
TIME TO RING IN THE NEW and to get 1962 off to a wonderful start, serve a buffet supper at your party using a clock theme. A very versatile theme, by the way, to use throughout the entire party, from door and table decorations to serviettes and favors for the guests.

Clock theme used for lunch

In honor of the occasion begin with a steaming bisque served in your handsomest chafing dish and topped with floating clock croutons.

Follow it up with a tangy molded cheese salad to accompany a generous cold meat platter and crunchy slices of hot buttered French bread. Then top off with a creamy-filled angel cake, decked out to look like a clock.

TWELVE O'CLOCK ANGEL CAKE
(Makes 10 to 12 servings)
1 baked 10-inch angel cake
1 pint (2 ½ cups) whipping cream
¼ cup sifted icing sugar
½ teaspoon peppermint extract
red food coloring
¼ cup finely-crushed peppermint candies
12 round striped peppermint candies

Split angel cake into 4 layers. Beat whipping cream until softly stiff; beat in icing sugar and peppermint extract. Tint delicately with red food coloring. Fold in crushed peppermint candies. Put cake layers together with about half of the whipped cream mixture. Use remaining half to completely frost the cake. Chill deeply. Use round peppermint candies to represent numbers on clock and pipe cleaners, bubble wands or colored toothpicks for hands.

After breakfast there was a visit from Santa Claus who was met at the door by Mrs. Clarabell Welton and staff ringing bells and singing "Jingle Bells". Santa visits children at UFAWU WA party

By GLADYS BLYTH

350 Port Edward children 10 years of age and under enjoyed a special Christmas party staged in their honor by the Women's Auxiliary to the United Fishermen and Allied Workers' Union Wednesday afternoon, December 20 in the community hall.

Led by Henry Kelly and Ernest Stevens, parents and children sang several carols. A rousing rendition of "Jingle Bells" brought Santa Claus through the doors and up to the front of the hall where a special chair awaited him, flanked by a Christmas tree and several large boxes of gaily wrapped gifts.

Beginning with those under one year of age Santa called each child to him and handed out an individual gift. While Santa was busy with the children, members of the Women's Auxiliary served coffee to parents.

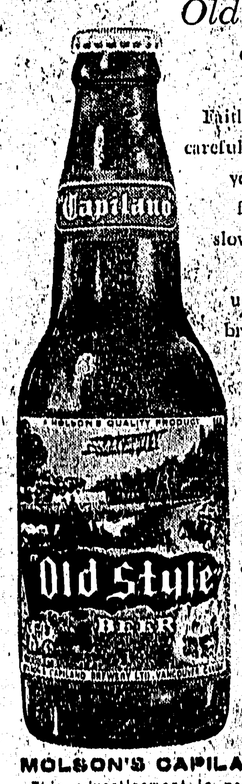
Aged naturally in the traditional manner ... to assure Old Style flavour!

Old Style AGE

slower brewing is an Old Style tradition



Old Style is calmly brewed, with no concern for time. Faithful to our original recipe, carefully selected barley, hops and yeast are blended, brewed and, finally, put away to mature slowly in quiet ageing cellars. Brewed in this traditionally unhurried manner, Old Style's brilliant colour, fine flavour, and mellow taste mature naturally. Slower brewing is the reason so many people prefer Old Style.
