I TOLD YOU SO, DIDN'T I?

By DON LOBB
Daily News Staff Writer

Most sports writers under these circumstances would say, "I hate to rub it in, but I told you so!"

I'm different. I told you so and I'm glad. Digby Island Bogtrotters plastered Hill and Sons Flyers 24-6, that's right, 24-6, last night in the second game of the Senior Men's Floor Hockey League finals. They shellacked the shoe store crew 18-9 in the first game. I say they are odds-on favorites to make it three straight for a title—unless Flyers suddenly find a little team spirit.

Whether you like the way Digby shuffles the deck or not you have got to admit they deal a mighty hard hand to beat.

One spectator (down boy, not the guy who thought I quoted him before) said after the game Thursday that Digby played dirty, mean floor hockey. (Didn't you Doreen?)

I say and intend to go on saying (while my teeth hold out) that Digby plays tough, rough, aggressive floor hockey. They are in there for one reason: to win. They play that way. If they are fouling the opposition there happen to be a couple of guys in charge of whistles employed to see that the offenders are punished. When they play they come to be made to pay.

But last night they may have bluffed a couple of times and got away with it. That isn't a fault. It belongs to the captain of the opposing squad to bring the matter to light. I don't think he bothered. He should have.

One thing I am more certain of than I was certain that Digby should have won. Flyers sent a boy out to do a man's job. They had approximately seven hands on the scene.

Digby doubled that bid and they doubled in spades. Their team wants this title. For my money they not only will get it, but they'll deserve it. They floored a club manpower-wise that doubled Flyers in number and desire.

A ripple of self-pity was evident following the game. A disgruntled, sweaty and tired Flyer grumbled that he figured his team was jobbed. A- by me, B- by the reffs.

He was wrong on both counts.

I earnestly hope Flyers can pick themselves off the deck and win this one. I hope it because I honestly think they have a better type of game for the future of floor hockey. I hope it because I join an uncounted multitude who always pray for the underdog to win.

But it isn't an easy task they face. They must develop a team spirit so well exemplified by Toronto Maple Leafs a short two weeks ago. They need a strong leader.

They also need a strong coach, and more than anything, they need a strong bench.

That a league winning club should find itself backed against the wall at this stage of the game is inconsistent. That they should be there through lack of manpower is intolerable. That they stay there is inconceivable.

I'll go on record right now. Flyers should take the next game. If they are deserving of the right to be called league champions they will. If they don't, they will most certainly have been beaten by a better team.

Digby shatters Flyers

Digby Island Bogrtrotters certainly established themselves as odds-on favorites for the playoff crown of the Senior Men's Floor Hockey League last night at the Civic Centre when they shattered Hill and Sons Flyers 24-6 before a fine crowd.

The victory, which came on the strength of a blistering eight-goal attack in the second period, gave them a 2-0 edge in the best-of-five finals. They took the first game 18-9.

Hill and Sons, who took the league title and sat out the semi-finals, still have not regained any portion of their regular season's form. They played a desultory, disinterested game. Now they face elimination to the hard-fighting Islanders unless they can dredge up some team spirit.

Rightwinger Al Novecoski ticketed five markers for Digby and his production was matched by sometime leftwinger John Vielander. Alf Moran, Mike Korney and Les Hutchison netted a trio apiece and singletons went to Nelson, Isnardy, Schooley, Spark and Impey.

For Flyers, top league goal-getter Ernie Novakowski tallied four times and Rod Pierce got a pair.

Next game of the series between Digby Island Bogtrotters and Hill and Sons Flyers will be played Saturday night at the Civic Centre.

It was announced this morning by league president Ernie Novakowski that Doug Brunton, starry forward with Flyers, was taken to hospital after a first period injury during last night's game.

Brunton was found to be suffering from a dislocated shoulder. He is expected to miss the Saturday final.

Flyers fought back from a two-goal deficit in the opening period to knot the count at 4-4, went on to take the lead at 5-4 with 2:58 remaining and then saw Digby wash out their efforts as Novecoski hammered home a 30-footer after his mates had missed three golden opportunities.

In the middle canto Flyers hadn't a hope. Bogtrotters pulled up their socks and connected for eight unanswered goals as Flyers defence went awry and their offence bogged down in heavy checking.

The third frame only added to Flyers humiliation. The Islanders connected for a half dozen more before Novekowski finally changed Flyers' count, and then added a trio of additional tallies before the final buzzer ended the slaughter.

Referees Stretch Gale and Joe Warner, both players with the eliminated RCMP squad, handled the refereeing. They levied eight penalties. Three went to Digby in the opening frame while Flyers collected a brace (their quota for the night) and Digby earned two in the second and a single midemeanor in the final period.

A crowd estimated at 250 watched the spectacle, but were treated to few of the interchanges featured in the original encounter. Hill and Sons played a smart, collected style of hockey for the tied first period, devoid of any real threats at mayhem, faded in the second and practically disappeared in the home-stretch.

Lineups

Digby—McMillan, Hutchinson, Spark, Korney, Impey, Schooley, Isnardy, Vielander, Novecoski, Nelson, McKornex, Moran, McLean, Gibbons.

Flyers—Brunton, Novakowski, Rendek, Pierce, Alger, Mireau, Sunberg, Cameron.

Referees—Gale and Warner.

Roughnecks down Birds in opener

Ormes Roughnecks jumped into a one-game lead in the best-of-five finals for the Junior Floor Hockey playoff crown as they marked up three four-goal periods to down Parker Thunderbirds 12-9.

In the preliminary tilt at the Civic Centre last night Chris Harvey notched four counters to pace Ormes and Ken Stowe joined Robin Cameron with three. Bill McLeod got the other pair, while Ron Pierce topped Thunderbird producers with five.

A hat-trick effort by Pierce fell short of pulling the match out of the fire for the Parker squad in the third period. Singles by Bruce Kerr, Ken Cameron, Gene Dorash and Bill Adams kept them within striking distance, but Orme's crew had too much at the finish.

Ormes grabbed a 4-3 first period lead and stretched it to 8-4 at the end of the second frame, before Parkers really threatened. They dropped back a goal at the final bell as Thunderbirds outscored them 5-4 in the home-stretch.

Lineups

Ormes—MacLeod, Olson, Stowe, Harvey, Heland, R. Cameron, Gotchling, Armstrong, Kangas.

Parkers — Pierce, Turcotte, Lemon, Kerr, K. Cameron, Ruttan, Dorash, Adams, Martin.

Referees—Gale and Warner.

Track group hold daily workouts

According to reports from recreation supervisor Tom Masich there are 12 male and female students presently enrolled in track and field classes.

The group has been attending practice since last Monday. Present program has them running and doing calisthenics after which the athletes will branch out into running, throwing and jumping events.

Beginning Monday at 7 p.m. Track and Field sessions will be held at the Civic Centre. Both students and athletes are asked to come out.

Masich is presently investigating location of a suitable training area for outdoor activity. He said a full 440-yard cinder track wasn't necessary if he could find a soft enough surface on which to use running spikes and long enough for a 100-yard straightaway.
