of invading Montreal Saturday and despite goalie Glenn Hall's magnificent efforts whent down 1-0 before the league-leading Canadiens.

Still shaken the Hawks returned to Chicago Sunday and got nosed out 4-3 by New York Rangers.

RANGERS, WINGS TIE

New York had lost three consecutive games before Saturday when they pulled out a 3- draw with Detroit Red Wings in Madison Square Garden.

The same Wings got another tie Sunday at home—a wild 6-6 affair with Toronto Maple Leafs.

Boston Bruins lost 4-1 to Toronto Maple Leafs and then bounced back Sunday at home to hold Montreal to a 3-3 tie.

The results left the teams' position unchanged. Montreal widened its first-place margin to 13 points; Chicago hung onto second despite its two losses and has a three-point bulge over New York, in third with 40 points. Detroit is two points back and fifth-place Boston holds a narrow one-point edge over last-place Toronto.

The deciding goal in Montreal's 1-0 win over Chicago Saturday didn't come until 12:45 of the third period when leftwinger Dickie Moore took a pass from centre Henri Richard and threw a shot at Hall from 25 feet out. The knee-high shot caught the corner of the net as Hall's vision was partly obscured by rearguard Jack Evans.

GOOD START

Sunday in Chicago New York took a 1-0 first-period lead on rookie Jim Bartlett's goal but the Hawks roared back with three goals in the second and seemed to be home free. Lorne Ferguson, Ted Lindsay and Eddie Litzenberger did the Chicago scoring.

But third-period goals by Andy Hebenton and Andy Bathgate tied it up. Then at 14:12 rookie Les Colwill took Hank Ciesla's passout and beat Hall for the winner.

Bathgate's goal was his 23rd this season and gave him back the league goal scoring lead.

GOALS APLENTY

In Detroit Sunday, captain George Armstrong, newcomer Larry Regan and sophomore Frank Mahovlich scored for Toronto in the first; Dick Duff and Bob Pulford added second period goals and Ron Stewart scored to open the third.

For Detroit it was defence star Red Kelly with an unassisted goal in the first, Johnny Wilson, rookie Charlie Burns and Norm Ullman in the second and Wilson again in the third before Gordie Howe set up the tie.

In Toronto Saturday, Armstrong got two goals and an assist in their 4-1 win over Boston. Centre Billy Harris and leftwinger Duff got the other while Bronco Horvath scored for Boston.

Leafs went ahead 1-0 on Armstrong's goal in the first, made it 2-0 when Duff scored in the second, had Boston cut it to 2-1 then raised it again on Harris' marker and salted the game away with Armstrong's second goal in the third.

In Boston Sunday the Bruins looked like a different set of people altogether. They went ahead 2-0 early in the first on goals by Johnny Bucky and Jerry Toppazzini before Jean Beliveau got Canadiens first before the period ended.

In the second Bronco Horvath made it 3-1 and Bruin fans thought they were safe but in the last period with Boston shorthanded Don Marshall made it 3-2 and at 8:32 Claude Provost got the tying goal.

No games are scheduled until Wednesday when Toronto is host to New York.

Denver University checks Red icemen

COLORADO SPRINGS, Colo. (CP)—An inspired Denver University team, made up entirely of Canadians, battled Russia's touring hockey team to a 4-4 tie Saturday night.

The university squad, held up by goalie Rod Schnock of Wetaskiwin, Alta., led the undefeated Russian team three times. Russia scored the tying goal at 18:48 of the third period.

Schnock stopped 41 shots as the Russians poured on the pressure to try to defeat the defending champions of the National Collegiate Athletic Association Hockey Championships.

Defenceman Marty Howe of Regina suffered a possible fractured ankle in the second period, as the game was featured by much stiffer body checking than in any of the previous five exhibitions played by the Russians in the U.S.

Denver jumped into a 2-0 lead on goals by Bruce Walker and Paul Josephson. But Russia bounced back with two goals in the next two minutes to tie the score on goals by Benjamin Aleksandrov and Constantine Loktov.

RUSSIANS TIE GAME

Howe gave Denver a 3-2 lead before the period ended, but Russia again tied it up early in the second period on a goal by Victor Iakushev.

Denver took the lead for the third time at 7:51 of the final period, with Bill Masterson slapping the puck into the net from 10 feet out. The University tried to keep the pressure on the Russians, hoping to prevent their setting up a play for the tieing goal.

But the strategy backfired when Iakushev stole the puck near his own blueline and broke in on Schnock with George Krylov. He shovelled a pass to Krylov at Denver's blue line and the 28-year-old rightwinger drove home a hard shot from about eight feet out.

Eugene Erkin made 26 saves for the Russians.

Eight penalties were called—five against the Russians. None of the penalties figured in the scoring.
