Date set for first night of "Pools Paradise"

The first live stage production by the Prince Rupert Little Theatre Association for more than two years will be staged at the Civic Centre January 25, 26, 27, President-producer Owen Erwin announced at an executive meeting last night.

The play, "Pool's Paradise," a highly amusing English farce, has been chosen and in rehearsal for some time. This will be the first live-theatre production in this city for over two years.

MEMBERSHIP NEEDED

The association is open to membership for $1 for juveniles, $2 for acting members and $5 for associate members. Juveniles have full production participation but not voting power; and associate members have full access to all association facilities, but do not participate in the production.

"We need as many members in the three groups as we can get. A full and active membership of the association means it can give this city a much-needed round of live stage productions," Mr. Erwin said last evening.

On January 13 the PRLTA will be holding a party at a time and place to be set shortly which will be open to guests by invitation only. Those interested in assisting the growth of the association may do so by contacting any association member.

'PROPS' NEEDED

A somewhat bizarre collection of properties are needed for "Pool's Paradise" production. Mr. Erwin appealed to anyone who might have the following: a lady's bicycle, a lurid - covered copy of "Lady Chatterley's Lover," a warming pan, one spinning wheel, a mantle-model nude statuette (female), one Homburg hat, a parrot cage and a complete set of crash helmet and goggles.

"The greatest of care will be taken of these items," Mr. Erwin said. "Anyone prepared to let us have them may do so by contacting the Civic Centre."

TB Seals sale said good

Total returns to date in the Christmas TB Seals fund drive is now $1,953.20, Miss Adeline Morowski reported today.

"This compares very favorably with last year's final figures of $2,430.50," she said. "With three weeks still to go before the drive closes, the the committee are very keen to beat last year's total." Miss Morowski urged that all who have received TB Seals should send in their donations as soon as possible.

ALL PACKED UP READY TO GO are Mr. and Mrs. W. A. Bisset, with children Jennifer, Pamela and Donald. The family leaves tomorrow morning by car for Penticton where they will make a new home. They have lived here for six years. Mr. Bisset has been very active in Scouting for the past five years, and Mrs. Bisset was a helper with the Brownie Packs.

Bisset family leaves tomorrow to make home in the Okanagan

A man who has been extremely active in the Boy Scout movement in the city for the last five years is leaving with his wife and family to take up residence in Penticton.

William Bisset was Cubmaster of the Fourth Cub Pack at Conrad Street School for four years and has been assistant district commissioner for the last year. This summer he was awarded the honorable charge of Assistant Akela Leader on the Canadian training team by Canadian Boy Scout headquarters.

Mr. Bisset was also active in the Parent - Teacher's Association at Conrad Street School, serving a term as president. During his six years stay in the city, he was employed by the Northern B.C. Power Company.

Mrs. Bisset has worked as a Tawny Owl with the First and Fourth Brownie Packs and attained a leader's certificate at a recent training course.

Married in Scotland 16 years ago, the Bissets spent six years in the British Cameroons, West Africa, before coming to Canada.

On New Year's Day, the family was feted at a farewell party given at the home of Mr. Bisset's cousin, Mrs. R. M. Menzies, 650 Fourth Avenue East, and were given a crystal vase by relatives and friends.

At a tea Tuesday afternoon at the home of Mrs. Alex Slater, 1308 Eighth Avenue East, a petit-point cup and saucer set was presented to Mrs. Bisset.

The District Council of the Boy Scouts of Canada, gave Mr. Bisset a desk pen set and he was given a cedar plaque with an Indian bear motif by fellow workers.

From his former Cub Pack at Conrad, he received a plaster mold of the Wolf Head made and painted by the boys with their names typed on a ribbon around it.

Mr. and Mrs. Bisset, with Jennifer 14, Pamela 9, and Donald 4, leave by car tomorrow for Penticton where Mr. Bisset will work as an appliance serviceman.
