INDIGESTION

Gas on Stomach Caused Severe Pains

Mrs. C. F. Wheeler, R.R. No. 1, Glen Ewen, Sask., writes:—"For years my eldest son suffered from severe pains and agony from imperfect digestion. He dieted and used artificial digestants, but all to no avail. At last I got him a bottle of

BURDOCK BLOOD BITTERS

and he had not taken the whole bottle before he was greatly relieved. The severe stomach attacks ceased, there was no more gas on the stomach, and he could eat anything he wished."
