CROWDS ATTEND ARMY SERVICES

Commissioner and Mrs. Rich Preach Effectively Both Outside and in Citadel

Splendid crowds gathered last night on the street corner and also at the inside meeting in the Salvation Army citadel to listen to Commissioner and Mrs. Rich, leaders of the Salvation Army in Western Canada and Alaska, who are here on their way to conduct a native congress at Port Essington.

At the open air meeting the commissioner spoke to men on opportunities and how to grasp them At the inside meeting Mrs. Rich spoke particularly to young people and urged them to lift their eyes to the hills from whence cometh their help. Commissioner Rich at the same gathering spoke to the congregation on the fall of Peter, urging them not to warm themselves at the fires of the world and never to try to fight the battles of the Lord with carnal weapons.

Colonel McLean assisted in the services and the scouts and guards paraded to the services. At the close ten people came out to the altar.

WOMAN WILL ATTEMPT TO CLIMB MT. GEIKIE

GEIKIE MEADOW CAMP, Tonquin Valley, Jasper, Alta., Aug. 6.—Tomorrow morning from this camp the attempt by a woman to scale Mount Geikie will be made. Shortly after daybreak Mr. and Mrs. W. A. D. Munday, of Vancouver, together with Miss Esther Thomson, of Winnipeg, will leave camp on the climb, probably following the route of the Grassi-Ditnan ascent earlier in the week. Mrs. Munday, it may be remembered, was the first woman to reach the top of Mount Robson, the highest peak in the Canadian Rockies. NEW HEAD OF ALPINE CLUB

Col. F. C. Bell of Vancouver Succeeds A. F. Wheeler at Annual Meeting Yesterday

TONQUIN VALLEY, Jasper National Park, Alta., Aug. 6. — (By Courier).— The resignation by A. C. Wheeler, since 1910 director of the Alpine Club of Canada and his appointment as honorary president in succession to Baron Byng of Vimy, together with the election of Col. F. C. Bell of Vancouver as president of the club were the outstanding features of the annual business meeting held at the main camp yesterday afternoon.

Another important event was the acceptance by the club of an offer made by Major and Mrs. Fred Brewster of Jasper of a permanent Alpine Club hut to be erected in the Tonquin Valley either near the Inkwells in Geikie meadows or on Surprise Point, the selection to be left to the executive committee of the club in consideration of the valuable services of Mr. Wheeler and at the express wish of the donors this hut will be known as the Wheeler hut and it will be built in time for next year's climbing operations.

With the resignation of Mr. Wheeler the position of director of the club is abolished and the meeting recommended for confirmation by ballot of all members an amendment to the constitution placing the functions of the director in the hands of a management committee to be ihosen from the executive board and to consist of the president and two members of the executive. The resolution also empowered the executive to pnoceed along these lines until confismation by ballot is recorded.

READING ROOM FOR FISHERMEN

Officials of Union Church Return from Dundas Island After Completing Work

BUILDING WAS ERECTED

Parsons Turn to Manual Labor in Order to Provide Accommodation for Trollers

Officials of the United Church returned yesterday from a stay of several weeks at Dundas Island where they have just completed the erection of a reading room and bath house for the use of the fishermen at that point. The work was done by Captain Oliver and Rev. Robert Scott of the mission boat Crosby stationed at the Queen Charlotte Islands, assisted by Archie Scott, Hugh Dobson and Rev. Evan Baker.

The building, which is quite commodious, about 24 feet by 14 ft. was handed over the Fishermen's Association on Thursday and will be operated under their management. It was made possible through a donation received from the Lion's Club of Vancouver.

In addition to providing for a supply of water for the shower baths, pipes sufficiently large have been installed to provide for the watering of the boats that congregate at that famous trolling ground. It is located close to the fish buying camps and the station recently erected for the Union Oil Company.

The party, with the exception of Mr. Baker is returning to Queen Charlotte Islands today.

HARVEST HANDS FROM BRITAIN

Fifteen Hundred Immigrants Coming to Canada This Week End; Also Families of Settlers

MONTREAL, Aug. 6.—Another heavy immigration movement to Western Canada is due this week end and the Canadian National Railways is preparing to handle over 1,500 passengers through the ports of Halifax and Quebec. A large proportion of these newcomers are farm workers from the British Isles and the continent destined for the western prairies.

The White Star liner Megantic will arrive at Quebec early on Saturday morning with 479 passengers, while Cunarder Alaunia is also due at that port with 632. The Pennland will reach Halifax the same day with 543 passengers. Special Canadian National trains will operate from Halifax to Montreal, as well as from Quebec to Montreal and Winnipeg.

A special party of women and children are among the Megantic's passengers and comprise the families of British settlers who have become permanently settled in the Dominion.

TOO MANY HARVEST HANDS FOR PRAIRIES

EDMONTON, Aug. 7.—At the Edmonton Trades and Labor Council meeting here it was intimated that too many men were being sent to the prairies to help with the harvest with the result that some of the men now there would find it difficult to get work at remunerative wages.
