"Winter" won't stampede me, says Dick Cosgrave

Calgary's popular Arena Director has built up quite a name for efficiency since his Chuck Wagon Driving days and his latest move is right in character. 'I'm not going to let winter stampede me,' he says. 'I'm prepared for it now. I've had "Prestone" Brand Anti-Freeze in my car since the beginning of Fall.' Dick knows that only "Prestone" Brand Anti-Freeze gives the complete protection that he needs-protection against frost, corrosion, rust, clogging and foaming. "Prestone" Anti-Freeze has Magnetic Film that coats every part of the cooling system.

Take a tip from Dick Cosgrave. Get "Prestone" Brand Anti-Freeze into the radiator of your car fast—get all the protection you need.

CivicCentre still fighting insolvency

(Continued from Page 1)

He estimated that the thousands of hours of work put in by volunteers had saved the community approximately \$90,000 in interest rates, had the swimming pool been financed right from the start by floating a debenture.

The \$28,000 paid by the city to complete, the pool had come from the city's land sale reserve fund with permission of the Department of Municipal Affairs, Ald. Youngs said.

To prevent further depreciation of the Centre's bond, which learning was almost equal to authorized the executive

of disposing of the bond. The meeting also approved a this past year and had kept
