ADVANCE POLLS TO BE PROVIDED AT ELECTION

OTTAWA, July 16. — Advance polls will be provided for the accommodation of seamen who expect to be absent on polling day in the forthcoming elections, Colonel Biggar, chief electoral officer, has announced.

HER BETTER PLAN.

"Eat up your rice pudding, dear."

"No, Mummy, I don't like rice pudding."

"Well, dear, just pretend you like it."

"No, Mummy, I'll pretend I'm eating it."

CANADA MUST BE FIRST DECLARES MAYOR MARTIN OF MONTREAL IN INTERVIEW GIVEN AT VICTORIA.

(Continued from Page One).

the House of Commons had met and transacted business necessary for carrying on the affairs of the country, occasion arose for him to ask for dissolution to face the electors again, but Baron Byng blundered and refused him," Hon. M. Martin went on.

Tells Why Liberals Will Win

"How will the election go this time?" he was asked.

"The Liberals are going in again without doubt," Hon. Mr. Martin replied.

"Why?"

"Under their fiscal policy and administration Canada is emerging from under the heavy load placed upon her by the war. On our present trip across we find a good business revival under way in all parts of the West. The changes in the tariff have not injured the country as predicted by opponents, but have proved a factor in stimulating business revival through increasing purchasing power.

Removed Big Load

"And now this year, besides reducing the expenses in Government department, the Government by its income tax reductions has taken $25,000,000 off the shoulders of the people. Also at the first of this month, the Government also restored the two-cent letter postage rate."

Hon. M. Martin explained that the Liberals would gain heavily in the West and also would gain in northern Ontario.

"How about Quebec?" he was asked.

"Oh," he replied, "Quebec will be solid sixty-four Liberals, at least, one seat in Montreal city being the only Conservative possibility.

"You know Mr. Meighen did not want to come and see us in Quebec at all last election. He has been trying to take the people of Quebec for fools with that man Patenaude. But the people of Quebec are not being fooled and that little game of Mr. Meighen's is finished.

M. P. McCaffery returned to the city from the south this morning. Mrs. McCaffery and family are spending the summer at Qualicum Beach, Vancouver Island.
