All Nerves!

All nerves! What a common expression! In this busy era with the problems of home management, club activities, and even political affairs crowding her day, how often the housewife complains of nervousness, headache, backache and general fatigue.

These symptoms of ill-feeling are often due to strained eye muscles and nerves which can be relieved by properly fitted glasses.

CROPS ARE GOOD TO NORTH OF EDMONTON

EDMONTON, Aug. 17—Cutting of a better-than-average crop is now under way in the north country. The latest synopsis of crop conditions, compiled by the E. D. & B. C. Cutting of wheat commenced at Grande Prairie on August 9. The wheat yield is estimated at 32 bushels; oats, 80, and barley, 45 bushels to the acre.

At Clairmont, there has been a small percentage of barley cutting; at Spirit River, a little early wheat and some barley has been cut, while the Berwyn district also reports the commencement of harvesting.

In the Rycroft, Peace River and other districts, cutting will be general within the next few days.

Crops are reported from all districts, but those immediately tributary to the city, to be in fine shape, and good crops are anticipated throughout the whole northern section of the Dunvegan line. Around Westlock and Morinville, yields will be a little light.
