FARMERS TELL OF ACTIVITIES

Co-operative Purchasing in Small Way During Year in Manitoba.

BRANDON, Man., Jan. 13. — (Canadian Press).—Co-operative marketing and purchasing have proved of great benefit to the members of the United Farmers of Manitoba, according to the report presented today by D. C. McKenzie, secretary of the organization, at the annual convention here.

Figures given by Mr. McKenzie indicated that fifty-four locals engaged in co-operative purchasing during the uast year with an estimated saving of $18,695. The total paid up membership of the organization was shown as 6,438, an increase of more than 20 per cent since 1924.

"Public sentiment among our farm people throughout the province is markedly in sympathy with our organization and our task is largely one of mobilization," Mr. McKenzie declared.

Reviewing the year's work, the secretary pointed out that as a result of pressure exerted by the central office, much had been accomplished in securing more favorable credit conditions. In co-operation with the Canadian Council of Agriculture, the organization had fought to retain the statutory rates of the Crow's Nest agreement and protect the interests of agriculture in all matters relating to freight cost and regulations. Completion of the Hudson's Bay Railway, amendments to the Canada Grain Act and introduction of much legislation relating to agricultural questions, were among the important matters dealt with. The Central office further had provided its members with valuable information in connection with the Wheat Pool, grain inspection, marketing, taxation and legal matters.

While a policy of retrenchment had precluded any sweeping extension of various research and special services, Mr. McKenzie predicted improved prospects for 1926.

Important social and community work had been accomplished and the educational work and development in self-expression, Mr. McKenzie asserted, is producing among the farm people of the province many men and women capable of efficient service to the community and state.

The program of the association for this year, he said in conclusion, must be directed toward some study and research with respect to credits, special forms of taxation, wider markets, standardization and grading of all farm produce.

"While all these matters are of salient importance, the question of transportation is one of the foremost. The whole problem of freight rates is a matter for adjustment during the coming year and our organization must assume the responsibility of doing all that is possible to ensure that in the formation of our new freight rate structure everything will be done to safeguard and protect the interests of agriculture on a fair and equitable basis."

Tongue Was Coated Bad Taste In Mouth Every Morning

Mrs. J. R. Adams, Assiniboia, Sask., writes:—"For months I was troubled with a coated tongue, and had a bad taste in my mouth every morning.

One day I saw where your

Milburn's

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

OSTRACISM OF TWO SUSPECTS IN FAR NORTH

Men Said to Have Robbed Mails Refused Help by all Residents

ANCHORAGE, Jan. 15.—Afraid to touch a sum of more than $75,000 stolen from the mails two years ago owing to fear of detection by the secret service, refused assistance by the residents of the district and forced to remain virtual prisoners and eke out an existence in the same remote region, is the plight of two men in the Iditarod district, according to Alec. Gunderson, who arrived here. The men are reduced to dire straits, he said, adding that investigating officers know the identity of the thieves but are unable to make out a case against them.

COLDER TODAY AT SEVERAL POINTS IN INTERIOR AND NORTH

Reports received from the interior and northern points indicate that the weather there is getting colder. Burns Lake reports sixteen degrees of frost and at Dawson the thermometer is down to six above zero, while the Yukon average is ten above. Terrace is still several degrees above freezing. The report follows:

Prince Rupert — Cloudy, light southeast wind; temperature, 42.

Terrace— Cloudy, calm; temperature, 37.

Anyox— Rain, calm; temperature, 40.

Stewart—Rain, calm; temperature, 38.

Hazelton—Cloudy, calm; temperature, 32.

Telegraph Creek — Cloudy, calm; temperature, 30.

Smithers—Cloudy, calm; temperature, 26.

Burns Lake—Clear, calm; temperature, 16.

Whitehorse — Clear, calm; temperature, 20.

Dawson—Part cloudy, southeast breeze; temperature, 6.

PLAYERS SELECTED FOR WEDDING BELLS

Meeting of Club Last Night Reads Play and Committee Designates Parts

The Prince Rupert Players Club held a meeting last night for the purpose of selecting those who will take part in the play that club is putting on next month. A. A. Connon presided and there was a good attendance of members. The play "Wedding Bells," which has been selected, was read and the selection committee then chose the following to take the parts: A. A. Connon, W. H. Walton, George Mitchell, L. W. Jamieson, W. M. Watts, Miss Dorothy Gillingham, Miss Florence Aitchison, Miss Etanda Marsh, Miss Beatrice Burke and Miss Winnie Larson. The play will be directed by J. S. Wilson.

Rehearsals will commence at once.

Spiro Gurvich, who has been visiting in the city with his parents, Mr. and Mrs. Nick Gurvich, Fraser Street, returned on the Prince Rupert this morning to Tranquille.

"A Son of His Father"

An adaptation of Harold Bell Wright's famous novel. Lightning riders, two-fisted fighters, majestic mountains, amazing adventures and a wonderful girl. A western thriller that sweeps along like the Twentieth Century Limited and just as luxurious. A son of his father, a daughter of Mother Machree and a whole generation of thrills. He had to fight to prove himself a son of his father for the sake of a girl and the family honor. Many big episodes. A great author, a great cast, a great story and a great picture. Magnificent scenery.
