Permission was granted last night by the city council to Adair Carss Chapter, I.O.D.E., to hold a tag day on April 24, Ypres Day. The proceeds will go, as usual, to the chapter's fund for the upkeep of the soldiers' plots in Fairview Cemetery. In making the request, Mrs. J. A. Teng, secretary of the chapter, pointed out that during the past year four headstones had been purchased in addition to which regular upkeep had been attended to.

The city council last night granted Frank Somers permission to rent his house on Second Avenue, Westview, built under the Soldiers' Housing Scheme, for a period of four months from April 15 while he is in Vancouver on leave of absence from his duties with the city utilities department. The house is to be occupied during that period by Harry Welford. Ald. Casey voiced objection to houses thus built by soldiers being rented by them for any length of time. It was not the intention that they should be used for speculative purposes. Ald. Casey was satisfied, however, when it was explained that in this case it would only be for a period of four months while Mr. Somers would be out of the city.

OUTDOOR RECREATION PART BASEBALL SCHEME OF TRAINING PLAYERS

LOS ANGELES, March 23. — Major league teams training in California, the Chicago Cubs at Catalina and the Pittsburgh Pirates at Paso Robles, are breaking stiff exhibition schedules with Pacific coast teams with varied forms of outdoor recreation.

Gold, surf bathing, mountain hiking and diverse sports are helping to put the ball players in trim and to keep them from becoming stale as might result from a too steady diet of ball playing.

The schedule of the Cubs is characteristic. Opening against Los Angeles March 5 they had a schedule that called for sixteen games in March and three games in April, when they leave for a series of five games with Kansas City. Then they hop to Cincinnati, against which they start play April 13.

Meanwhile, San Francisco, Hollywood (formerly Salt Lake) and the Mission Bears (San Francisco's second team in the coast league), are benefitting from their practice games with the major taams.

URGES RETURN TO SANER LIVING IS IRISHMAN'S ADVICE

BELFAST, March 24. — Tea drinking is ruining people and silk stockings are to blame for some present-day illnesses, Dr. Dennis O'Hagen, surgeon of Louth County Infirmary told a committee called together to discuss the treatment of tuberculosis.

"What is required," he said, "is a health campaign to get people to feed themselves properly. I advise people to drink less tea and to get back to the days of 'stirabout' and 'buttermilk.' There would be less tuberculosis if people took this advice."

Stirabouf is a porridge of oatmeal or corn meal boiled in water and stirred.

A mild form of influenza seems to be prevalent in the city at the present time. No serious cases are reported although many people are compelled to remain in their homes for a few days.
