New hockey loop planned

Six teams slated for 70-game agenda

CHICAGO (AP)—Formation of a new professional hockey league in Canada to be sponsored by the six National Hockey League teams was announced Thursday.

Tommy Ivan, general manager of the Chicago Black Hawks of the NHL, said the new six-team league will be known as the eastern professional hockey league.

The new league will be comprised of teams from Montreal, Hull and Trois-Rivieres in Quebec; Kingston, Sudbury and Sault Ste. Marie in Ontario. The teams will play a 70-game schedule, beginning about Oct. 1.

Montreal and Hull will be sponsored by the Montreal Canadiens; Trois-Rivieres by the New York Rangers; Kingston by the Boston Bruins; Sudbury, by the Detroit Red Wings and Toronto Maple Leafs; and Sault Ste. Marie by the Black Hawks.

Players and coaches will be furnished by the parent clubs. Each team will be limited to 15 players, with three prohibited from having professional experience.

This is the first time the NHL has sponsored such a league.

Ivan made his announcement shortly after returning from a meeting at Sudbury.

WINNIPEG (CP) — Hamilton Tiger-Cats ground out an 8-5 victory over Winnipeg Blue Bombers Thursday night in a head-bumping exhibition game that had little resemblance to their last encounter—the 1958 Grey Cup classic.

Ingemar ready, willing for rematch with Floyd

PARIS (AP)—World heavyweight champion Ingemar Johansson said today he is ready and willing to meet Floyd Patterson in their return title fight in New York September 22.

The champion said in an airport interview he came to Paris Thursday to discuss the muddled heavyweight situation with Bill Rosensohn, promoter of the June heavyweight bout in which the Swede dethroned Patterson with a third-round knockout.

Asked if he would meet Patterson in a rematch September 22, a Tuesday, at Yankee Stadium, Johansson replied: "Yes, that's the way it looks now."

When Johansson arrived Thursday he went into seclusion. Reporters were unable to locate him and where he met with Rosensohn remained a secret.

The champion said no in answer to a question about a possible tuneup fight before taking on Patterson.

He said he is returning to Sweden to wait and see what develops.

Before he left Sweden, Johansson had been quoted in a Stockholm newspaper as saying "as things are now, I refuse to fight September 22."

He was vague about where the meeting with Rosensohn took place. Was it the plush hotel where New York's Truman Gibson, head of National Boxing Enterprises, stayed?

FISHERIES ASSOCIATION OF B.C.
AUGUST 6, 1959

LETTER TO FISHERMEN, TENDERMEN, SHOREWORKERS:

In a final effort to get the strike ended, the Fisheries Association has made a last offer to the U.F.A.W.U. and the Native Brotherhood today.

So that there will be absolutely no chance of confusion or misunderstanding about the actual details of this offer, I am giving you the exact text of the Association proposal to the Negotiating Committee of the Union and Brotherhood;

Fisheries Association meeting with U.F.A.W.U. and the Native Brotherhood of B.C. at 1:30 p.m. August 6th, 1959.

In the Board Room of the Hotel Vancouver, Vancouver, B.C.

Members of the Union and Brotherhood:

On July 22nd we made offers to your Committee of substantial increases over the 1958 agreements.

This was done in the hope of avoiding a needless strike. Your Committee recommended rejection of our offers, and urged strike action.

That strike is now in progress, and valuable fishing and employment has been irretrievably lost.

The only question now is how to end the strike, before the end of the fishing season.

This industry—fishermen, tendermen, shoreworkers and companies—simply cannot afford the losses and disruptions of strikes, year after year after year.

Therefore, to end this strike, and to have the security and stability of continuity of operations for the balance of this season and all the 1960 season, two year agreements are now essential.

Two year agreements for all groups, fishermen, shoreworkers and tendermen, will avoid the possibility of legal problems under Bill 43 raised by the union spokesmen at our second last meeting.

All our present agreements are the result of hundreds of hours of bargaining in previous years. They have worked comparatively well.

Therefore, in a final effort to get an operation underway, we will sign agreements on salmon prices, shoreworkers and tendermen, identical with the 1958 agreements, but including these specific changes.

FISHERMEN

1. The salmon prices agreement will be for the 1959 and 1960 fishing seasons.
2. The minimum prices listed in Article III Section 1 in the 1958 agreement will be changed as follows:

	1958	1959	1960
SOCKEYE	28	31	32
COHOE, STEELHEAD	16	21	22
PINKS	9¼	10¾	11
CHUMS—all areas to Aug. 31st	7½	9	9

The fall chum prices listed in Article III Section 3 of the 1958 agreement of 12 cents, 10 cents and 8 cents per lb. for the specified areas to be changed to 12 cents, 10 cents and 9 cents. The re-opening clause on fall chum prices, Article III Section 3(B) to be removed.

3. In 1959 the number of weigh boats will be increased by 4. In 1960 all fish will be weighed on the grounds. The clause providing that in the event of exceptionally heavy runs the Union fishermen and the operators in the given locality may, by mutual consent, agree to averaging to be retained.
4. The present contribution to the welfare fund of 3 cents a case with a maximum of 4 cents, be changed to 3 cents a case with a maximum of 5 cents.

TENDERMEN

1. The period of the agreement will be from April 16, 1959 to April 15, 1961.
2. Increase in monthly wage of $20.00 a month in 1959, and a further $10.00 a month in 1960.
3. Days off per month to be increased from 14 days off each month to 15 days off each month.
4. The present divisor of 16 into the monthly wage to determine the daily rate for broken pay periods be replaced by 15.416. (15.416 is the total working days in a year divided by twelve). This will also apply to extra pay for certificates and for fresh fish camp tending.
5. Provision will be made in the herring agreement for declaration by the companies, prior to October 16, as to whether or not tenders will be used in herring operations.

These changes are retroactive to April 16, 1959.

CANNERY, NET, REDUCTION, FRESHFISH AND COLD STORAGE WORKERS

1. The period of the agreement will be from April 16, 1959 to April 15, 1961.
2. Wage rate increases:

	April 16, 1959	April 16, 1960
—monthly rated men	$20.00	$10.00
—hourly rated and guaranteed men	12 cents	5 cents
—women	10 cents	5 cents
—piece work rates	Proportionate Increases	

The present differential for experienced cold storage workers will be increased by 3 cents an hour.

3. Board and lodging adjustment:

Men—$58 a month.
Women—$44.00 a month.

The Prince Rupert Board Rate increased $5.00 for men and $4.00 for women.

4. Individual company pension plans on a voluntary basis to be effective by April 16, 1960. All employees eligible who have 12 months consecutive service, or two consecutive years of nine months service or three consecutive years of seven months service. Employee contribution 5 percent (income tax free). Company contribution balance of cost to guarantee annual pension of 1½ percent total employee earning while a member of the plan.
5. Two days off with pay to attend the funeral or make funeral arrangements for a member of the immediate family.
6. The companies accept the union proposal before the conciliation board on vacation pay.
7. Salmon handfillers to have a minimum guarantee for the first 80 hours, thereafter piece work rates will apply.
8. Salmon unloaders on a monthly guarantee to have the same hours of work as other tallydock employees.
9. Inexperienced men being trained as reduction plant operators to receive $20.00 a month less than the applicable operators rate during a two month probationary period.
10. A joint coast-wise committee to examine all fillet production standards.

Wage increases this year retroactive to April 16, 1959. Other adjustments effective on the date of signing of the shoreworkers' agreement.

I have clauses here, which we now give you, covering the specific changes we have offered.

In summary, the association is not prepared to sign one year agreements. Two year agreements will bring a measure of security and stability to all sections of the industry.

We ask your committee to put these proposals to a vote of the fisherman, tenderman and shoreworkers.

We hope that your committee will go further, and recommend acceptance of these offers.

If you do so, boats could start proceeding to the grounds immediately. This is highly important in the north, where little good fishing time remains.

IF THE VOTE REJECTS THESE OFFERS, THE FISHERIES ASSOCIATION WILL HAVE NOTHING ELSE TO OFFER THIS SEASON.

I should like to stress that the only changes proposed in the present agreements are those listed above.

I trust that having the actual text of our proposals will be helpful to you in making your decision before casting your vote.

SINCERELY. James Sinclair PRESIDENT.
