SANKEY TRIAL NEXT MONDAY

Preliminary Hearing of Big Case to go Ahead Next Week it is Announced

PATMORE DEFENDING

Defence Counsel Asks That Trial be not Rushed on at Forthcoming Assizes

Joseph Sankey, charged with the murder of Miss Loretta Chisholm at Port Essington on May 23, appeared in the provincial police court again this morning before Stipendiary Magistrate H. F. MacLeod and, without any evidence being taken, the case was adjourned until Monday. The preliminary trial will then be proceeded with, it being announced that A. M. Johnson, K.C., of the attorney general's department, who is coming from Victoria to prosecute at the assizes, would also prosecute in Sankey's preliminary.

L. W. Patmore, who has taken Sankey's defence, in consenting to the adjournment which was applied for by Inspector Spiller on behalf of the crown, remarked that he did not wish such an important charge as this being rushed into the assizes, opening next week. The crown had already taken some time to prepare its case and time should also be given the defence, if necessary, to do the same, especially in view of the fact that the defence had no idea as yet of what it would be required to meet except through rumors of such things as blood tests, etc.

Inspector Spiller could make no promise that the case would not be proceeded with at the forthcoming assizes. In any case, he did not expect that this charge would be the first to be taken up. Assistant Superintendent Owen of the provincial police, who was present, stated that it was expected to proceed with the case on Monday.

A provincial police party consisting of Assistant Superintendent Walter Owen, Inspector Spiller and other officers left on this morning's train for Port Essington to make further investigations on the scene in connection with the murder. They will return to the city by gasboat this evening.

Her Liver Was Bad And She Felt Tired and Depressed

Mrs. M. Siefert, Grosswerder, Sask., writes:—"I was greatly disturbed with pains in my liver, and felt tired and depressed most of the time.

One day I read about

Milburn's LAXA-LIVER PILLS

and the next time I went to town I bought four vials of them.

I have used them regularly, and after two months' use I feel like an entirely different woman.

Now, I always recommend them to any of my friends who are troubled as I was."

There's only one "Laxa-Liver Pill", and that's the one put up, for the past 32 years, by The T. Milburn Co., Limited, Toronto, Ont.
