EXPECTS TO SEE MUCH GRAIN PASS THROUGH THIS PORT

(Vancouver Province)

Portland, once the queen of wheat and flour shipping ports of the Pacific coast, now admits that Vancouver is the greatest flour and grain port on the coast, according to C. P. Coles, director of Kerr, Gifford & Co., of Portland, one of the greatest western wheat exporting organizations.

The outlook for the 1926-1927 wheat season, he believes, is very good. A splendid crop is expected in the northwest states, and there should be a big movement of grain and flour through Portland. Seattle will get a little. Vancouver is assured, he is confident, of an exceptionally heavy movement, probably a record.

Mr. Coles anticipates a good price for grain throughout the season. He arrived in Vancouver this morning in connection with the grain business.

In discussing prospects for export next season he stated that he believed Prince Rupert would enter the lists as a regular grain exporting point. He believes a fair quantity will flow through that port ,especially to the Orient. However, there is enough western Canadian wheat that will come west to keep both Vancouver and Prince Rupert busy, he thinks.

GREECE TAKING AWAY TURKS' RUG INDUSTRY

Weavers Are Now Returning to Greece and Macedonia.

ATHENS, July 26.— Greece is taking away the carpet and rug industry from Turkey. This is due to the exodus of Greek rug weavers by the thousands from Turkey to their motherland, Greece and Macedonia.

Under the recent exchange of populations carried out under the auspices of the League of Nations, few, if any, professional Greek or Armenian rug makers were left in Asia Minor. There are now about 5,000 looms in operation in various parts of Greece, employing 20,000 persons, most of whom fled from Turkey. In addition there are tens of thousands of Greeks employed in rug making in their homes.

KOREAN FLOODS

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner.
