In Flanders Field

In Flanders Fields the
poppies blow
Between the crosses,
row on row,
That mark our place;
and in the sky
The larks, still bravely
singing, fly
Scarce heard amid the
guns below.

We are the Dead. Short
days ago
We lived, felt dawn, saw
sunset glow,
Loved, and were loved,
and now we lie
In Flanders Fields.

Take up our quarrel
with the foe;
To you from failing hands,
we throw
The torch; be yours to
hold it high.
If ye break faith with us
who die
We shall not sleep,
Though poppies grow
In Flanders Fields.

REMEMBRANCE DAY
November 11th

PRESIDENT'S MESSAGE

Remembrance Day to most people means a brief ceremony at the Cenotaph at which we pay homage to our 100,000 war dead. Little thought is given throughout the year to the thousands who still suffer in Veterans Hospitals across Canada. How often do we think of the Mothers who have lost their sons and daughters or the Widows who have had to raise their children on pensions.

The Royal Canadian Legion's annual Poppy campaign is the only co-ordinated national appeal to the public for funds to alleviate distress among ex-servicemen and women. The Poppies and wreaths are made in Vetcraft Shops of the Dept. of Veterans Affairs, thus providing work for many disabled veterans generally unfit for industrial work. Contributions are retained locally and the Legion is able to provide food, clothing and shelter, and in extreme cases financial assistance to veterans and their families.

On this 43rd Anniversary of the first Armistice Day, let us all buy and proudly wear a Poppy on November 11th thus honoring the dead and remembering the living.

Is this too much to ask?
