Opening lead: Five of ♥

In the play of today's hand South gave a unique performance. Solid all around, he nevertheless refused to draw trumps throughout the entire play. A club loser was inevitable so that declarer was at the mercy of the queen of spades. There is always the guess with nine trumps whether to play for the drop or to finesse. The defenders had given no indications and South had little faith in his "ouija board" so he projected a play which was attended with some slight risk in order to avoid the guess.

The bidding was valid and, against the six spade contract, West opened the five of hearts. Declarer won with the ace in dummy, and immediately ruffed a heart in his hand. He entered dummy with a diamond to ruff another heart.

A diamond lead to the ace in dummy permitted South to ruff out the last heart. Then he took one more chance by leading a third round of diamonds. If this trick lived, the contract was almost home. Having overcome this hazard, South now cashed the ace and king of clubs and defiantly got out with a club.

It mattered not to him who won the trick. The unlucky leader would now be forced to present declarer with a free finesse in the trump suit, thus eliminating all guess for the missing queen. West took the third round of clubs with his queen and led a spade, trapping his partner's trump holding.

Careless driver loses licence

(Continued from Page 1)

were released after brief treatment.

The constable said that Youngman originally told him the accident occurred when his (Youngman's) car was forced off the road by another vehicle travelling on the wrong side of the road.

The constable said Youngman later changed his story.

Another constable read out a statement made by Youngman in the police office, about an hour after the accident occurred which said Youngman said he was travelling west from Seal Cove at approximately 15 miles per hour.

He said he attempted to pull a girl riding in the front seat over towards him and at the same time the seat rocked back. He let go of the wheel and momentarily lost control of the vehicle. By the time he had straightened the seat out and grabbed the wheel, the vehicle was travelling on the left side of the road and then hit the pole.

Mr. Shaw asked for dismissal on the grounds that Youngman was not diving without due care and attention.

Crown prosecutor Cpl. T. I. L. Anderson contended that Youngman was driving without due care and attention because he had obstructed his own view when he attempted to pull the girl over towards him. He stated that Youngman had only one hand on the wheel for some time.

Youngman was granted until September 5 to pay his fine.

JUVENILE SENTENCED

Stealing a bicycle earned a juvenile boy an indefinite sentence in the Industrial School for Boys at Brannon Lake Monday when he appeared in juvenile court.

The youth admitted his delinquency before Juvenile Court Judge E. T. Applewhaite.

The charge resulted from an incident August 20 when a bicycle owned by another juvenile was stolen. The accused juvenile was charged the following day when he was found to be riding the stolen bike.

Payroll trouble

VANCOUVER (CP) — Vancouver Mounties, snowed under with debts back as far as 1958, are meeting their payroll — but only just. Ralph Miller, general manager of the Pacific Coast League club, said Wednesday the club this year has paid $65,000 of $96,000 in back debts. All spare money was being used to pay back crediters.

Technicality loses case

A charge of supplying an Indian with liquor against Duncan MacRae of 606 Donald Street was dismissed in police court Tuesday.

MacRae, represented by defence counsel Gilbert Hogg, QC, was charged with supplying Arthur Martin of Miller Bay with liquor August 12.

Crown prosecutor J. K. Shaw stated he was not producing any evidence on the charge and it was subsequently dismissed.

That charge did not contain the word "knowingly" as is required by Sec. 93 of the Indian Act of Canada.

The Crown then proceeded to lay another charge with the word "knowingly" inserted.

But Mr. Hogg pleaded "autrefois acquit," previously acquitted or simply translated means: a man can't be tried twice for the same thing.

Magistrate Applewhaite dismissed the second charge on those grounds.

The case was dismissed before any evidence had been called.
