Second comeback win registered by Nelson

TRAIL (CP) — Mickey Maglio scored two goals, including the winner, to give Nelson Maple Leafs a 5-4 victory Monday night over Rossland Warriors and a 2-0 lead in the best-of-five Western International Hockey League final.

The Leafs can wrap the series up in three straight games should they win tonight in Nelson.

A crowd of 1,031 fans saw Wedy Keller also score two goals for the Leafs while the other went to Howie Hornby. Rossland marksmen were Alex Birukow, Al Lloyd, Gil Desrosiers and Bud Andrews.

The result marked the second time in a row Nelson had come from behind in the third period to win. Rossland led 3-2 in the first period and it was tied 3-3 at the end of the second. Andrew's long, low slap-shot at 4:59 of the third gave Rossland a 4-3 advantage.

Midway in the final period, Keller tied it up on a rush with Maglio and Lee Hyssop. Rossland goalie Gus Adams came out of his net and the puck was slipped in behind him.

With less than three minutes left, Maglio potted the winner.

The Warriors yanked their goalie and went with six forwards in the dying seconds but couldn't get the goal they needed.

Rossland out-shot Nelson 34-30 and held a decisive advantage in play most of the game, but serious defensive lapses cost the Warriors the game.

On the side, Nelson goalie George Wood played a strong game for the Leafs.

There were seven minor penalties in the game, four to Nelson. Both teams capitalized twice on power plays in the first period.

A fourth game if necessary will be played Wednesday in Trail, where the season is being finished in Trail's larger arena.

Bathgate's task proves downright discouraging

By W. R. WHEATLEY
Canadian Press Staff Writer

MONTREAL (CP)—It wust be downright discouraging for a hockey player to score six goals and two assists in one week and then find his effort topped by two other guys.

That's what happened to Andy Bathgate of New York Rangers last week in the National Hockey League. Dickie Moore and Jean Beliveau of Montreal Canadiens broke loose with 16 points apiece, an unprecedented weekly performance since the season opened last October.

The league's official statistics, released today, show Moore with 92 points, Beliveau with 87 and Bathgate with 85.

So, in the sprint to the finish—now only three games away—it's beginning to look as if Montreal entries will come in one-two for the second successive season.

Moore won the $1,000 scoring title last season with 84 points. Henri Pocket Rocket Richard was second—taking the $500 runner-up money — with 80. Bathgate was third with 78.

TIED FOR FOURTH

Behind the big three are Litzenberger and Gordie Howe of Detroit Red Wings tied for fourth place with 76 points. Litz last week scored one goal and got two assists—not three assists as unofficially shown in press reports. Howe caught up with him by scoring three goals and two assists.

Bernie Geoffrion of Montreal remains sixth place with 66 points. Red Sullivan of New York follows with 61 points. Sullivan scored a goal and an assist in Sunday's game. The assist was credited late by the official scorer in a wire to NHL headquarters.

Dea McKenney of Boston Bruins piled up an impressive seven points on three goals and four assists and moved into the 60-point class with Tod Sloan of Chicago who had a 2-2 count last week.

Johnny Bucyk of the Bruins accounted for four goals and one assist and holds 10th place with 58 points, moving up from an 11th-place tie.

Two tied for prize at rally

Conditions more often associated with Regattas than motor rallies severely handicapped check point officials at last Sunday's Road Safety Club event. Driving rain saturated all score sheets and adjudicators and so reduced visibity to make identifying participating vehicles an arduous task.

The first place was a tie between D. A. Winslow driving a Volkswagen and Bill Doumont Jr., in an Austin, each with an error of 110 points. They will share the individual trophy presented by Nobles, W. F. Stone and G. P. Tinker, but have decided to put the $15 voucher donated by Bob Parker Ltd., back into circulation to be contended for at the next rally.

Mrs. Harry Scholten, placing 20th with 540 points, will receive the Bob Parkers Ladies award for the highest placed female entry.

The team trophy, presented by the automotive dealers, leaves the Rotary Club for the first time and goes to Bob Parker Ltd. Represented by Otto Kneipkamp (third, 190 points) and Joseph Onstein (11th, 340 points) both driving Ford Consuls. A very strong Bo-Me-Hi entry was rewarded with second, fourth, fifth and sixth team positions and the Rotary Club, not only holding third place in the team event fielded a check point control.

The 27 entries received a series of clues that led them from the Court House over 35 miles of highway including an excursion along Highway 16 and another towards Port Edward. At each of the six check points a driving test was undertaken that examined judgment of distance, maneouverability, reversing, braking and knowledge of the Motor Vehicle Act.

A complete set of results are being tabulated.

BOSTON (AP) — Rightwinger Vic Stasiuk of Boston Bruins of the National Hockey Legue today was named winner of the Elizabeth C. Dufresne Trophy as the club's outstanding player on home ice this season.
