Neglected Eyes

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to—and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

WITH Carnation on the pantry shelf there is never a shortage of double-rich, absolutely pure milk for every milk use. For Carnation can be bought a month's supply at a time—it keeps indefinitely. It even keeps several days after the tin is opened, so that there is no waste.

Because Carnation is just pure, fresh milk evaporated to double richness and kept safe by sterilization, it meets every need for milk or cream. Undiluted, it takes the place of cream at one-third cream cost. Diluted it gives superior results in all cooking. It is the most completely useful milk you can buy. Order several tins or a case of 48 tins from your grocer.

QUEEN CHARLOTTES

J. O. Kirk arrived on the Prince Charles this trip from Vancouver to take charge of the public school at Buckley Bay.

Dr. and Mrs. Size of Skidegate came up to Port Clements and Massett on the Prince Charles yesterday. Dr. Size has dental work to perform at both points.

The Union Oil Co. has just about completed the construction of its new tanks at Massett. This will be the newest fuel station on the Queen Charlotte Islands.

SKIDEGATE

A very enjoyable dance was held at Barge's Hall, Queen Charlotte City under the auspices of the Board of Trade to celebrate Armistice Day. Music was supplied by McKay's orchestra.

Picking of cones of the Sitka spruce has been going in full swing around Skidegate Inlet, the seed being shipped to Calgary, New Westminster and Kamloops.

Bears have been plentiful near the mouths of the streams this year. They seem to have come down to look for the salmon which should in the ordinary course of events have gone up the streams.

Provincial Constable Grant, whose territory covers the whole of Queen Charlotte Islands, gave this district the once over a few days ago and returned to Port Clements, which is his headquarters.

EATS BIG STEAK AND FRIED ONIONS--NO GAS

"Every time I ate I had terrible stomach gas. Now, thanks to Adlerika, I eat steak and fried onions and feel fine."—Mrs. J. Julian.

Just ONE spoonful Adlerika relieves gas and that bloated feeling so that you can eat and sleep well. Acts on BOTH upper and lower bowel and removes old waste matter you never thought was there. No matter what you have tried for your stomach and bowels, Adlerika will surprise you. —Ormes Limited, Druggists.

AUTOMOBILE OWNERS DECIDE TO ORGANIZE

At an informal meeting of automobile owners last night in the City Hall it was decided to proceed with the organization of a local club and with that end in view another meeting will be held Thursday of next week.

Harry Rochester presided last night but no permanent officers were elected, that being set for a future date.

Indications today are for unsettled weather with the sun fighting a doubtful battle against the clouds. It is soft and there may, possibly, be rain. The Barometer took a big jump from 29.90 at 8 a.m. to 30.10 at 12, indicating wind.

Alex Rix returned to the city on the Prince Charles last night from a business trip to Skidegate. He went over last week on one of the company's tankers.
